

NEWS ABOUT TOWN AND COUNTY.

Barbara Winifred is the name of a little daughter recently born to Mr. and Mrs. Donald Gettigs, of Washington, Pa. The Gettigs were former residents of Bellefonte. Joseph Criscone, of Philadelphia, was the low bidder for building 9.47 miles of highway on route 352 from Pine Grove Mills to McAlvey's fort, his bid being \$178,847. Wheat, oats, rye and barley have taken a five cent drop in the local grain market within the week. We don't recall ever having heard of oats being as low as 25 cts before. Walter Unick, of Spike Island, Philipsburg, was arrested, Saturday morning, on an alleged charge of manufacturing intoxicating beverages and was held in \$1000 bail for trial at court. Group 7 of the Ladies Aid Society of the Bellefonte Methodist church will hold a bake sale in the Variety shop, in Crider's exchange, tomorrow. It will continue from 9 a. m. to 12 m. Mrs. R. G. H. Hayes, who bought the stock of the Harter music store, in the Eagle block, at sheriff's sale several months ago, will sell it at a public sale on Thursday afternoon of next week. While out shooting mark with several companions, last Thursday, Burton DeLong, of Orviston, sustained a gunshot wound in the left hand and was taken to the Lock Haven hospital for treatment. Several new cases of scarlet fever developed at Boalsburg, last week, which makes upward of fifty cases since the disease broke out two months ago. Fortunately there have been no deaths and very few cases of a serious nature. The treasurer's sale of unseated lands was held in the Commissioners' office, on Monday. Only 32 tracts were bid in by the owners, the other 91 tracts going to the County Commissioners for taxes and costs of advertising and sale. Squire I. J. Dreese suffered a slight stroke, Saturday night, which affected his speech to some extent. The family physician has kept him in bed and as quiet as possible at his home in Lemont ever since, in order to avert further complication. The George Hazel and Thomas Shaughnessey families are occupying the Hazel camp, on Spring Creek, this week; while at the Kustenborder cabin on the same stream sixteen girls, members of the Sunshine class of the Lutheran church, are in camp for the week. At a meeting of the tri-county council of the American League auxiliary which included the counties of Centre, Clinton and Lycoming, held in the Methodist church at Jersey Shore on Wednesday of last week, Mrs. J. M. Decker, of Bellefonte, was elected second vice president for the ensuing year. Plumber Walter Eberhart, who recently purchased the Mary Eberhart home on east High street, is remodeling and renovating the property with a view to occupying it himself just as soon as it is completed. The work is progressing rapidly and when it is done he is going to have a very pretty house. The 24th annual reunion of the Grove family will be held at Grange park, Centre Hall, Saturday, June 25th. An attractive program is being arranged and every member of the clan who can possibly do so should attend. Herbert F. Grove, of Centre Hall, is president of the association and Roy H. Grove, of Warren, the secretary. Mrs. William Derstine, who is preparing to leave Bellefonte the first of July, is offering at private sale, at her apartment in the Decker building, her furniture which includes one oak dresser and bed, 1 oak sideboard, 1 couch, 3 tables, rocking chair and straight chairs, and a number of small pieces. Mrs. Derstine will be in her rooms any time it may be convenient for you to see this furniture. Kenneth McCauley, a member of the Hubersburg baseball team, while playing a game with Lamar, on Saturday, made a long slide to base. He felt a sharp pain in his ankle but finished the game and went around as usual, until Monday, when the pain became so acute that he consulted a physician. An examination revealed two broken bones in the ankle and he was taken to the Lock Haven hospital to have the fracture reduced. The marriage of Miss Isabelle G. Ward, only daughter of Mrs. J. E. Ward and the late Dr. Ward, of Bellefonte, and Charles L. Warren, of Mamaroneck, N. Y., will be celebrated in the Bellefonte Methodist church on Wednesday, June 29th, at the noon hour. No formal invitations will be issued. For several years past Miss Ward has had charge of the Cut Rate drug store, at State College. The young couple will spend the summer at the Ward home in Bellefonte.

BELLEFONTE'S FIRST ANNUAL FLOWER SHOW TO BE HELD TUESDAY

Bellefonte's first annual flower show will be held in the Presbyterian chapel on Tuesday of next week, June 21st, from 2 to 6 o'clock in the afternoon, under the auspices of the Bellefonte Garden club. Had it been held two weeks earlier there might have been a better collection of the early spring flowers, most of which are through blooming now, while others have been marred by the hard rain of Sunday and Monday. However, there will probably be enough varieties left to form a good display. The show will not be limited to members of the club, but will be open to the public generally. All entries must be in place and ready for judging by 11 o'clock of the day of the show. Prizes and ribbon awards will be made in all classes. Manus Curran, of the Orchard Hill nursery, Mill Hall, has offered a special prize of five dollars worth of plants or evergreens for the best exhibit in the show. A. C. Cloetingh, president of the Garden club of State College, has consented to be one of the judges of the exhibits. CAMPING DAYS ARE ON FOR BELLEFONTE BOYS.

