—Gilbert Kelley, of Swissvale, Pa., completed his minimum term of a ten to twenty year's sentence for second degree murder and was discharged from Rockview penitentiary shortly after midnight yesterday morning. —The County Commissioners, especially Howard M. Miles and Newton I. Wilson have begun a general housecleaning in their office in the court house preparatory to ending their terms at 12 o'clock noon on Monday, January 4th. It is their intention to get everything in shape to turn over to their successors with as clean a sheet as possible. At this time, however, it is impossible to tell how much of a balance they will have in the county treasury. Bills received this week from various homes, asylums, etc., amount to over two thousand dollars for the month of November and that does not include the western penitentiary nor the cost of keeping prisoners in the county jail. The yearly cost of crime and misconduct in Centre county exceeds \$30,000 a year, and that does not include court costs.

**SEWER PIPE NOW HERE AND NO PLACE TO PUT IT, REPORTED TO COUNCIL**

**Borough Starts Condemnation Proceedings to Get Possession of "The Island."**

At the regular meeting of borough council, on Monday evening, the Street committee reported that a car load of sewer pipe, purchased for the proposed sanitary sewer down Spring creek, has arrived in Bellefonte and been unloaded, but there is now no certainty as to where to put it. Several months ago the State Water Power and Resources Board granted the borough a permit to lay the sewer pipe in Spring creek providing certain stipulations were met. This was done and the permit entered of record in the court house. But since the last meeting of council a communication has been received from M. J. Barrick, district engineer, notifying council not to lay the pipe in the creek until a more definite understanding has been obtained. At the same time he suggested laying the sewer down Water street, which would be an almost impossible undertaking. As it looks now the matter of laying the sewer is indefinitely postponed.

The Street committee also reported laying a short section of eight inch sewer pipe on Water street and 21 feet of four inch sewer pipe on west Lamb street. And recommended that a street light be installed at the intersection of Wilson and Curtin streets.

The Water committee reported the repair of a fire hydrant near the United Brethren church which had been damaged by an unknown automobile driver and the collection of \$800 on water taxes. Mr. Cobb also explained to council the condition of the new pump at the Gamble mill station.

The Finance committee reported a balance of \$4553.43 in the borough fund and \$438.23 in the water fund. One water department note of \$2000 was ordered paid and borough notes for \$19,150 renewed.

Mr. Emerick reported that he had received an accident insurance policy from Mrs. B. O. Harvey, covering street liability, but it apparently has reference only to such times and places where street work is being done, and if that is all it covers he is opposed to taking it. The matter was left in the hands of the committee for further investigation.

The Sanitary committee presented the monthly report of health officer S. M. Nissley.

The Fire and Police committee reported a check from Caldwell & Son for \$27.00 covering an over-payment several years ago.

The Special committee reported progress in the matter of securing trout from the State for restocking the section of Spring creek, opposite the Watchman office, and suggested that a small dam of stone be laid up under the High street bridge to prevent the trout from going down stream. The matter was left in the hands of the committee.

Mr. Ardy also reported that the committee has completed its work relative to securing a reduction of the deficiency charge on fire insurance and recommended that the Underwriter's Association be asked to send a representative here to make the proper investigation.

Ralph Lightner, of the West Penn Power company, was present and explained in detail the company's contract for a standing charge for the electric pumps at the big spring, after which council authorized execution of the contract.

It was at this stage of the proceedings that an ordinance was introduced and read for the first time providing for the borough taking over The Island, in Spring creek, under the right of eminent domain. Another ordinance granting the State Highway Department almost absolute control of State-aid streets through Bellefonte was also read for the first time. According to the provisions of the ordinance the borough, if it was necessary to lay a sewer pipe, or anything else of that nature, would first have to secure a permit from the Highway Department and pay a fee for same, and as this did not look very good to some of the councilmen the ordinance was referred to the Street committee for further investigation.

Borough bills totaling \$2200 and water bills for \$700 were approved for payment, after which council adjourned.

**ALLOTMENT OF RELIEF FOR CENTRE COUNTY COMPARATIVELY SMALL**

The Legislature, on Tuesday, passed the Talbot bill appropriating \$10,000,000 for the Governor's unemployment relief work, the money to be apportioned among the sixty-five counties in the State on the basis of the unemployed. Centre county is credited with having only 901 men out of employment and the allotment for relief is \$9,295.98, which will mean about ten dollars for each individual.

