The success and prospective good effects of the three Institutes already held, in different parts of the County, have induced me to call a central *County Institute*, at Beaver, on the 29th, 30th and 31st days of Dec.

Teachers from all parts of the County are earnestly requested to attend. Give your pupils a few days for recreation and come to our Institute, prepared to contribute your share to its interest and usefulness, and we promise you a pleasant and profitable meeting.

I am authorized to say that the hospitalities of the good people of Beaver and vicinity will be extended to teachers from a distance.

NEW ADVERTISEMENTS.

U. S. 5-20'S!

THE Secretary of the Treasury has not yet given notice of any intention to withdraw this popular Loan from sale at Par, and until such notice is given, the undersigned, appointed "GENERAL SUBSCRIPTION AGENT," will continue to supply the public.

The whole amount of the Loan authorized is Five Hundred Millions of Dollars. NEARLY FOUR HUNDRED MILLIONS HAVE BEEN ALREADY SUBSCRIBED FOR AND PAID INTO THE TREASURY, mostly within the last seven months. The large demand from abroad, and the rapidly increasing home demand for use as the basis for circulation by National Banking Associations now organizing in all parts of the country, will, in a very short period absorb the balance. Sales have already ranged from ten to fifteen millions weekly, frequently exceeding three millions daily, and as it is well known that the Secretary of the Treasury has ample and unfailing resources in the Duties on Imports and Internal Revenues, and in the issue of the Interest bearing Legal Tender Treasury Notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent loans, THE INTEREST AND PRINCIPAL OF WHICH ARE PAYABLE IN GOLD.

Prudence and self-interest must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have idle money on their hands, to the prompt conclusion that they should lose no time in subscribing to this most popular Loan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for at par.

IT IS A SIX PER CENT. LOAN. THE INTEREST AND PRINCIPAL PAYABLE IN COIN, THUS YIELDING OVER NINE PER CENT. PER ANNUM at the present rate of premium on gold.

The Government requires all duties on imports to be paid in Coin; these duties have for a long time past amounted to over a Quarter of a Million of Dollars daily, a sum nearly three times greater than that required in the payment of the interest on all the 5-20's and other permanent Loans. So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities.

The loan is called 5-20's from the fact that whilst the Bonds may run for 20 years yet the Government has a right to pay them off in Gold at par, at any time after 5 years.

THE INTEREST IS PAID HALF YEARLY, viz: on the first days of November and May.

Subscribers can have Coupon Bonds, which are payable to bearer, and are 50 dollars, 100 dollars, 500 dollars, and 1000 dollars; or Registered Bonds of same denominations, and in addition, 5,000s and 10,000 dollars. For Banking purposes and investments of Trust monies the Registered Bonds are preferable.

These 5-20's cannot be taxed by States, cities, towns or counties, and the Government tax on them is only one-half per cent. on the amount of income, when the income of the holder exceeds Six Hundred Dollars per annum; all other investments, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from three to five per cent. on the income.

Banks and Bankers throughout the Country will continue to dispose of the Bonds; and all orders by mail, or otherwise promptly attended to.

The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay,

JAY COOKE,
SUBSCRIPTION AGENT.
