OBITUARY.

Died, in Hospital at Keokuk, Iowa, on 10th, of Typhoid Fever, Mr. [illegible] A. GIVEN, of Cedar County, [illegible], formerly of Beaver Co., Pa., in the 28th year of his age.

The deceased was a member of the [illegible] Regt. Iowa Vol. Though he did not fall by the traitor's hand, but disease, before he reached the battle-field or struck a single blow for the cause he had espoused, yet he died for his country—a willing patriot heart, a soldier worthy of a place in the memory of a grateful people.

About five weeks previous to his death, he bade farewell to his wife and little son, and started with his regiment South. Arriving at Keokuk he was unable to proceed farther, and was left in the hospital. No apprehensions were entertained of his disease proving fatal, until it was too late for his friends to go to him; and thus far from home, among strangers, with no loved one nigh, to soothe him in his long weary, house of suffering, to cool the burning brow, or place the cooling draught to his parched lips, his spirit passed away—we trust to brighter, happier scenes, far from the noise of war and strife.

He was, for several years, a regular and consistent member of the church and his daily life exemplified the religion of Christ. He was a kind, affectionate son and brother, a devoted husband and tender father; but the loss his friends have sustained is, we trust, his eternal gain.

Thus, by this wicked rebellion, has another name been added to the long list of noble men who have sealed the testimony of their devotion to country with their lives. Another deeply attached and intelligent wife has been bereft of her best earthly friend; and little son, too young to fully realize his or quite understand why "Pa can never come home again," is deprived of his earthly protection.

And still the heart's deep earnest cry is "O Lord! how long," how long shall this cruel war continue to send its groaning and anguish through the land? How long shall this anxious and careless care for loved ones far away in scenes of strife and carnage, continue to bear down to the silence of the grave, fond parents, wives, and sisters. How long are the sweet notes of peace, on pinions of love, to be wafted from shore to shore, while glorious anthem of Liberty, sound from mountain to valley, from the northern coast to the sunny shores of the South?

ORPHANS' HOME BURNT.—We learn from the Pittsburg *Despatch*, that the Orphans' Farm School at Zelienople, under the care of Rev. W. A. Passavant, was destroyed by fire on Saturday morning. The children were mercifully saved; but the large buildings, costing $25,000, with most of the furniture, provisions, clothing, &c., was totally consumed.—Mr. Passavant has devoted years of unceasing labor to bring it to the state of efficiency which it has recently enjoyed, and his determination will be a lesson how to treat the poor fatherless children under his care.

"Quinine is a powerful remedy" and labor for the good of all" is the inscription on one of the chips of Dr. Kennedy, of Roxbury, Mass., to whom the Queen of England has granted a Royal Warrant, appointing him her Physician. This favored individual has also appointed the Doctor's Medical Depot, Broadway, New York, as the only place where his Curative and Cathartic Pills to be had in this country, but in all countries where civilization and refinement exist. While admiring the liberality and taste of those gentlemen in such a donation to a public institution, we will remind our readers of the following influence which is spreads over the whole community that bears them. They are known in the country, and their influence is little known, but as they ought to be at home in Germany, France, England, and, wherever the claims of Trinity Church does not make its power loud as his mouth, and his eyes swim in the recollection if brings of the solemn notes his childhood, his boyhood days, and his manhood loved to hear at the first approach of evening in his native land.

We wish our generous townsmen from God has blessed with means to consider whether we too could add this one more gratification to our children and ourselves, love more and stronger and longer, should we call our home. [Madison Co. Banner.]

THE SOLDIER'S TRUE FRIEND! ALWAYS READY.

HOLLOWAY'S OINTMENT.

LONG marches, sore and stiff joints, blistered and inflamed feet, all these the soldier must endure, MOTHERS, REMEMBER THIS, when your sons are grasping their muskets to meet danger, think what relief a pot. of this ALL HEALING & COOLING Salves will give to the one you love when far away from home and friends. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for

SABRE CUTS AND GUNSHOT WOUNDS

it stands unequalled, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.

WIVES AND SISTERS OF OUR VOLUNTEERS

You cannot put into the Knapsacks of your Husbands and Brothers a more valuable or more necessary gift than a supply of this

EXTRAORDINARY MILITARY SALVE.

The lonely sentry walking his rounds at night, exposed to drenching rains and chill night air, is often seized the most VIOLENT PAINS, COUGHS, and SUFFOCATING HOARSENESS, first symptoms of QUICK CONSUMPTION, but if supplied with HOLLOWAY'S PILLS and HOLLOWAY'S OINTMENT, all danger is averted, a few Pills taken night and morning, and the ointment briskly rubbed twice a day over the throat and chest will remove the SEVEREST COLDS and stop the most distressing or DANGEROUS COUGH Therefore we say let the whole army,

SOLDIERS ATTENTION!

Look to your own health, do not trust to the Army supplies although most valuable. These PILLS and OINTMENT have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the armies in Europe, and during the CRIMEAN CAMPAIGN he established a depot at Balaclava, for the exclusive sale of these GREAT REMEDIES, many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies of the Soldier in Camps DIARRHŒA, DYSENTERY, SCURVY, SORES and SCROFULOUS ERUPTIONS all disappear like a charm before these PILLS AND OINTMENT, and now while the Cry rings throughout the land

TO ARMS! TO ARMS!

Do not let these brave men perish, by their side place in their hands these PRECIOUS REMEDIES, that will enable them to resist the dangerous exposure, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannot frequently get succor in the moment of need, whereas, if our brave men have only to put their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle-field, how many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

CAUTION.—None are genuine unless the words "*Holloway, New York and London*" are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by *Looking to the light of the Light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines, throughout the civilized world, in boxes at 25 cents, 62 cents and $1 each.

There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.