In the first place we are of the opinion that 901 is a far too low an estimate of the unemployed in the county and in the second place the amount of relief per man will be but a drop in the bucket of what will be needed to tide them over the winter.

**DEATHS OF THE WEEK HERE AND ELSEWHERE**

**ANDREWS.**—Ellen Hale, wife of G. Murray Andrews, died in the Pennsylvania hospital, in Philadelphia, on Wednesday afternoon, December 9, 1931. Funeral services will be held in that city today and tomorrow, Saturday, her remains will be brought to Lewistown for burial in the family lot in the Episcopal cemetery in that place. There will be no service in Lewistown and interment will be made immediately after the arrival there of the 12:52 p. m. train.

Mrs. Andrews was the second daughter of the late Dr. Elias W. and Mary Valentine Hale and was born in the Hale mansion at the corner of Allegheny and Howard streets, Bellefonte, on April 9, 1867. Except for winters abroad and at various American resorts all of her life was spent in Bellefonte in the home and the town that she loved beyond any other place on earth. She was educated at the Bellefonte Academy and at a finishing school in Hartford, Connecticut. In young womanhood, in June, 1893, she married G. Murray Andrews, who survives her with no children.

On her paternal side she was in direct line of descent from Samuel Hale, one of the founders of Hartford, Conn., in 1693. Her father was one of Bellefonte's most distinguished citizens and was actively interested in many of the industries here and in Phillipsburg. Her mother was a member of the Valentine family, whose progenitors came to Bellefonte in 1815, developed the native ore fields and manufactured charcoal iron in the days when it had to be hauled, overlaid, to the market in Pittsburgh. Mrs. Andrews was a woman of culture, a most gracious hostess and her passing breaks another link in the chain of memories that binds present day Bellefonte to its historic past.

Her death came as a shock to her hosts of friends. While she had not been in the best of health for some time none of them were prepared for the announcement that came from Philadelphia, last Saturday, to the effect that she had suffered a stroke of paralysis the evening before. Mrs. Andrews went to Philadelphia several weeks ago for treatment in the Pennsylvania hospital. Her condition became so satisfactory that she left the hospital and went to the Acorn club for the remainder of the time she expected to be in the city. She had made an appointment for Saturday morning and when she failed to keep it the friend called at the club to inquire for her and then, receiving no response from repeated telephone calls, went to her room. She was found unconscious on the floor and as her bed had not been disturbed it became apparent that she had been stricken sometime the night before. She was taken back to the hospital at once, but never regained consciousness.

**LEATHERS.**—Mrs. Pearl G. Leathers, teacher of the Bush Addition school, passed away at her home near Mt. Eagle, on Saturday morning, as the result of a stroke of paralysis. She taught up until Tuesday of last week, was stricken on Wednesday and died on Saturday.

She was a daughter of Martin and Margaret C. Gates and was born at Nittany on April 27th, 1883, hence was 48 years, 7 months and 8 days old. As a young woman she engaged in teaching school, a vocation she followed for twenty-two years. She also taught music during the summer seasons. Last summer she occupied an apartment in the Deckert building but of late had been living at the Rishel home, on east High street. After she became ill, last week, she was taken to the home of her mother, at Mt. Eagle.

In her early womanhood she married Wilbur Leathers who died twelve years ago, but surviving her are two children, William, a student at the Williamson trade school, Philadelphia, and Evelyn, at home. She also leaves her mother, Mrs. M. C. Gates, living at Mt. Eagle, and four brothers, Raymond and Clair, at home; William, of Bellefonte, and Dr. D. W. Gates, at Cornell University.

Funeral services were held at her home at Mt. Eagle, at 2 o'clock on Tuesday afternoon, by Rev. M. C. Piper, assisted by Rev. Winkleblech, burial being made in the Curtin cemetery.

She is survived by her husband, her parents and nine brothers and sisters. The funeral was held on Sunday afternoon, burial being made at Phillipsburg.

**BENFORD.**—Solomon C. Benford, well known Pennsylvania railroad conductor and father of William J. Benford, of Bellefonte, died at the Altoona hospital, Wednesday morning of last week, following a week's illness as the result of cerebral hemorrhages.

He was a native of Maryland and was 66 years old. His parents moved to Phillipsburg when he was a boy and that was his home until 1907 when his work for the Pennsylvania Railroad company necessitated his locating in Tyrone. His wife died less than a year ago but he is survived by six children. Burial was made at Phillipsburg on Sunday.

