DR. HURD'S PREPARATIONS GOOD

The best evidences that they are is that the finest friends and best patrons are those who have used it longest. Dr. Wm. B. Hurd is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburg questions their efficacy while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers had sold them by the gross.

The Editor of the Brooklyn Daily Times writes: "Dr. Hurd is succeeding beyond all expectation with his MOUTH WASH and TOOTH POWDER. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from our long use."

The well known P. T. Barnum writes: "I found your TOOTH POWDER so good that my family have used it all up. We find it the best powder for the teeth we ever used. I shall be obliged if you will send me another supply at the Museum at your convenience, with bill."

But their cost is so small that every one may afford to use them for himself.

Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acids, nor alkali, nor any other substance without which the powder is not good.

WHAT WILL DR. HURD'S REMEDIES EFFECT?

Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in woman, a sweet breath and pearly teeth. Try them ladies!

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breath sweet and clear, and the tongue clean and healthy. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing the teeth and giving the best health to the gums. Hundreds of cases of Diseased Gums, Sore Mouth, Canker, etc., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having teeth.

NEURALGIA PLASTER.—Dr. Hurd's Neuralgia Non-Adhesive Plaster are the most pleasant and successful remedies ever prepared for the painful disease. The plaster applies one, soon becomes dry, falls asleep, and awakes free from pain; and no blisters or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compound for Neuralgia. Try them. They are entirely a novel, curious and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other, large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.

WHAT ARE THE PEOPLE DOING?—The American people are intelligent enough to appreciate preparations that contribute so much to happiness of those using them, and they want them. Every mail brings us letters, some ordering the Treatise on Teeth, some the Neuralgia Plaster, and some of our other articles, for the Mouth Wash, to be sent by mail; but to these we are compelled to reply that it is impossible to send a half-pint bottle by mail. The people want these Remedies. Who will supply them?

Now is the

CHANCE FOR AGENTS.
Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that a man or woman can carry around. Send for one and see, or, better, a dozen, which we will sell as samples for \$7. Agents supplied liberally with circulars. Now is the time to go into the business, to do good, and make a profit. We are spending thousands for the benefit of agents in New England and elsewhere. Men here something new, and a chance to take the tide at its food. Address,
WM. B. HURD & CO.,
Tribune Building, New York.

That remedies may be made with confidence, W. B. H. & Co. refer to the Mayor of Brooklyn; to G. W. Griffith, President, Farmers and Citizens Bank, Brooklyn; to Joy, Co., New York; to P. T. Barnum, New York, etc.

AGRICULTURE AND HORTICULTURE

EMBRACING
Farming, Gardening, Fruit-Raising, &c.

In all our branches, as conducted on the latest and most approved system.

Our labors in this department for over thirty years, have met the cordial approbation of the public. Our papers have been to furnish very important branches of industry, and to protect them so far as within our power against the false doctrines and selfish purposes of the many empiric and sensation-adventurers by which the Farmer is incessantly assailed. This portion of the Germantown Telegraph will alone be worth the whole price of subscription, as every Farmer and Gardener, who has a proper conception of his calling, will readily admit.

NEWS DEPARTMENT

In the same industry, care, and discrimination, in gathering and preparing the stirring Events of the Day, expressly for this paper, which heretofore has been one of its marked features, and given us universal satisfaction, will be continued with redoubled efforts to meet the increasing demands of the public. The labor required in this department is never fully appreciated by the reader. It would be impossible to present the condensed and carefully selected mass of all the most interesting news of the week, without involving much physical labor, tact and judgment.

We annex the usual terms, to which we beg leave to call attention of all who think of subscribing for a newspaper:

Advance Cash Terms.

DAVID STONE,

AN ASYLUM FOR THE RECEPTION OF MENTAL ALIENATION OR INSANE AND OTHER NERVOUS AND CHRONIC DISEASES. EXCLUSIVELY FOR FEMALES.

THIS Institution is now open for the reception, care, and treatment of the independent class of patients who are laboring under mental derangement; or other nervous and chronic diseases. It makes special mention of nervous or chronic diseases, from the fact that seven tenths of the female patients that are committed to our public Asylums, are treated for deranged minds, and reduced to that lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, all physical disorders, in the majority of cases may be removed; and thus the mind, having suffered through the medium of the body will be freed from the exciting physical cause, throw of the shackles that has bound it to worse than midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and adorned with the faculties of a sane and intelligent being. The Institution is a large and airy building with a stone basement—four stories high and well ventilated. It is situated on an elevated table land which commands a view of entire town—adjacent hills—groves and neighboring farms. The Institution is so arranged as to induce favorable impressions upon the disordered mind.

