

INK SLINGS. BY GEORGE R. MEEK.

-If you are grateful to John Boob for having gone to France to fight for your home and your family say it with votes on November 3rd.

-The only trouble with the President's many plans for the relief of the business depression is that none of them show any signs of relieving it.

-A vote for John Wetzler for Register would be a vote for a man MUCH MISCELLANEOUS both deserving of the office and competent to fill it to the satisfaction of all classes.

-We felt that State's foot-ball Lamb Street Bridge Approved by team would be weak this year, but not so weak as to be defeated by two schools that haven't a fourth as many students to pick from.

trade as the price of their offer.

-The city of Milwaukee has a surplus of five million dollars and immediate action. not even a scandal brewing. Incidentally, Milwaukee hasn't any more of the stuff that made her famous brewing, either.

-If a new order of things in the grounds. Referred to the Street County Commissioner's office is de- committee. sired J. Victor Brungart will have to be elected. Any combination of a reduction of her water tax owing the three of the four candidates for to the death of her husband during will leave a majority of the present Water committee. Commissioners still in control.