**SASSERMAN.**—Miss Kathryn Louise Sasserma passed away at the Centre county hospital, at 12:45 o'clock Sunday night, following a week's illness with pneumonia. Both Saturday and Sunday she seemed enough improved to justify hope of her recovery but a sudden and unexpected collapse, Sunday night, resulted in her death.

She was a daughter of G. Frank and Emma Schreffler Sasserma, and was born in Bellefonte on January 10th, 1910, hence was 21 years, 11 months and 7 days old. She was educated in the Bellefonte public schools, graduating at the High school with the class of 1929. She is the third member of the class to meet death within two months. Following her graduation she clerked in one of Bellefonte's stores for some time.

She is survived by her parents and the following brothers and sisters: Frank Jr., Martha and Mrs. Francis Sullivan, at home; Mrs. Hassell Lose, of Bellefonte; Mrs. Robert Smith and Mrs. Harris Holmes, of State College.

Funeral services were held at her late home at 2:30 o'clock on Wednesday afternoon, by Rev. W. C. Thompson, burial being made in the Union cemetery.

**DUBBS.**—Mrs. Regina H. Dubbs, widow of the late Thomas R. Dubbs, died on Monday night, at the home of her daughter, Mrs. J. C. Moffet, in Tyrone, as the result of a general breakdown in health.

She was a daughter of David and Elizabeth Harpster and was born at Gatesburg, Centre county, on September 13th, 1850, making her age 81 years, 3 months and 24 days. On July 17th, 1875, she married Mr. Dubbs, a native of Pennsylvania, at Phillipsburg, and they took up their residence in Rush township, where all their married life was spent. He died in March, 1925, but surviving her are six children, Mrs. V. S. Beigle, of Phillipsburg; Allen Dubbs, of Warriorsmark; Clyde, in the West; Mrs. J. C. Moffet, of Tyrone; Mrs. F. G. Johnson, of Philadelphia, and Mrs. E. G. Uhl, of Bellwood. She also leaves one brother, William Harpster, of Tyrone.

Funeral services were held at the Moffet home, in Tyrone, at 2:30 o'clock yesterday afternoon, burial being made in the Eastlawn cemetery, in that place.

**JAMISON.**—Mrs. Alice Jamison, wife of E. T. Jamison, of Spring Mills, died last Friday night following a prolonged illness with heart trouble and Bright's disease. She was a daughter of Emanuel and Julia Fye and was born at Boalsburg on August 22nd, 1882, hence was past 49 years of age. She married Mr. Jamison in 1902, who survives with two sons, Miller E. Jamison, of Mill Hall, and Guy I., at home. She also leaves three sisters and a brother, Mrs. William Homan, of Centre Hall; Mrs. C. F. Stover, of Millheim; Mrs. Leonard Stover, of Coburn, and Harry Fye, of Centre Hall. The funeral was held on Monday, burial being made in the Yearick church cemetery.

**KEELER GAINED TWO VOTES IN RECOUNT OF RUSH TWP. BALLOT BOX**

**Not Enough, However, to Keep Jo M. Boob From Being Sheriff Centre County.**

In compliance with a decree court the recount board named Judge Fleming to make a recount of the ballots cast in the North precinct of Rush township at the election on November 3rd met in the court house, last Friday, at o'clock. Charles F. Cook officiated as judge, D. Paul Fortney and Randall Miller inspectors and Jo J. Bower Jr. and S. J. McMull did the tallying. The recount showed a loss of four votes for Boob from the official returns of the precinct election board and a loss of two votes for Keeler, which means a net gain of two votes for Keeler. The official returns as given by the election board were 138 votes for Boob and 104 for Keeler, while the recount gave Boob 134 votes and Keeler 102. The loss of two of the Boob votes was accounted for by two ballots from which the number corner had not been removed, which were discarded by the recount board. A Keeler ballot was also discarded because the voter had marked an X in both the Republic and Prohibition columns. The slight change shown by the recount will not affect the result, as Boob gained twelve votes in the recount of the Millheim box.

But what a complicated situation might have been brought about by Mr. Keeler petitioned for the opening of the Rush township box as two votes the recount of the Rush township box would have made the vote between the candidates at then there would have been scramble for opening boxes by both parties. But fortunately Keeler opened Millheim first which proved to be the right box for Boob.

As the recount of the Rush township box made no material change in the result Keeler will naturally forfeit his second fifty dollars. As the time has now elapsed which a contest can be inaugurated it is not likely anything further will be done.
