

NEWS ABOUT TOWN AND COUNTY.

At the get-together party of the John Keichline family, last Sunday, they combined the celebration of the fifty-fifth anniversary of their parents' wedding and Mr. Keichline's eighty-fifth birthday.

Though Halloween is more than two weeks away Bellefonte boys, some of whom are big enough to know better, have already started on their evening rampage, a nuisance that ought to be curbed at once by borough police.

Last Friday's sudden cold snap forced the firing of many furnaces in Bellefonte and, remarkable as it may seem, the first real hard frost of the season in Bellefonte was on Tuesday morning of this week, October 13th. Last year at this time practically everything had been frost-killed.

Young people of the Bellefonte Methodist church have been gathering a display of vegetables, canned goods, jellies and preserves, this week, which will be on exhibition at the harvest home services in the church, on Sunday, and later will be donated to the Methodist home for the aged, at Tyrone.

On Sunday, October 18, Rev. Dr. Edwin Van Ethen, of Pittsburgh, will be the chapel speaker at the Pennsylvania State College. We mention this because Dr. Van Ethen's Sunday radio sermons are so much enjoyed by many in this section that the opportunity to see as well as hear him might be welcomed by some.

The Willing Workers of the Lutheran Sunday school will hold a food sale Saturday, October 31st, at the Variety shop, on Allegheny St. They will have on sale home-made bread, rolls, pumpkin pie, gingerbread, doughnuts, cake, cookies, candy, salted peanuts and various other dainties. Also, cider and pretzels. Anyone wishing to place an order for anything in this list call phone No. 665-R or 202-R, not later than Thursday, October 29th.

The Sheriff's election proclamation, which will be found on page 3 of this issue, will be helpful to voters who are uncertain as to how to make up their ticket for the coming election. Except for the borough and township officers that will be voted for in the "Specimen Ballot" in the proclamation is exactly like the one that will be handed voters at the polls on November 3. Cut it out and preserve it for study, practice marking it and then you will be sure that you will make no mistake when you come to mark your real ballot.

Included in a list of appointments made by Governor Pinchot, on Wednesday, was that of Miss Lillian C. Sheffer, as an inspector in the Department of Labor and Industry at a salary of \$1860 a year. Miss Sheffer is a daughter of Mr. and Mrs. Herbert Sheffer, formerly of Bellefonte. Charles R. Hudson, of Philipsburg, was also appointed an inspector in the same department at a salary of \$1860, while John W. Beals, of Philipsburg, who was pulling down a salary of \$2040 as an inspector in that department, was dismissed from service.

When Governor Pinchot assailed the public utilities, in an address at the State firemen's convention at Wilkes-Barre, last week, charging that electric companies throughout the State took the utmost farthing possible from fire companies, the one man who rose in defense of the utilities, and especially the electric company here, was chief George Carpeneto, of the Undine Fire company. He stated right out in meeting that he had always found the company willing to co-operate with the firemen at a minimum of expense.

Over at Sandy Ridge lives a man, Martin Maitula, almost eighty years old, who got the fear of banks in his heart. He drew his life's savings, \$770, and carried it with him in his sock. Out walking, a few days ago, he became weary and sat down to rest. He fell asleep and when he awoke his money was gone. There isn't a year that some bank, some where, doesn't close its doors, good times or bad. But they all pay some money to depositors. When it's stolen it's all gone. Moral: Don't make a bank out of your sock or your home, the country is full of men who are looking for such things all the time.

A court order was filed, on Wednesday of last week, placing Thomas Franklin Auman, of Gregg township, on probation for a period of twenty years and granting his release from the county jail on the payment of a fine of \$250 and the costs in the case. It will be recalled that Auman, who is past seventy years of age, was convicted at the September term of court of the crime of arson for having set fire to his own home, which was completely destroyed. He was sentenced to pay a fine of \$250, the costs in the case and one to twenty years in the western penitentiary. The sentence was later modified to make the imprisonment in the county jail and this was followed by the order of probation last week.

SMALL ATTENDANCE AT ANNUAL MEETING OF HOSPITAL CORP.

All Bellefonte Members of the Board of Trustees Re-elected. Various Reports Submitted.

Just eight men and three women were in attendance at the annual meeting of the Centre County Hospital Corporation, held in the court house on Monday evening. On motion Arthur H. Sloop was chosen to preside. Secretary Myron M. Cobb read the minutes of the last annual meeting which were approved.

Mrs. W. Harrison Walker presented the annual report of the Woman's Auxiliary which showed that during the past year the Auxiliary had furnished the hospital with the following articles:

- 21 abdominal bands. 15 baby blankets. 30 baby shirts. 12 pairs bedroom slippers for ladies. 12 pairs bedroom slippers for men. 141 bed shirts. 60 bed spreads. 24 bureau scarfs. 34 children's bed shirts. 11 coffee bags. 27 pairs curtains. 2 delivery jackets. 259 diapers. 13 dispensary towels. 63 doctor's hand towels. 24 ether blankets. 74 face towels. 256 hand towels. 7 infection gowns. 49 kitchen towels. 15 laboratory towels. 36 napkins. 12 operating caps. 11 operating stockings. 161 operating towels. 251 pillow cases. 348 sheets. 52 sterilizing squares. 19 table cloths. 77 tea towels. 12 tripod covers. 258 turkish towels. 200 wash cloths.

