Bellefonte, Pa., October 2, 1931.

NEWS ABOUT TOWN AND COUNTY.

Additional correspondence will be found on page 3 of this issue of the Watchman.

The Catholic Daughters of America will have a bake sale at the Variety shop tomorrow (Saturday) morning.

Mrs. Francis Musser and son Richard have moved to Bellefonte and with Mrs. Musser's mother, Mrs. Kellerman, are occupying an apartment in Petrikin hall.

Earl E. Stall, of Altoona, has been awarded the contract for the construction of 950 feet of reinforced concrete pavement in the borough of Philipsburg at his bid of \$5,700.

Corporal M. E. Hanson and patrolman David K. Hughes, members of Troop D. State highway patrol, who have been stationed at Bellefonte for some time past, have resigned from the force, their resignation taking effect on Tuesday.

At the district meeting of the Eastern Star, held at Hecla, Saturday, Mrs. William E. Hurley was unfortunate in losing a two skin mink neck piece. The fur was dropped in the pavilion and in all probability picked up by one of the visiting delegates, not knowing to whom it belonged.

Owing to the fact that three members of the Sophomore class at Bucknell University are ill with infantile paralysis, and one Freshman died as the result of an attack of the disease, a quarantine has been established on the lower classes and a part of the Freshman football schedule has been cancelled.

Alfred G. Witter, of Bellefonte, is one of 107 students who will graduate from the advance flying school of the United States army, at Kelly field, Texas, on October 10th. He will receive the wing insignia of the army air corps and a commission as second lieutenant in the air corps reserve.

In an argument over a drink of moonshine, at State College Tuesday evening, Oscar Ostrander was shot in the left arm by "Crow" Brown. He was brought to the Centre County hospital for an X-ray to locate the bullet while Brown is in the Centre county jail to await trial at the next term of court.

William F. Colyer, the produce dealer at Centre Hall, held an auction of fruit and vegetables, on Saturday evening, everything going to the highest bidder. He got rid of everything he had on hand but pumpkins, and the supply of those exceeded the demand. At that he sold about \$125.00 worth of stuff.

Mrs. Melvin Cherry gave a little girls' party, at her home on north Thomas street, from two to four o'clock Saturday afternoon, as a birthday celebration for her daughter, Mary Ann. The guests present included Jeannette McGinley, Sarah Bryan, Jean Young, Pauline Casper, Charlotte Gordon, Joyce M. Jones, Elwood Johnson Jr., Jean Hall and Shirley Thomas.

Roy Watt, a Beaver county prisoner serving eight to sixteen years for breaking entering and larceny, made his escape from Rockview penitentiary last Friday evening. The man was with other inmates in the prison yard at 7:30 o'clock, where he was seen by officials in charge but when they were marshalled into the cell block at 8 o'clock he was missing. The alarm was promptly given but he eluded the guards and made a successful escape. At this writing no trace of him has been found.

We call special attention to three pictures that are on the list for showings at the Richelleu and State. "Night Nurse" at the Richelleu tonight is an unusually good show. "The Spider," next Monday and Tuesday nights is another that will not disappoint those who go to see it. In fact it is very fine. Then "The Girl of the Golden West," which will be shown at the State all next week is one we think you would enjoy. It was one of the greatest stage dramas we have ever seen and made Blanche Bates famous as an actress.

About one-half of the new road through the Fishing creek gap is completed. It is all widened to 18ft. but the macadam is only 10 ft. wide, leaving dirt shoulders of 4 ft. on either side. There is much speculation as to the durability of the paving because there are only two inches of stone and one application of asphaltum on it. At present it looks fine. What it will be after the frost comes out of the ground next spring remains to be seen. Persons using it in wet weather will have to be very careful in passing, because of having to turn off the hard center on to the soft earth at the side. In fact a light truck overturned down there on Saturday in doing that very thing. Friday night's rain had made the shoulder of the road soft and in passing a roller the driver of the truck had to turn onto it. The result being that the wheels on one side sank into the soft ground and an upset was the result. The driver was not hurt, however.

