To an observer from the High Street bridge Spring creek appears very low in face of the rains we have had lately. The explanation is found in the fact that all the water possible is being drawn down the race so as to make it easier for the contractor who is putting in the piers for the Lamb street bridge.

Owing to the fact that the chaplain at Rockview penitentiary was away on his vacation the men's Bible class of the Presbyterian Sunday school went up to the penitentiary, Sunday morning, and held a session there for the benefit of the inmates. L. C. Heineman, general secretary of the Y. M. C. A., was the leader.

Members of the State highway patrol, on Tuesday, arrested Jacob Shay, of Bellefonte, on the charge of a violation of the motor code, but on searching his car, found liquor therein and he was held on the charge of possessing and transportation of liquor. There is a very interesting article going the rounds of the papers now that has an indirect connection with Bellefonte. It is a picture of Jacob Miller, 93 year old resident of Pleasant Hill, Missouri. Mr. Miller is shown wearing a pair of boots he bought in Millinburg, this State, in 1858 and they have never been "resoled" or "heeled." He is a brother of the late Isaac Miller, well known contractor and builder of Bellefonte, and the photograph shows a strong family resemblance in the facial appearance of the brothers.

The need of better transportation for school children from points in the Bald Eagle valley to Bellefonte and Tyrone was one of the strong arguments advanced by the Tice Motor Bus company, of Howard, at a hearing before the Public Service Commission, Wednesday of last week, on its application for a certificate of public convenience to operate a motor bus line on a regular schedule between Bellefonte and Tyrone. Protests were made by the Pennsylvania General Transit company, the Pennsylvania Railroad company and the Fullington Auto Bus company.

AUTO CRASH RESULTS IN ONE DEAD, FOUR INJURED. Lawrence Hines Killed Instantly as Result of Collision in Altoona.

Lawrence Nelson Hines, a native of Bellefonte but who the past three years had been located at College Park, Md., was fatally injured and four other young men more or less seriously hurt when the car in which they were riding collided with another car at a street intersection in Altoona, about eleven o'clock last Friday morning, and then crashed head-on into a telephone pole with sufficient force to move the pole a few inches in the ground.

The five men in the car were C. Ross Beatty, son of Mr. and Mrs. Charles R. Beatty; Harry D. Rothrock, son of Mr. and Mrs. H. C. Rothrock, of south Water street; Harry Funk, an employee at the Beatty garage, and Lawrence and Daniel Hines. The five men were enroute to Pittsburgh to drive back a consignment of new Ford cars for the Beatty Motor company.

Young Beatty was driving the car and Funk was beside him on the front seat. The other car that figured in the collision was driven by Elvin Walters, of Queens, Bedford county, who was accompanied by his wife. As stated above the collision threw the Beatty car head-on against a telephone pole and the crash catapulted the three men sitting in the rear seat out of the car. Lawrence Hines was thrown head first against the pole sustaining a badly crushed skull. D. C. Miller, the first man at the scene of the accident, rushed him to the Altoona hospital where he died twenty minutes after being admitted.

Rothrock suffered a compound fracture of the right leg and dislocation of the right hip, and while he will be confined to the hospital for some time his condition is reported as fair.

Daniel Hines sustained slight fractures of several ribs but his condition is rapidly improving and he will probably be discharged from the hospital this week.

Both Beatty and Funk suffered cuts and lacerations but nothing serious. As driver of the car Beatty was placed under arrest on the charge of involuntary manslaughter, according to Altoona papers, and held in \$2500 bail for a coroner's inquest, which will probably be held some time this week.

Lawrence Hines was a son of John and Julia E. Gross Hines and was born in Bellefonte on April 18th, 1905, hence was 26 years, 3 months and 20 days old. He was educated in the public schools of Bellefonte and some four or five years ago accepted a position with the U. S. Department of Commerce, at the aviation field in Bellefonte. In April, 1928, he was transferred to College Park, Md., where he has been in the employ of the Bureau of Standards, Department of Commerce. He was at home on his vacation, last week, which accounted for his presence on the fatal auto trip.

Some four years ago he married Miss Mildred Miller, a daughter of James and Bertha Miller, who survives with two children, Beverly Jane, 3 years old, and Robert, 15 months old. He also leaves his mother and the following brothers and sisters; Ellis L. of Washington, D. C.; John N., of Litchfield, Mich.; Miss Esther M., of Philadelphia; Daniel W. and Julia E., at home.

Deceased was a member of the Logan Fire company, of Bellefonte, and the Naval Reserves, of Washington, D. C. Funeral services were held in St. John's Catholic church, of which he was a member, at ten o'clock on Tuesday morning, by Rev. W. E. Downes, burial being made in the Catholic cemetery.