Now that school days are over young America, especially the boys who have an opportunity to do so, are spending as much time as possible in summer camps. Down at Robert Walker's cabin, in the Hecla Gap, this week, Mrs. Walker is hostess to a party of boys which include her sons, Robert Jr., and Richard, Robert Blair, Hugh Rogers, Jimmie Hoffer and Kennie Taylor, as well as her daughter Jane. A party of ten boys are holding forth in a camp on the banks of Lake Erie, owned by the mother of Mrs. H. G. Witter, of Bellefonte. They were transported there, last week, in two of W. J. Emerick's cars, one of which was driven by Mr. Emerick, who was accompanied by his wife, and who, after seeing that the boys were properly located, went down to Pittsburgh for a day or two, returning home on Saturday. The other car was left with the boys for the return trip home. The party includes Robert Morris Jr., Hugh Curtin, Elwood Furst, Paul Emerick, Ben Grytcko, Buddie Caldwell, Robert Witter, Roy Wilkinson, Calvin Purnell and Max Alters.

MORRISDALE MINER COMMITTED SUICIDE.

Peter Sudak, 65 year old Austrian, of Pardee, near Morrisdale, committed suicide by shooting himself with a shotgun Sunday morning. For many years he had been employed as a miner by the Morrisdale Coal company but had been out of work for five years, and this fact, with failing health, was assigned as the cause of his act. Sudak arose early Sunday morning and shortly after went out into his back yard. A short time later his wife heard the report of a gun, but that was nothing unusual in that locality. When her husband failed to return she went out into the yard to look for him and found him lying in a lilac bush, dead from a gunshot wound in the neck. Sudak, with his wife and child, came to this country in 1893 and located near Morrisdale where they have lived ever since. Surviving the deceased are his wife and ten children, nine of whom are at home. Burial was made at Morrisdale on Tuesday morning.

HARRISBURG MAN WILL TALK ON SAFETY TO LIME CO. EMPLOYEES

Thomas J. Quigley, of the Department of Labor and Industry, Harrisburg, will come to Bellefonte Tuesday, June 21st, when he will address the employees of the American Lime and Stone company at 11:30 a. m., on the subject of "Safety." Following the safety rally at the lime plant, he will be the guest and speaker for the noon meeting of the Bellefonte Kiwanis club. Mr. Quigley has attained a national reputation because of his work in the reduction of accidents in the mines and quarries of Pennsylvania. Recently, he has addressed the National Safety Council, the National Lime Association and the National Crushed Stone Association on this subject. He is a very forceful and convincing speaker. Nearly seven years ago he assisted in starting safety activities in the American Lime and Stone company organization and the result of this work has been gratifying. At that time accidents were more or less a common occurrence but today an accident that causes the loss of working time to any employee is a matter of great concern. The Union Furnace plant has not had a lost time accident for nearly two years and the Bellefonte operation has not had one for about nine months. A very active campaign is now being waged to entirely eliminate accidents. Years ago people used to look upon accidents as being unavoidable, but today it is known that, with very few exceptions, accidents are caused by ignorance, carelessness or willful neglect. The employees of the American Lime and Stone company are to be congratulated on their excellent record in safety work.

STATE SABBATH SCHOOL OFFICERS TO CONFER

July 12th and 13th have been designated as the dates for the annual gathering of presidents and secretaries of county associations and councils of christian education in Pennsylvania. The place of the meeting will be Sunbury, Pa. This two day gathering for evaluation of work now being done and extension of outreach on the part of those who are responsible in the sixty-seven counties of Pennsylvania for its promotion will be of an intensely practical nature this year. The first meeting of the committee of arrangements for the 70th annual convention of the Pennsylvania State Sabbath School Association was recently held in Lancaster, where the convention will be held October 12-13-14, 1932. This convention will bring together representatives from every county and from all denominations. It will be a church-house convention. Dr. Joseph R. Sizoo, of Washington, D. C., will preach the convention sermon found in the keynote from the text—John 10:10—"I am come that they might have life and have it abundantly." The convention theme is—"Expanding Christian Experiences." Dr. J. Alvin Orr, of the First United Presbyterian church of Pittsburgh, will lead the devotional periods each of the days of the convention. The participants in the program are being gathered from all parts of the country.

TWO PRISONERS ESCAPE ONE RECAPTURED

Two prisoners made an easy escape from Rockview penitentiary on Saturday. They were J. A. McGinnis, sent up from Blair county for three to six years for larceny, and John Hilty, of Armstrong county, serving a three to six years sentence for breaking, entering and larceny. The men were both teamsters, supposedly entirely trustworthy, and carried passes to go out of the main gate to attend their horses at the barn. Saturday morning they went out as usual to go to the barn to look after the stock and that was the last seen of them. Instead of attending to their work they kept on going and their departure was not known until a checkup at the supper hour. As they had five hours start by that time they could have gone some distance. The escaped prisoner recaptured is Charles Ohls, alias John J. Roberts, who got away on July 1st, 1925, nineteen days after he was transferred to Rockview from Philadelphia. He was caught in Alaska and last Thursday Governor Pinchot signed requisition papers to have him brought back to Centre county for sentence. Ohls was sent up from Luzerne county in 1921 for a term of 5 to 10 years for robbing a hardware store.

