GERMANTOWN TELEGRAPH.

A Family and an Agricultural Journal,

DEVOTED TO

CHOICE LITERATURE,

INCLUDING

Poetry, Novelettes, Tales,

AND MORAL AND ENTERTAINING READING GENERALLY.

In the Literary Department we shall present the choicest varieties within the reach of our extended means. The Novelettes, Tales, Poetry, &c., shall be supplied from the best and highest sources, and be equal to anything to be found in any journal or magazine.

Agriculture and Horticulture,

EMBRACING

Farming, Gardening, Fruit-Raising, &c.

In all their branches, as conducted on the latest and most approved system.

Our labors in this department for over thirty years, have met the cordial approbation of the public. Our purpose has been to furnish useful and reliable information upon these very important branches of industry, and to protect them so far as within our power against the false doctrines and selfish purposes of the many empires and sensation-adventurers by which the Farmer is incessantly assailed. This portion of the *Germantown Telegraph* will alone be worth the whole price of subscription, as every Farmer and Gardener, who has a proper conception of his calling, will readily admit.

NEWS DEPARTMENT.

The same industry, care, and discrimination, in gathering and preparing the Stirring Events of the Day, expressly for this paper, which hitherto has been one of its marked features and given so universal satisfaction, will be continued with redoubled efforts to meet the increasing demands of the public. The labor required in this department is never fully appreciated by the reader. It would be impossible to present, the condensed and carefully made-up form in which it appears, a corrected mass of all the most interesting news of the week, without involving much physical labor, tact and judgment.

We annex the *cash terms*, to which we beg leave to call attention of all who think of subscribing for a newspaper:

Advance Cash Terms.

NEW BRIGHTON RETREAT.

AN ASYLUM FOR THE RECEPTION CURE AND TREATMENT OF MENTAL ALIENATION OR DISORDER.

And Other

Nervous and Chronic Diseases.

EXCLUSIVELY FOR FEMALES.

THIS institution is now open for the reception, care, and treatment of the *indigent* class of patients who are laboring under mental derangement; or other nervous and chronic disease. We make special mention of nervous and chronic diseases, from the fact that seven tenths of the female patients that are committed to our public Asylums, to be treated for disordered minds, are reduced to that lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, all physical disorders, in the majority of cases may be removed; and thus the mind, having suffered through the medium of the body will when free from the exciting physical cause, throw off the shackles that has bound it to worse than midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and wonted excellence. Hence the necessity of all those, who are laboring under the predisposing or exciting causes, calculated in the end to impair the mind to resort to an early and judicious course of remedial agents.

The Institution is a large brick building with a stone basement—four stories high and well ventilated. It is situated on an elevated table land which commands a view of entire town—adjacent hills—groves and neighboring streams; all of which are calculated to produce favorable impressions upon the disordered mind.

The Institution is complete in all of its appointments. Having been tastefully fitted up at great expense, in order that it may meet the approbation and views of the most fastidious.

The water closets and bathing apparatus have been gotten up upon the most approved modern scientific principles. This department embraces not only the ordinary baths but, also, the medicated, warm air and ascending and descending *douche* for the more effectual and successful treatment of cutaneous and other scrofulous diseases.

We beg leave to say to all those who may be disposed to commit the interests of a dear wife, sister or daughter, to our charge—may be assured that no means will be spared or efforts wanting on our part to ameliorate their condition or to effect a restoration to their accustomed health and vigor of mind.

For further particulars send for a circular. All communications should be addressed to.

FRIENDS AND RELATIVES
OF THE
BRAVE SOLDIERS AND SAILORS.

HOLLOWAY'S PILLS
And Ointment.

ALL WHO have Friends and Relatives in the Army or Navy, should take especial care that they be amply supplied with those Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS

Will be speedily removed and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF APPETITE INCIDENTAL TO SOLDIERS.

These feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly a produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

WEAKNESS OR DEBILITY INDUCED BY OVER FATIGUE,

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system, however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTION! INDISCRETIONS OF YOUTH.

Sores and Ulcers, Blotchings and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

FOR WOUNDS EITHER OCCASIONED BY THE BAYONET, OR SABRE OR THE BULLET, SORES OR BRUISES,

To which every Soldier and Sailor are liable there are no medicines so safe, sure and convenient as Holloway's Pills and ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then covered with a piece of linen from his knapsack, and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflamation.

Every Soldier's knapsack and Seaman's chest should be provided with these valuable Remedies.

CAUTION.—None are genuine unless the words "*Holloway, New York and London*," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light*. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines, throughout the civilized world, in boxes at 25 cents, 62 cents and $1 each.

☞ There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box. May 7.

AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BRIDGFIELD, MASS., 20th Dec., 1852.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of UTICA, N. Y., writes: "I have used your *Pectoral* myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, IA., writes, 2d Jan. 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the *Cherry Pectoral* affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELBY, of SELLERSVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they are unprecedentedly upon the interests of all men. They search and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S *Pills*, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

Practical and Analytical Chemist, Lowell, Mass.

LIVER COMPLAINT

AND ALL BILIOUS DISEASES.

