Our labors in this department for over thirty years have met the cordial approbation of the public. Our purpose has been to furnish useful and reliable information upon these very important branches of industry, and to protect them so far as within our power against the false doctrines and selfish purposes of the many empires and sensation-adventurers by which the Farmer is incessantly assailed. This portion of the *Germantown Telegraph* will alone be worth the whole price of subscription, as every Farmer and Gardener, who has a proper conception of his calling, will readily admit.

NEWS DEPARTMENT.

The same industry, care, and discrimination in gathering and preparing the Stirring Events of the day, expressly for this paper, which hitherto has been one of its marked features and given so universal satisfaction, will be continued with redoubled efforts to meet the increasing demands of the public. The labor required in this department is never fully appreciated by the reader. It would be impossible to present, the condensed and carefully made-up form in which it appears, a corrected mass of all the most interesting news of the week, without involving much physical labor, tact and judgment.

We annex the *cash terms*, to which we beg leave to call attention of all who think of subscribing for a newspaper:

NEW BRIGHTON RETREAT.

AN ASYLUM FOR THE RECEPTION, CURE AND TREATMENT OF MENTAL ALIENATION OR DISORDER.

And Other

Nervous and Chronic Diseases.

EXCLUSIVELY FOR FEMALES.

THIS institution is now open for the reception, care, and treatment of the *independent class* of patients who are laboring under mental derangement; or other nervous and chronic disease. We make special mention of nervous and chronic diseases, from the fact that seven tenths of the female patients that are committed to our public Asylums, to be treated for disordered minds, are reduced to that lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, all physical disorders, in the majority of cases may be removed; and thus the mind, having suffered through the medium of the body will when free from the exciting physical cause, throw off the shackles that has bound it to worse than midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and wonted excellence. Hence the necessity of all those, who are laboring under the predisposing or exciting causes, calculated in the end to impair the mind to resort to an early and judicious course of remedial agents.

The Institution is a large brick building with a stone basement—four stories high and well ventilated. It is situated on an elevated table land which commands a view of entire town—adjacent hills—groves and neighboring streams; all of which are calculated to produce favorable impressions upon the disordered mind.

The Institution is complete in all of its appointments. Having been tastefully fitted up at great expense, in order that it may meet the approbation and views of the most fastidious.

The water closets and bathing apparatus have been gotten up upon the most approved modern scientific principles. This department embraces not only the ordinary baths But, also, the medicated, warm air and ascending and descending *douche* for the more effectual and successful treatment of cutaneous and other scrofulous diseases.

We beg leave to say to all those who may be disposed to commit the interests of a dear wife, sister or daughter, to our charge—may be assured that no means will be spared or efforts wanting on our part to ameliorate their condition or to effect a restoration to their accustomed health and vigor of mind.

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS.

HOLLOWAY'S PILLS And Ointment.

ALL WHO have Friends and Relatives in the Army or Navy, should take especial care that they be amply supplied with those Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS Will be speedily removed and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF APPETITE INCIDENTAL TO SOLDIERS.

These feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly a produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

WEAKNESS OR DEBILITY INDUCED BY OVER FATIGUE,

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTION! INDISCRETIONS OF YOUTH!

Sores and Ulcers, Blotchings and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

FOR WOUNDS EITHER OCCASIONED BY THE BAYONET, OR SABRE OR THE BULLET, SORES OR BRUISES.

To which every Soldier and Sailor are liable there are no medicines so safe, sure and convenient as Holloway's Pills and ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then covered with a piece of linen from his knapsack, and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflamation.

Every Soldier's knapsack and Seaman's chest should be provided with these valuable Remedies.

SEE DR. HURD'S PREPARATIONS ON.

The best evidences that they are the truest friends and best patrons are those who have used them longest. *Dr. Wm. B. Hurd*, an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, these preparations have been used in his private practice for years, and no leading men of Brooklyn or Williamsburg questions their excellence, while eminent Dentists of New York recommend them as the best in the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the *Brooklyn Daily Eagle* says: We are happy to know that our friend Hurd, is succeeding beyond all *expectations* with his MOUTH WASH and TOOTH POWDER. The *great secret* of his success rests with the fact *that his articles are* precisely what they are represented to be, as we can readily testify from our long use."

The well known P. T. Barnum writes: "I found your TOOTH POWDER so good that my family have used it all up. *We find it the best article for the teeth we have ever used.* I am pleased obliged if you will send me another. Call at the Museum at your convenience, and bill."

But their cost is so small that every one can test the matter for himself.

☞ Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Pooder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT WILL DR. HURD'S REMEDIES EFFECT?

Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm a woman—a sweet breath and pearly teeth. It them ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all the secretions, and if used in the morning, will make the breakfast taste sweeter and the day seem more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing *bad breath* and giving firmness to the health to the gums. Hundreds of cases of *Diseased Bleeding Gums, Sore Mouths* etc., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to custom, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having

ARTIFICIAL TEETH.

which are liable to impart a taint to the breath. Dr. Hurd's Toothache Droops cure the most aching arising from exposed nerves, and save the best friends that parents can have—their children. Mothers to save their children from torture and themselves from loss of sleep and sympathetic suffering.

Farmers and mechanics, you can't afford to neglect your teeth. For a trifling cost you can now get preservatives, than which Rothschild or Astor can get nothing better. Remember that *Dyspepsia and Consumption of the Lungs* often originate in neglect of the teeth. Send for the *Treatise on Teeth*, and read Dr. Fitch's observations on this subject. It may be late to arrest decay in your own teeth, but may save your children's teeth.