Seven new members were initiated into the mysteries of the Crystal Springs Lodge of Rebekahs, No. 25, of Bellefonte, at a regular meeting in the I. O. O. F. hall last Friday evening. The list included Mr. and Mrs. Cyrus Hoy, Mr. and Mrs. Harold Mayes, Mr. and Mrs. Girard Altenderfer and Mrs. Hester Steltz. Visitors from half a dozen lodges in the county were present at the meeting to see the degree work of the local team.

Reed-Keefer.—St. Paul's Methodist Episcopal church, State College, was the scene of a prettily appointed wedding, yesterday afternoon, when Miss Grace Lucille Keefer was united in marriage to Roy Marshall Reed, son of Mr. and Mrs. Frank H. Reed, of State College. The Rev. Harry G. Ketterer, pastor of the church, officiated.

The bride, who was accompanied to the altar by her cousin, Byron Haverly Blackford, of Alliance, Ohio, and given in marriage by her mother, wore a princess model gown of bridal angel skin satin, with long, close fitting sleeves, the upper portion of the bodice being trimmed with Belgian lace. Over the graceful train trailed a veil of Belgian lace, arranged in cap effect, with a bandeau of orange blossoms. She carried a shawer bouquet of white roses and baby breath. Miss Helen Poticher, of Carlisle, who attended the bride as maid of honor, wore a princess gown of blue crepe and carried a bouquet of roses. The six bridesmaids, Miss Lucille Wingate, of Wellsboro; Miss Elizabeth Allison, of New Kensington; Miss Mary Frances Wright, of Hollidaysburg; Miss Dorothy Seigel, of Sargent; Miss Gladys Bodie and Miss Louise Wetteran, of State College, wore frocks of pink, yellow, and green crepe, similar in design to that of the maid of honor. They all wore large horse hair garden hats in shades contrasting with their gowns, and carried bouquets of spring flowers. The bride's mother was gowned in triple sheer orchid chiffon, trimmed with cream lace, and decorated with a corsage of roses. Betts Anne Barbee made a charming little flower girl. Russell Smith, of State College, was best man, and the ushers Edward Reed, Ronald Fye, Gardner Cook, William Fisher and Paul McCormick, of State College, and Edward Steel, of Carlisle. Jay Kennedy played the wedding march and added charm was given the ceremony by Rensselaer Frizzell, who sang "I Love You Truly."

The church decorations were potted palms, spring flowers and candles. Seventy-five out of town guests witnessed the happy event. A reception at the Nittany Lion Inn followed the ceremony and later the young couple left on an automobile wedding trip. They will be at home, after July 1st, at 236 south Allen street, State College. The bride was born and received her early education in Bellefonte, later graduating from the State College High school and completing her education at Dickinson Junior college. The bridegroom, who graduated in the same class as the bride, is associated with Mrs. Keefer in the hardware business at State College.

Smith-Bechtel.—Merrill C. Smith, son of Mr. and Mrs. James Smith, of Blanchard, but who has been located in Cleveland, Ohio, for several years, and Miss Linnie Bechtel, daughter of Mr. and Mrs. Edgar T. Bechtel, of Blanchard, were married at the home of the bride's parents, at noon on Tuesday, by Rev. T. Max Hall, Methodist minister of Warriors Mark. Both the bride and the groom are graduates of the Blanchard High school. The bride is also a professional nurse, graduating at the Lock Haven hospital training school with the class of 1925. The young couple will make their home in Cleveland, Ohio.

Jodon-Johnson.—Russell Robert Jodon, son of Mr. and Mrs. J. C. Jodon, and Miss Helen Cordelia Johnson, were married at nine o'clock on Wednesday evening, in their already furnished home on Willowbank street, by Rev. A. Ward Campbell, of the Evangelical church. The young couple were attended by Nevin Jodon and Miss Roxey Johnson. Only members of the immediate families were present to witness the ceremony. The young couple left immediately after the ceremony on a motor wedding trip.

—Mrs. Hiram M. Hiller, of the Rittenhouse plaza, Philadelphia, but formerly of Bellefonte, has announced the marriage of her daughter, Mrs. Virginia Bell Hiller-Norris, to William Barney Harris Jr., of Baltimore. The marriage ceremony was performed on Wednesday of last week, by a magistrate, and Mrs. Hiller stresses the fact that it was not an elopement. This is the bridegroom's third matrimonial adventure, as he had been married twice before. It is the bride's second marriage, as she obtained a divorce from her first husband, Septimus Edward Norris, in common pleas court, Philadelphia, on April 7th.

—While at work fixing up the surroundings at the camp of the Sycamore club, at Snow Shoe Intersection, last Thursday, M. W. Williams and H. C. Yeager were astonished to see a monster blacksnake crawling up the steps to the front porch. The reptile was killed and measured seven feet, according to the men. From various sections of the county come reports that the dry weather is driving the snakes out of their retreats in mountain fastnesses but why that particular snake should choose the Sycamore camp we fail to comprehend.
