The Only Candidate For Sheriff From Penns Valley

John M. Boob, of Millheim, the only candidate on the Democratic ticket for Sheriff who resides in Penns valley, is a man of unimpeachable character, has the ability of the business man of today and is not a politician in the strict sense of the word.

He was born in Haines township. At the age of eleven years his father died and he then took up his home with his grandfather, John Boob, on the latter's farm near the Red Mill, in Potter township, where he resided for the ensuing eight years. In December of 1914 he entered the employ of his stepfather, H. H. Leitzell, and learned the butcher business. In 1917 he was again on the farm in the interest of his grandfather. In June of that year he registered for military duty and was called the next May from a farm in Haines township.

He was inducted into the service at Bellefonte, and received his first military training at Camp Meade, Maryland. He went overseas with the 314th Infantry, Co. H, which was a part of the 79th Division. The latter division took part in half a dozen or more engagements, during the last of which Mr. Boob became a hospital patient. He was not again with his old buddies until the division was discharged at Camp Dix, N. J., following a surgical operation in the hospital at that camp. He was later sent to the St. Agnes hospital in Philadelphia, and following his discharge from that institution, he entered the Pierce School of Business Administration. He graduated from that school in 1922, and the same year entered the butcher business which he now conducts.

Mr. Boob has held public office in the borough and is at the moment a justice of the peace, being also, since 1926, clerk of council.

He is a member of the Keystone Post, No. 444, American Legion, which he served as commander and adjutant after he reorganized it in 1922. During 1930 he was Chief de Gare of Centre County Volture No 14, 40 et 8, at Bellefonte, and held the office with credit to the organization.

He is a member of St. John's Reformed church in Millheim and holds the office of Recording secretary in that body. Other organizations in which he holds membership are the M. W. of A., K. G. E. and the I. O. O. F., in Millheim.

in this community where they have always lived.

Mr. and Mrs. Floyd Mann and son, Bert Allen, of Texas, and Mrs. Maple, of Clarksburg, W. Va., called Sunday, at the home of Mrs. Lyde Pletcher, while enroute to Washington, D. C., from Texas.

The Howard Community Health Service held their second clinic in their room in the Cook building, on Tuesday afternoon. There is an enrollment of 24 children, which is a splendid number for a community of this size. State nurse and doctor are present at each clinic to measure, weigh and examine the children and to give advice as to proper diet, etc. This clinic is open to children of Howard borough and township, Jacksonville, Blanchard, and all the other outlying districts from Blanchard to Milesburg. The next clinic will be held Tuesday, Sept. 15th, at 3 o'clock. Don't forget the time and the place and bring your children for free examination.

A school of training in religious leadership has been organized and will hold their first meeting in the Evangelical church at Bellefonte, Friday evening, Sept. 11th, at 8 o'clock, and will continue each Friday evening until November 13th. Eight courses will be presented in the school and two fifty minute periods will be held each evening. "The Life of Christ" and "A Study of the Primary Child" will be under the supervision of Rev. Walter Smith. "A Study of the Pupil" and "A Study of Adolescence," Rev. A. C. Ruth. "First Unit of the New Testament" and "Second Unit of the Old Testament," Rev. A. W. Campbell. "First Unit of the Old Testament" and "The Last Unit of the New Testament," Rev. W. E. Yingling. The students may choose any two of the courses and a credit certificate will be given which will apply towards an international diploma. The registration fee is \$1.00. The cost of the text book is approximately \$1.00. The student will furnish note book and pencil. Anyone of any denomination may take this course. Further information concerning this school may be obtained by consulting Rev. W. E. Yingling.

To the Voters of Centre County:

Give Rush township a break! Good citizenship, like charity, begins at home. That's why we have come voluntarily to ask you to nominate and elect R. J. Barnett (better known as Barney) to the office of County Treasurer.

He has, for years, been one of our best citizens. Always promoting and working for the good of the community, and we know he would do the same for the County if given the opportunity.

Rush, the largest township in the County, has never had any of its citizens elected to any County or State office.

Help us elect "Barney." What he has done for us prompts us to do this for him.

This petition has been signed by over three hundred Rush township citizens and they have paid for this space in which to appeal to you for "Barney" for Treasurer on the Republican Ticket.
