

BY GEORGE R. MEEK.

-The death of Senator Morrow, of New Jersey, is a great loss to the country. He was a broad, able man whose mentality was warped neither by partisanship nor fanaticism.

-In Harrisburg an armless man has been arrested for stealing chickens. While we could never condone thievery we confess admiration of anyone without arms who could rob a hen roost.

-Talking about hard times, daily receipts of one hundred and fiftythousand dollars and more at the Athletic-St. Louis base-ball games look as though Nero must fiddle, even if Rome does burn.

-The Governor's sudden soft pedaling on the rottenness of the Philadelphia gang suggests the idea that he is in a receptive mood for unlawful for anyone to have in his to the end that he might receive cept in his place of business or Senator.

-How many of you remember who Palmer and Buckner were? They were the red herrings whom the goldites drew across the sixhaven't heard of them since 1896, so sheriffs of counties. they must be dead. If they're not, No such license, however, may let them come forth to rebuke the be issued to a person under 18 years many countries that are kicking the of age, to a person of unsound mind dawg."

-Two Republicans are on the crime of violence within this Com-Democratic ticket for county offices monwealth or elsewhere. good citizenship and capability that carry a small weapon. voters should consider in selecting Licenses are good for one year men to fill county offices.