The ordinary evidences of Disease of the Liver are Pain and tenderness in the region of the Liver, sometimes dull and aching, increased by pressure, pain and Uneasiness in Breathing, Pain in the right Shoulder, uneasiness when lying upon the left side, increased size of the Liver, Short and Dry Cough, disordered stomach, Nausea, Yellowish Tinge on the eyes and skin, Headache, yellowish fur on the tongue, Bitterish taste in the mouth, heavy, dull sensation in the Brain, Depression of Spirits, amounting almost to Insanity, slight Fever toward evening, Loss of Appetite, Melancholy, with morosenoss and Hypochondria, Neuralgia, dullness, a general feeling of Uneasiness, Languor, drowsiness, the patient conscious of something wrong in himself, and disposed to see nothing right in things about him, yet wholly unable to explain the cause of his sensations—with many others easily detected by resemblances to some one or other of the above. The Liver Pill will almost certainly arrest the disease if taken upon the appearance of the above symptoms, which if allowed to take its course, becomes chromo in its nature and almost incurable, producing great and constantly increasing suffering.

The use of this medicine will neither create a new disease nor complicate an existing one, but, in most cases, will prepare the system for the more vigorous remedies of the physician, should it be necessary to call in his aid.

SELLERS'

COUGH

SYRUP.

From A. Cushing, Druggist, S. Bend, Ind.

D. S. OWEN, Esq.—*Dear Sir*—In reply to your favor of the 15th instant I would say that the sale of Sellers' Medicines has far exceeded my expectations, and in no case have they failed to produce the desired effect. The Cough Syrup is a cure for coughs, colds, &c., and the cheapness of the article places it within the reach of *all*, which, together with its effects in qualities, renders it a universal favorite. Not a day passes without numerous calls for "*the* one thing needful," at this season of the year, viz., Sellers' Cough Syrup. A. G. CUSHING.

Sellers'

VERMIFUGE.

From the Rev. S. Wakefield, former Pastor of the Liberty Street M. E. Church.

MR. R. E. SELLERS—It is from a sense of duty, as well as with great pleasure, that I bear testimony to the virtue of your justly celebrated Vermifuge. I procured a single bottle, and gave it to three of my children, who had been ill for several weeks. The eldest was seven years old, the next four, and the youngest eighteen months. The first passed forty-six worms, the second forty-seven, and the third a considerable number, not distinctly recollected. Since then they have been doing well, and are now in good health. S. WAKEFIELD.

VERMIFUGE.

WORMS!

Every year Thousands of Children die from this horrible evil. The alarming mortality calls for increased watchfulness, and for greater use of *the infallible remedy*. The *destructive operation* of many physicians to advertised worm medicines is, in a measure, attributable to the injurious qualities of some of the vermifuges, and the positive inefficiency of most of the so-called "Worm Confections," "Worm Candies," "Worm Teas," &c. *Even the use of the latter seems harmless as they are ineffective*, but DELAY IS OFTEN MATTER OF LIFE. No thoughtful, sensible mother, will thus trifle with the life of her child.

LET PHYSICIANS SPEAK.

SELLERS' VERMIFUGE THE BEST IN USE.

HERE IS THE PROOF.

Hocking Station, O., Dec. 17, 1845.

MR. R. E. SELLERS:—Your Vermifuge I would make bold to say is the best I ever used. I will just say as much as I have said to many that My brother's child was *pining and wasting to a mere skeleton*. In 36 hours after I gave the Vermifuge, the enormous quantity of *upwards of six hundred worms were passed*. The child, that was given up for lost, is now as well as any in the neighborhood.

AMBROSE ARNETT, M. D.

Circleville, Ohio, April 1, 1848.

All that is required to give it reputation in any family, is a fair trial.

R. H. WILSON, M. D.

Penn Pleasant, Va. Oct. 4, 1847.

MESSRS. R. E. SELLERS:—Having used it in my practice for the last four or five years, I think it decidedly the best preparation of the kind. I have heretofore used the preparation of the several other manufacturers. Yours, respectfully,

D. COUCH, M. D.

We might enumerate hundreds of other cases were it necessary, but Sellers' Vermifuge has stood the searching test of the medical faculty and public for *more than a quarter of a century*, which, of itself, is conclusive of its *entire safety, as well as the certainty* of its effect.

NOTICE.—Extraordinary inducements are offered to dealers to recommend and sell other Vermifuges. Do not let unprincipled men palm off any of these on you. The *best at any price is the cheapest*, therefore ask for Sellers' Vermifuge, and *take no other.*

THE DR. HURD'S PREPARATIONS GOOD

The best evidences that these are is, that the firmest friends and best patrons are those who have used them longest. *Dr. Wm. B. Hurd* is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburgh questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them for years.

The Editor of the *Brooklyn Daily Times* says: "We are happy to know that our friend Dr. Hurd, is succeeding beyond all expectations with his MOUTH WASH and TOOTH POWDER. The great secret of his success lies with the fact *that his preparations are precisely as they are represented to be, as we can testify from their long use.*"

The well known P. T. Barnum writes: "I found your TOOTH POWDER so good that my family have used it all up. *We must have more powder for the teeth we have ever used.* You will feel obliged if you will send me another supply at the Museum at your convenience, and send bill."