GIRL FALLS FROM CAR AND DIES FROM INJURIES

Falling from an automobile on the paved street of Philipsburg, about 8.30 o'clock Saturday night, Miss Helen Watral, 17 years old, of Hawk Run, sustained a badly fractured skull which resulted in her death at the Philipsburg State hospital, on Sunday morning. The girl had accompanied Joe Bartko, to whom she was engaged to be married, on a shopping trip to Philipsburg. They were on their way home and Miss Watral, who was leaning on the door of the car, evidently pushed the latch with her arm, the door came open and she fell out, her head striking the paved street. She was rushed to the hospital where the gravity of her condition was apparent at once, and she died without regaining consciousness.

A coroner's inquest held by Dr. W. R. Heaton pronounced the cause of death as purely accidental.

Miss Watral was a daughter of Mr. and Mrs. Andrew Watral, who survive with two sisters and three brothers. She was a member of the choir of the Greek Catholic church, at Hawk Run. Funeral services were held in the church yesterday morning and burial made in the Hawk Run cemetery.

MILLHEIM PEOPLE HURT IN AUTO CRASH.

Mrs. Paul W. Meyers, Mrs. Earl B. Swartzel and two children, of Millheim, were injured, though not seriously, in an automobile accident near Woolrich, on Sunday evening.

They were all occupants of the Swartzel car which was being driven by Mr. Meyers. The party were on their way from Jersey Shore to Lock Haven and were in a long line of cars.

"Bucky" Freer, of Jersey Shore, driving the car of Mrs. Francis E. Musser, who with her husband operates "Quigley Hall", near Great Island, was driving in the same direction and as the traffic was not going fast enough to suit him he broke ranks and attempted to pass the line of cars. When he attempted to get back into line his car skidded on the wet roadway and crashed head-on into the Swartzel machine. One of the Swartzel boys had several teeth knocked out and his jaw fractured. Freer was placed under arrest, charged with reckless driving.

On Thursday afternoon of last week a son of Dr. J. P. Ritenour, of State College, driving his father's car, crashed into the parked cars of two workmen on the road over Bald Eagle mountain from Halfmoon township to Port Matilda, pushing both cars down the side of the mountain with his own car a close third. PREACHERS FIELD DAY IN BELLEFONTE CHURCH

Sunday, August 9th, was a field day for preachers in the Methodist church. In the morning worship, pastor Jacobs announced that he believed two Methodist ministers were in the congregation, which had representatives from several States and many Pennsylvania communities. Requesting every visiting Methodist minister to indicate by holding up his hand, he was able to introduce to the people when each took part in the service, the Rev. Frank Hartsock, D. D., of Dallas, near Wilkes-Barre, Pa., and Rev. George A. Gibson, D. D., of Willard, Ohio. In the evening service, which was the union meeting, with Rev. A. Ward Campbell, of the Bellefonte Evangelical church, preaching and a fine sermon it was, pastor Jacobs invited in the congregation the Rev. James M. Centre county's experienced navigator of the air, Henry Noll, had a thrilling experience and narrow escape from death, on Tuesday, when one of his planes which he was tuning up at his Pleasant Gap airport preparatory to making a flight caught fire from a flooded gas line. Mr. Noll was in the cockpit and a sheet of flame burned much of the hair from the left side of his head and burned his face, though not seriously. POST AND GATTY VISIT BELLEFONTE

(Continued from page 1, Col. 2.)

The "Winnie Mae" is one of the newest types of air machines and is equipped with all modern conveniences for air travel. Post, the pilot, sits in the front above the wings. Gatty and Quisenberry rode in the cabin where Gatty spent his time during the flight. This is only room for one on long distance flights but on the short hops (St. Louis City to New York is considered only a short hop). Quisenberry rides where the large compass that guided the men around the world generally is placed.

The only extreme disappointment that the party expressed was the lack of a move house open on Sunday. Father Fate handed them a slap on the face in this respect. It was the first time since the completion of the flight that they had an evening off to attend a movie and that evening had to be in Pennsylvania where the blue laws prevent the shows from running.

It was with genuine sorrow that we watched these men take off. We went out on Sunday afternoon to get a news story. We found two men who treated us more like a schoolyard friend than a reporter. They were two men who could be classed in the slang as "real fellows." There was not a trace of conceit shown during the entire visit. They spoke lightly of their visits in different parts of the world, but did not in one instance mention the fact that they had added a page to history. We can say without hesitation that Wiley Post and Harold Gatty are men whom the United States may well be proud of.

The 57th annual reunion of the Centre County Veteran Club will be held at Grange Park, on Wednesday during picnic week, August 26th, at 10:30 a. m. All Civil war veterans are requested to attend. The bronze button will admit all free to the grounds.

Sale of Household Goods—Miss Betty and Philip Ray will make sale of all the household goods in their home on east Linn street, Bellefonte, on Saturday, August 29, at 2 o'clock. L. F. Mayes will be the auctioneer.