The Institution is complete in all of its appointments. Having been tastefully fitted up with great expense in order that it may meet the approbation and views of the most fastidious.

The water closets and bathing apparatus have been gotten up upon the most approved modern scientific principles. This department embraces not only the ordinary baths but, also, the medicated, warm air and ascending and descending douche for the more effectual and successful treatment of cutaneous and other chronic diseases.

We beg leave to say to all those who may be disposed to commit the interests of a dear wife, sister or daughter, to our charge—may be assured that no means will be spared or neglected in order that they may meet the condition of effect a restoration to their accustomed health and vigor of mind.

For further particulars send for a circular. All communications should be addressed to,

THE SOUTHERN TRUTH

ALWAYS READY.

HOLLOWAY'S OINTMENT.

LONG marches, sore and stiff joints, blistered and inflamed feet, all these the soldier must endure. **MOTHERS, REMEMBER THIS,** when your sons are grasping their muskets to meet danger, think what relief a pot of this **ALL HEALING & COOLING SALVE** will give to his feet. It is the best and most reliable friend a soldier has, and makes his feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous.

SABRE CUTS AND GUNSHOT WOUNDS stand unequalled, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful WOUNDS AND SIZES OF OUR VOLUNTEERS.

You cannot put into the Knapsacks of your Husbands and Brothers, a more valuable nor more necessary gift than a supply of this **EXCELLENT MILITARY SALVE.**

The lonely sentry walking his rounds at night, exposed to drenching rains and chill night air, is often seized the most VIOLENT PAINS, COUGHS, and SUFFERING FROM BRUISES, RHEUMATISM, QUICK CONSUMPTION, but if supplied with **HOLLOWAY'S PILLS** and **HOLLOWAY'S OINTMENT**, all danger is averted; a few Pills taken at night and morning, and the patient briskly resumes his duty, and the most distressing and DANGEROUS COUGH, therefore we say to the whole Army.

SOBIERS ATTENTION!
See to your health, and first to the Army supplies although most valuable. These **PILLS** and **OINTMENT** have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years. Doctor Holloway has supplied all the armies in Europe, and during the **GRAND CAMPAIGN** he established a depot at Balaclava, for the exclusive sale of these **GREAT REMEDIES**, many a time his special Agent there has sold over a ton in a single day. The British and the French, the Prussian and the Russian, the **DIARRHEA, DYSENTERY, SCURVY, SORES, and SCROFULOUS ERUPTIONS**, all disappear like a charm before these **PILLS** and **OINTMENT**, and how while the Cry rings throughout the land.

TO ARMS! TO ARMS!
Do not let these brave men perish by disease, place in their hands these **PRECIOUS REMEDIES**, that will enable them to resist the dangers of exposure, the Fever, the Chills, and the wounds which they cannot avoid, and what is more, cannot frequently get away in the moment of need, whereas if our brave men have only to put their hands into their knapsacks and find there a cure ready for all the casualties of the battle field. How many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

CAUTION!—None are genuine unless they bear the name of **DR. HOLLOWAY, New York and London**, are discernible as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the book to the light. A handsome Card will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing the name of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines, throughout the civilized world, in boxes as follows:—**25 CENTS** per box, and **50 CENTS** per box.

There is considerable saving by taking the larger sizes.

Directions for the guidance of patients in every disorder are affixed to each box.

The system of Instruction is peculiar; no classes or set lessons are made use of, but each student is individually so instructed, that he may commence at any time, and attend at whatever hours are most convenient.

Catalogues are issued annually after the 15th of April, containing names of the students of the year, and full particulars of terms, &c., and may be obtained at any time by addressing the Principal.

In extensive accommodations, wide-spread reputation, and the lengthy experience of the Principal, this Institution offers facilities superior to any other in the country, for young men wishing to prepare for business, and to obtain at the same time a diploma, which will prove a recommendation for them to any Mercantile House.

CRITTENDEN'S Series of Treatises on Book-keeping, now more widely circulated than any other work on the subject, are for sale at the College.
