Formally Open For Business

MONDAY, OCTOBER 5th, 1931

The Thrift Corporation :

WHAT IT IS—The small loan corporation just established in Bellefonte, Pennsylvania, is a financial institution performing the same service for the salaried and working man that a bank of deposit gives to the big business man.

WHAT IT DOES—Persons of moderate means can secure loans in any amount to \$300 at very reasonable rates. These amounts may be paid by small weekly or monthly payments, over a long period, making payments small.

Saves Embarrassment :

The Centre County Thrift Corporation helps you to eliminate the worry of unpaid accounts, if you have any. You do not have to be embarrassed by collectors and your debtors.

Suppose you feel that you need and should have some useful article. Come to us. We will show you how you can get it. You pay cash for the article and are under obligation to no one. You choose the day when you want to make your repayments, either weekly, semi-monthly, or monthly. In the meanwhile, you have used the article you want and have not missed the small repayments you have made.

Paint Your House or Have Repairs Made :

Suppose your home needs to be painted or repairs made on your house. The work can be done by the plasterer, plumber, contractor, electrician or painter—then you sign a note with the Centre County Thrift Corporation and pay it off in regular monthly or weekly installments.
