So far only about 1000 acres have been purchased by the State of the 1500 acres required for the new site at Indiantown Gap, which is about twenty miles north of the present encampment grounds at Mt. Man will vividly recall the original, which carried Tom Meighan and Jetty Compton to fame on its magic spell, and transformed Chaney from an unknown to one of the screen's greatest stars.

In the new picture Chester Morris and Sylvia Sydney have the Mahan Compton roles. Both are easy stars, but do probably their best work in this picture. In the tiny role of "The Frog," John Gray, comparatively unknown, has his opportunity to duplicate the success of his famous predecessor. Pechel, Hobarl Bosworth, Ned Irks, Boris Karloff and Robert Ogan are in the strong cast.

The flames communicated to an adjoining wagon shed and icious and were threatening the barn where the Undine Fire Co., from this place, arrived on the scene. Fortunately a small stream flows through the Fisher farm so that the boys were able to get into action promptly and kept the flames from spreading.

ANOTHER APPEAL TO INVEST IN BONDS OF CENTRE CO. HOSPITAL

The management of the Centre County hospital are now offering the people of this community an opportunity to invest in the \$70,000 twenty year sinking fund 6 per cent mortgage gold bonds of that institution, in denominations of \$100, \$250 and \$500, dated April 1, 1932, and to mature and be payable April 1, 1952. Interest payable April 1st and October 1st. The bonds are free of State tax. Principal and interest payable at the First National bank, of State College, trustee.

The bonds, a first lien against the entire hospital property, which has a valuation of \$150,000, can be secured through any bank in Centre county, except Phillipsburg. It is the hope of the management that all these bonds can be disposed of at an early date.