THRIFT CORPORATION WILL OPEN ON MONDAY IN BELLEFONTE.

New Institution Offers to Loan Money at Low Interest Rate and Accept Repayment in Small Installments

The Centre County Thrift Corporation will open its doors to the public at its new offices in the Penn Belle hotel building, Bellefonte, on Monday morning, October 5th. Mr. B. S. Kingsley, of Howard, who has been selected as manager for the new corporation, has spent the past two weeks in Pittsburgh securing his training for the "thrift" work at the Pittsburgh Thrift Corporation. It is anticipated that many applications for loans will be made at the corporation's office on its first day in operation.

The quarters in the Penn Belle building have been completely renovated and make a fine appearance. There are private consultation rooms for the use of prospective borrowers. New paint, linoleum, etc., has completely altered the appearance of the interior.

The opening of this Thrift company, or bank, as it is commonly known, is regarded by those who are responsible for bringing it here as an important development in the life of the community. No institution like it has ever operated in Bellefonte.

As previously announced it is patterned after the "Thrift Plan" as operating in the Pittsburgh Thrift Corporation, which is supported by many of that city's outstanding citizens. More than 20 Pennsylvania towns have opened and are operating successfully such institutions.

The Centre County Thrift Corporation is not a bank of deposit. It does not seek or receive deposits of money. It merely lends out its capital. Neither does it compete with the old-line banks for the larger commercial loans. It wants to lend in small sums—\$300 is the limit—and arrange repayments in 56 weekly installments.

There is nothing new in the idea of loans repayable in small installments. Companies for this purpose have existed almost since money was invented. The point of departure between the Centre County Thrift Corporation and most other such companies is in the matter of charge for the service. The State of Pennsylvania permits small loan companies to charge as high as 3 1/2 per cent per month, and most such companies charge the maximum. The Thrift Corporation is a company which charges about one-half the legal rate. The plan, as worked out over a period of years, has proven itself entirely practical, as the Thrift companies have averaged 8 per cent earnings the first year and more than twice that amount in subsequent years.

Officers of the corporation are Geo. H. Hazel, president; L. D. Fye, 1st vice president; Dr. W. J. Kurtz, 2nd vice president; R. F. Stein, secretary; D. M. Kline, treasurer; Hon. James C. Furst, counsel; and other directors are C. R. Anderson and H. R. Hickok, of Pittsburgh; Wm. H. Brouse, John M. Bullock, of Bellefonte; W. W. Kerlin, of Centre Hall; Forest L. Struble, of State College; and J. H. Turner, of Julian. Miss Helen Farrer has been appointed as stock sales-woman.

The public is cordially invited to visit the offices of the corporation, either in the interests of making a loan, or of inspecting the quarters.

"ARLIS AT CATHAUM IN 'ALEXANDER HAMILTON'"

George Arliss, without rival as the most distinguished star of American stage or screen, comes to the Cathaum theatre, State College, on Monday and Tuesday of next week in his latest picture, "Alexander Hamilton." This story of the famous Secretary of the Treasury in George Washington's Cabinet reveals the pages of history in vivid fashion, and the tale of intrigue, diplomacy and scandal—with a Nation's life in the balance, will bring you the sort of entertainment that you liked so well in "Disraeli."

There will be daily matinees at 1:30 and the evening showing will start at 6:30 and 7:40.

BIRTHS OF THE WEEK

A little daughter, who is the second in the Klingler family, was born to Mr. and Mrs. John Klingler, Monday, at their home on Pine street.

Mr. and Mrs. Herbert Beezer, of Pine Glenn, are receiving congratulations on the birth of their first child, who was born at the Centre County hospital, Monday night. Little Mary Anne is not only an only child, but an only grandchild, making her a very popular member of the Beezer family.

A son, the third of the family, was born to Mr. and Mrs. Franklin Wolf, Monday, at their home on Wilson street.

Capt. Ralph T. Smith has his program about completed for the Troop L horse show to be given next Thursday night, the first night show to be held in this section of the State. If the weather is fair, and not too cold, a large crowd will likely be at the new military post, east of Bellefonte, to see the various events.

