## Economies

reported by many FRIGIDAIRE users amount to an average of

\$9.96 a month

... enough to buy all the food pictured here ... savings that total many dollars more than Frigidaire costs

# Amazing Savings

prove Frigidaire is the economical refrigerator

Have you hesitated to buy an electric refrigerator because of the first cost? Then come to the Frigidaire Spring Showing and Food Thrift Exhibit. You'll see the most enlightening exposition of refrigeration facts ever presented to the public. Facts taken from the actual experiences of Frigidaire users—showing that with its amazing economy of operation, Frigidaire actually saves these users an average of \$9.96 a month through quantity buying, no spoilage and economy of operation . . . savings that amount to hundreds of dollars more than Frigidaire costs.

It is no longer a case of what Frigidaire costs you, but of how much you are losing by not having it. We'll show you with your own figures just what you will save in your own home. And we'll tell you about the new low prices—how a genuine Frigidaire with its surplus power, fast ice freezing and absolute dependability can be had for as little as \$149.50 completely installed.