Manager W. H. Brown submitted his report for the last fiscal year of the hospital which showed a total of 701 full pay patients, 34 part pay and 446 unable to pay anything, a total of 1181 patients for a total of 15601 patient days. During the year there were 140 births at the hospital and 50 deaths. The total receipts from patients, including hospital service and miscellaneous items were \$35,036.59; State appropriation, \$7312.50; all other sources, \$6419.53, making a total of \$48,768.62. State appropriation due but not yet received was given as \$2437.50, making a grand total for the year of \$51206.12. The total expenditures for the support of the hospital proper were \$49,311.64, while there was an additional expense of \$7800.00 under the heading of capital account, which included interest on mortgage, new equipment, etc., making a grand total of \$57,111.64. The growth of the hospital during the past year showed a 24% gain in patients and 27% in patient days. The increase in the State appropriation, manager Brown estimated, would take care of about fifty per cent of the costs of charity work.

Owing to the business depression the project for building a new nurses home has been at a standstill during the past year.

In the absence of the treasurer, George C. Bingham, his report for the year was read by the secretary, John D. Sommerville presented a brief report of the hospital drive for 1931.

On motion of Mrs. W. Harrison Walker, John Blanchard, W. T. Kelly, George C. Bingham, Myron M. Cobb and John D. Sommerville were re-elected members of the Board of Trustees from the First district for another term of three years, and Robert T. Keck, of Snow Shoe, was elected a member from the Second district for two years to fill out an unexpired term.

There being no other business to transact the meeting adjourned.

Another car load of prisoners was brought in from Pittsburgh, last Friday, to add to the population at Rockview penitentiary. Among the hundreds of prisoners there now is one man, a Centre countain, who is taking his punishment in a most philosophical manner. It is Charles A. Krape, of Spring Mills. It will be recalled that Mr. Krape was convicted on the charge of arson at the February term of court. An application for a new trial was denied him and he was sentenced on May 14th to a term of one to twenty years in the penitentiary with the understanding that he might apply for a parole at the end of a year. He was taken to Pittsburgh but was brought to Rockview within a week. At the latter institution he was made a runner for carrying messages between the main prison and the psychopathic ward. He makes two trips a day, which is not hard work for a man of his age, and he is apparently resigned and as happy as a man can be who is under restraint. He is cheerful at all times and is enjoying splendid health. He has served half of his minimum sentence and has no worries about the predicted hard times the coming winter.

DEATHS OF THE WEEK.

CUNNINGHAM.—Edward J. Cunningham, practically a life-long resident of Bellefonte, died at 12:45 o'clock, on Sunday morning, at the home of his niece, Mrs. Joseph Allen, in Washington, D. C. Almost a year ago, or on November 25th, 1930, he suffered a stroke of paralysis at his home on south Water street, Bellefonte. For eight months he was confined to his home and eight weeks ago, on Monday, he was taken to Washington by his niece in order to give him the benefit of treatment by specialists, but he gradually grew weaker until the end.

He was a son of Alfred and Rebecca Jones and was born in Philipsburg on January 15th, 1872, hence was in his 60th year. As a young man he went to work as a clerk in his father's store and when the latter died he took over the business and had conducted it most successfully. He was a member of the Lutheran church and the Masonic fraternity.

In 1897 he married Miss Naomi Guss who survives with five children, Mrs. Frank H. Gette and Mrs. Francis Maguire, of Buffalo, N. Y.; Alfred, of Philipsburg; Esther, a student nurse at the University hospital, Philadelphia, and Edward, at home. He also leaves one sister, Mrs. Jennie L. Andrews, of Philipsburg.

Funeral services were held at his late home, on Sunday afternoon, by Rev. E. L. Lee, burial in the Philipsburg cemetery being in charge of the Masonic fraternity.

She was a daughter of John and Rebecca Sayers and was born at Jacksonville 63 years ago. As a young woman she married Samuel Glossner and following his death married Charles Leathers. The latter survives with the following children: Mrs. Cleve McCauley, of Monument; Mrs. S. C. Craig, of Pittsburgh; LeRoy Glossner, of New York, and Mrs. Forest Gardner, of Monument. She also leaves one sister, Mrs. Rachel Shamp, of Jacksonville.

Funeral services were held at 2 o'clock last Thursday afternoon, burial being made in the Jacksonville cemetery.

CRAWFORD.—Mrs. Vera M. Crawford, wife of George Alfred Crawford, died at her home in Centre Hall, on Monday evening of last week, following several month's illness with intestinal trouble. She was a daughter of Henry E. and Annie Homan, and was born in College township on November 9th, 1892, hence was not quite 39 years of age. She was twice married, first to Chester E. Homan and following his death to Mr. Crawford.