DEATHS OF THE WEEK.

McCLURE.—Mrs. Mary Catherine McClure, widow of the late William McClure, of Bellefonte, passed away at 8:30 o'clock on Saturday evening, at the home of her daughter, Mrs. M. P. Clancy, at Narberth, as the result of a complication of diseases. She had not been in good health for a year or more and two months ago went to her daughter's home in order to receive treatment by Philadelphia specialists, but her condition was such that no relief could be given.

She was a daughter of John H. and Martha Jane Barnhart and was born in Spring township on February 12th, 1866, hence was in her 66th year. Her father was a prosperous farmer and Mrs. McClure was a direct descendant of Col. John Antes, Col. Philip Barnhart and Ensign John Holt, of Revolutionary fame. As a young woman she taught school several years and on September 14th, 1887, married Mr. McClure. They took up their abode in the McClure home, on the corner of Bishop and Spring streets, where she had lived ever since. She was a member of the Methodist church all her life and was always regular in her church devotions.

Her husband died on January 7th, 1919, but surviving her are eight children, Mrs. Paul McGarvey, of Bellefonte; Mrs. Murdoch P. Clancy and Mrs. Samuel R. Waite, of Narberth; Miss Martha, of Pittsburgh; Mary, Thomas, William and Louise, all at home. She also leaves nine grand-children, one brother, and four sisters, Mrs. A. S. Johnson, of Columbus, Ohio; Harry Barnhart, of Steubenville, Ohio; Mrs. David C. Grove, Mrs. Charles Hassinger and Miss Carrie Barnhart, of Bellefonte.

The remains were brought to Bellefonte, on Monday afternoon, and taken to her home, on Bishop street, where funeral services were held at 10 o'clock on Wednesday morning by Rev. Horace Lincoln Jacobs, burial being made in the Union cemetery.

SHEFFER.—Mrs. Naomi Sheffer, widow of the late Samuel Sheffer, passed away at 1:15 o'clock last Friday afternoon, at her home in the Bingham apartments, corner of Allegheny and Curtin streets. She had suffered with a heart ailment for some time past and her death was not unexpected.

She was a daughter of David and Elizabeth Clawson and was born at Freeport, Venango county, on July 20th, 1847, hence had reached the age of 84 years, 2 months and 5 days. In 1870 she married Samuel Sheffer, of Freeport, Pa., and the first nine years of their married life were spent at that place. In 1879 they came to Bellefonte, Mr. Sheffer to accept a position with one of the limestone industries here, later becoming a plant superintendent for the American Lime and Stone company. For fifty-three years Mrs. Sheffer had been a resident of Bellefonte and she had naturally acquired a large circle of friends. She was a lifelong member of the Presbyterian church and during her active life was an ardent worker in the church, missionary societies and ladies' aid. She was also an enthusiastic member of the W. C. T. U.

Mr. Sheffer died in April, 1915, but surviving her are two sons, A. Lester, of Milroy, and Herbert W. of Avis. She also leaves seven grand-children and eight great grand-children. She was the last of her generation of the Clawson family.

Funeral services were held at the Widdowson funeral parlors at four o'clock on Sunday afternoon by Rev. W. C. Thompson and on Monday the remains were taken to Freeport for burial in the Sheffer lot in the cemetery at that place.

WITMER.—Mrs. Alma Witmer, wife of Edward Witmer, of Reynolds avenue, died of a heart attack at 9:10 o'clock, Tuesday evening, while on her way to a card party at the American Legion home, on east Howard street. She had been a sufferer with heart trouble for some time but was no worse than usual on Tuesday. That evening she started for the Legion home with Mrs. Rebecca McKinley. When they reached the G. Murray Andrews home, corner of Allegheny and Howard streets, she complained of feeling faint and sat down on the running board of a car parked there. A hurry call was sent for a physician and Dr. Sebring responded. A hasty examination showed her condition to be critical and the ambulance was summoned but she passed away before it arrived.

