Agriculture and Horticulture,

EMBRACING

Farming, Gardening, Fruit-Raising, &c.

In all their branches, as conducted on the latest and most approved system.

Our labors in this department for over thirty years, have met the cordial approbation of the public. Our purpose has been to furnish useful and reliable information upon these very important branches of industry, and to protect them so far as within our power against the false doctrines and selfish purposes of the many empirics and sensation-adventurers by which the Farmer is incessantly assailed. This portion of the *Germantown Telegraph* will alone be worth the whole price of subscription, as every Farmer and Gardener, who has a proper conception of his calling, will readily admit.

NEWS DEPARTMENT.

The same industry, care, and discrimination, in gathering and preparing the Stirring Events of the Day, expressly for this paper, which hitherto has been one of its marked features and given so universal satisfaction, will be continued with redoubled efforts to meet the increasing demands of the public. The labor required in this department is never fully appreciated by the reader. It would be impossible to present, the condensed and carefully made-up form in which it appears, a corrected mass of all the most interesting news of the week, without involving much physical labor, tact and judgment.

We annex the *cash terms*, to which we beg leave to call attention of all who think of subscribing for a newspaper:

NEW BRIGHTON RETREAT.

AN ASYLUM FOR THE RECEPTION, CURE AND TREATMENT OF MENTAL ALIENATION OR DISORDER.

And Other Nervous and Chronic Diseases.

EXCLUSIVELY FOR FEMALES.

THIS institution is now open for the reception, care, and treatment of the *independent class* of patients who are laboring under mental derangement; or other nervous and chronic disease. We make special mention of nervous and chronic diseases, from the fact that seven tenths of the female patients that are committed to our public Asylums, to be treated for disordered minds, are reduced to that lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, all physical disorders, in the majority of cases may be removed; and thus the mind, having suffered through the medium of the body will when free from the exciting physical cause, throw off the shackles that has bound it to worse than midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and wonted excellence. Hence the necessity of all those, who are laboring under the predisposing or exciting causes, calculated in the end to impair the mind to resort to an early and judicious course of remedial agents.

The Institution is a large brick building with a stone basement—four stories high and well ventilated. It is situated on an elevated table land which commands a view of entire town—adjacent hills—groves and neighboring streams; all of which are calculated to produce favorable impressions upon the disordered mind.

The Institution is complete in all of its appointments. Having been tastefully fitted up at great expense, in order that it may meet the approbation and views of the most fastidious.

The water closet and bathing apparatus have been gotten up upon the most approved modern scientific principles. This department embraces not only the ordinary baths but, also, the medicated, warm air and ascending and descending *douche* for the more effectual and successful treatment of cutaneous and other scrofulous diseases.

We beg leave to say to all those who may be disposed to commit the interests of a dear wife, sister or daughter, to our charge—may be assured that no means will be spared efforts wanting on our part to ameliorate their condition or to effect a restoration to the long customed health and vigor of mind.

For further particulars send for a circular. All communications should be addressed to.

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS.

HOLLOWAY'S PILLS And Ointment.

ALL WHO have Friends and Relatives in the Army or Navy, should take especial care that they be amply supplied with those Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS Will be speedily removed and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF APPETITE INCIDENTAL TO SOLDIERS.

These feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

WEAKNESS OR DEBILITY INDUCED BY OVER-FATIGUE.

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTION! INDISCRETIONS OF YOUTH.

Sores and Ulcers, Blotchings and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

FOR WOUNDS EITHER OCCASIONED BY THE BAYONET, OR SABRE OR THE BULLET, SORES OR BRUISES,

To which every Soldier and Sailor are liable here are no medicines so safe, sure and convenient as Holloway's Pills and ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then covered with a piece of linen from his knapsack, and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's chest should be provided with these valuable Remedies.

USE DR. HURD'S PREPARATIONS, GOOD

The best evidences that they are is, that the firmest friends and best patrons are those who have used them longest. *Dr. Wm. B. Hurd* an eminent Dentist of Brooklyn, Professor of the New York State Dental Association, and these preparations have been used in his large practice for years, and are recommended by leading critics of excellence. Dr. Hurd's preparations, their Yorkers, [illegible] have been known to the profession and to the public for many years, declares it to be the

The Letters of Dr. Hurd: I cannot be happy to speak in favor of Dr. Hurd's MOUTH WASH and TOOTH POWDER. The great success I have had in my practice is due, in a great measure, to the use of these articles, and I will continue another supply as long as I remain in practice. Yours truly, [illegible]

Dr. Hurd: I have used every Tooth Powder in the market, and pronounce yours the best. It contains no acids, and is perfectly free from all gritty substance. Yours truly, [illegible]

Dr. Hurd: Your MOUTH WASH and TOOTH POWDER will give young ladies the finest charm in existence, sweet breath and pearly teeth. Try it. [illegible]

Dr. Hurd: Your Mouth Wash and Tooth Powder is the best we ever used. I can recommend it to the public as such. I have used it in the morning, and take pleasure in saying that I have the sweetest taste and enjoy the day better and more pleasantly. Hundreds of persons will testify to this. Yours truly, [illegible]

Dr. Hurd's Mouth Wash and Tooth Powder are the two best preparations in the world for curing *bad breath* and giving firmness and health to the gums. Hundreds of cases of *Diseased Bleeding Gums of the Mouth*, [illegible] etc., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having

which are liable to impart a taint to the breath. Dr. Hurd's Toothache Drops cure Tooth-ache arising from exposed nerves, and among our best friends that parents can have, to save their children from sympathetic suffering. [illegible] and mechanics: you cannot well afford to neglect your teeth. For a trifling sum you can now get preserved teeth, than which Rothschild or Astor can get nothing better. Remember that *Dyspepsia and Consumption of the Lungs* often originate in neglect of the teeth. Send for the *Treatise on Teeth*, and read Dr. Hurd's observations on this subject. It may be the means of saving your life. It is folly to arrest decay in your own teeth, and have your children's teeth [illegible]
