

"More genuine satisfaction than any car I ever owned"

THE FORD is good-looking. It is safe. Comfortable. Speedy. Reliable. Long-lived. Economical. Everything a good car should be.

There is, too, an added something about it that brings enthusiastic comments from every one who has ever driven a Ford . . . the joy it puts in motoring.

"I have been a car owner continuously for nearly 20 years," writes a motorist connected with a leading university. "During this period I have bought eleven new automobiles. Eight of the eleven were in the middle-price field, one cost three thousand dollars, and the last is a Ford I purchased thirteen months ago.

"In the light of this experience I can say in all sincerity that I have derived more genuine satisfaction from the Ford than any car I ever owned. In

saying this, I am thinking in terms of comfort, safety, driving pleasure, ease of control and economy. My next car will also be a Ford because it will give me what I want at a price I can afford to pay."

When you get behind the wheel of the Ford and drive it yourself you will know it is a truly remarkable car at a low price. You will like it when you first buy it. You will become more and more enthusiastic the longer you drive it. After thousands of miles of driving you will say "it's a great car." Its economy will save you many dollars.

To the Voters of Centre County!

In asking for your support at the General Election on November 3, I do not feel that I am overstepping the political boundary line of fair play or just recognition.

During the four years that I have filled the office of Prothonotary and Clerk of the Courts of Centre county I have shown no political favoritism.

My own party recognized my services by giving me an uncontested nomination for a second term.

The office of Prothonotary is one of the most important in the county. Many valuable papers are entered of record every year, and it is the clearing house in all matters brought before the Courts of the county. Because of this fact it is essential that all court records be correctly kept and entered on the various dockets.

My four years of service in the office is assurance to every voter in the county, irrespective of politics, that any business he or she may be called upon to transact, either with the Prothonotary or Clerk of the Courts, will be properly taken care of and his or her best interests conserved.

As it will be impossible for me to see every voter in the brief campaign before Election Day I take this means of requesting your support. Every vote given me will be regarded as a personal compliment and will be courteously appreciated.

S. CLAUDE HERR,
Candidate for Prothonotary.