Mrs. Witmer was about forty years old and a native of Chicago. She married Mr. Witmer about seventeen years ago and they lived in Chicago until early last summer when they came to Bellefonte and had been living at the Witmer paternal home, on Reynolds avenue. In addition to her husband she is survived by four children, Ruth, 16 years old; Edward Jr., 12; Fern, 9, and Robert 6.

Funeral services will be held at the Witmer home at two o'clock this afternoon by Rev. A. Ward Campbell, of the Evangelical church, burial to be made in the Meyers cemetery.

Father's day at the Pennsylvania State College has been set for Saturday, October 17.

BELLEFONTE ACADEMY HELD DUQUESNE FROSH TO GOOSE-EGG SCORE.

A fairly large crowd went up to Hughes field, Saturday afternoon, to see the opening football game between Bellefonte Academy and the Duquesne University Freshmen, of Pittsburgh, and they all got full value for their admission fee. The two teams battled to a scoreless tie, though the visitors had a little the best of the argument. Twice they were within scoring distance. In the second quarter they got the ball within eighteen inches of the Academy goal line. It was the third down and they attempted to push the ball across but the runner was thrown for a loss and the danger was past.

In the last minute of play the visitors executed a forward pass which put the ball within five feet of the goal line but before they could line up for another play the whistle blew for the end of the game. At no time during the game was the Academy able to get near the Duquesne goal. This does not mean, however, that the Academy players were lacking in push or aggressiveness, as they played a splendid game. But the visitors had a defense that was well-nigh impregnable.

It was a splendid game from start to finish. There were very few fumbles and only two penalties inflicted during the entire contest. Toward the close of the game a Duquesne player was injured and had to be taken to the hospital.

Tomorrow the Academy will play the Keystone Academy and they should win this game.

BELLEFONTE HIGH WINS IT'S OPENING GAME

Having gone clear through its last year's schedule of games without crossing its opponent's goal line the Bellefonte High school football team opened its 1931 season with a 6-0 victory over Mill Hall last Friday.

The game was played on Hughes field here and had thrills galore. There was a large crowd out to cheer the red and white defenders, for everyone remembers how valiantly they fought last season, even under conditions that might justifiably have weakened the grit of any team.

The game was clean and hard and the fact that Mill Hall revealed its weak offense through failure to make a first down detracted nothing from its interest because the boys from down the Bald Eagle had a strong defense and kept the outcome hanging in the balance until the last five minutes of play, when Kelley shot a pass right into the hands of Kushwara, behind the Mill Hall goal line, and Bellefonte marked up her first score since 1929.

Kelley and Kushwara were Bellefonte's outstanding players. The former was in every play and kept dashing off good runs all afternoon. Once he got away for a gallop of 35yds down the field and only a superb Mill Hall tackle saved another score.

Inasmuch as the game was not a conference one coach Miller experimented with his material. At that he made only three substitutions: Kushwara for Stover, Markle for Steele and Zimmerman for Kelley.

The local line up was Stover, left end; O'Leary, tackle; Steele, left guard; Ulrich, center; Boscano, right guard; Hall, right tackle; Caldwell, right end; Kelley, full back; Whipple, right half; Gingery, left half; Knapik, quarter.

BELLEFONTE HIGH PLAYS IN ALTOONA TOMORROW.

Tomorrow Bellefonte High has her annual battle with the Altoona High school gridiron warriors at Altoona. As the local team looks better now than it did anytime last season it is likely that a goodly crowd of rooters will accompany it to the Mountain city. Their welcome there will be even more cordial than it has been in past years, for the Booster Association of Altoona has taken the matter up with the intent of making it a gala day.

The game will be played on Mansion field park, which is easy of access and has plenty of free parking space nearby. All the Altoona stores will display the colors of the contending teams.

Mr. Earl K. Stock, principal of our High school, has received a cordial invitation from the business men of Altoona, in which they insure all students and their friends every courtesy while guests of that city for the game.

They are taking a camping outfit with them and while they will head for Florida they have no special destination. They expect to spend the entire winter motoring from place to place and will live in their tent most of the time.
