3. Frigidaire (equipped with Meter-Ice) will be delivered to your home.
4. Deposit 25 cents in Meter-Ice and Frigidaire will start and operate for 24 hours.

6. Once each month our representative will call at your home, collect the deposit, and credit money to your account.
7. When your Frigidaire has been paid for, we remove Meter-Ice and issue you a bill of sale.
8. This is the soundest, safest and most attractive electric refrigeration proposition ever offered.

This unusual payment plan necessitated our standardization upon the electric refrigerator which we considered the best and most dependable on the market.
