BELLEFONTE HIGH MEETS MILL HALL TOMORROW.

Tomorrow the boys who will fight the gridiron battles of Bellefonte High this fall will have their first regular try-out when they meet the warriors from Mill Hall on Hughes field here.

It will be recalled that our team was not so hot last season. It didn't score a point against any opponent, but there was no one who would say that it hadn't fought every contest with a gameness that was remarkable under such discouraging conditions.

Coach John Miller has been working hard for two weeks with the material available for this year's team and hopes that tomorrow's fight will show up the old spirit, plus the revelation that he has the makings of several stars around whom he can build for the later games.

After the Mill Hall contest all the others will be conference games and the schedule is as follows:

- Oct. 3—Altoona, away. Oct. 10—Windber, here. Oct. 17—Mt. Union, away. Oct. 24—Cresson, here. Oct. 30—Tyrone, here. Nov. 7—Osceola, here. Nov. 14—Jersey Shore, away. Nov. 21—State College, here. Nov. 26—Lock Haven, away.

ACADEMY FOOTBALL WILL START TOMORROW

The Bellefonte Academy football season will open on Hughes field tomorrow at 2.30 p. m. Duquesne University Freshmen, of Pittsburgh, will be the opponents. They are heavy, fast, well coached, and selected from 175 candidates.

The Academy squad of thirty-six good players, stars on many High school teams of New York, Ohio, Pennsylvania, New Jersey and West Virginia, have been practicing hard for two weeks under the experienced and skillful coaching of William Guteron, for four years quarterback on the University of Nevada team and also quarterback on Brick Muller's all-star California team.

Indications point to one of the strongest elevens ever representing the school on the hill, and that means a lot to the football fans of Bellefonte and vicinity. Many fans have been watching the Academy practice the past two weeks and are very enthusiastic over the prospects. Let every football fan be out on the field Saturday to cheer the local boys to victory. The game will be a hard one. "Sammy" Confer, a local boy, will have his chance to make a score or two for the Academy.
