U. S. INTERNAL REVENUE

ANNUAL TAXES FOR 1864.

The attention of taxpayers is hereby called to the provisions of the United States Excise Law relative to the assessment of annual taxes.

By the sixth section of the act of July 1, 1862, it is made the duty of all persons, partnerships, firms, associations, or corporations, made liable to any annual duty, license, or tax, *on or before the first Monday of May in each year*, to make a list or return to the Assistant Assessor of the District where located of the amount of annual income, the articles or objects charged with a special tax, and the business or occupation liable to pay any license.

Every person who shall fail to make such return by the day specified will be liable to be assessed by the Assessor according to the best information which he can obtain; and in such case the Assessor is required to add fifty per centum to the amount of the items of such list.

Every person who shall deliver to an Assessor any false or fraudulent list or statement, with intent to evade the valuation or enumeration required by law, is subject to a fine of five hundred dollars; and in such case the list will be made out by the Assessor or Assistant Assessor, and from the valuation and enumeration so made there can be no appeal.

Payment of the annual taxes, except those for licenses, will not be demanded until the thirtieth day of June.

The appropriate blanks on which to make return, and all necessary information, will be furnished by Geo. W. Hamilton, Esq., Reno, and Wm. R. Trimble, A. Assistant Assessors for this county, to whom the returns should be delivered on or before the first Monday of May, at their offices, in Beaver, New Brighton and Hookstown respectively.

DR. CHEESEMAN'S PILLS

The combination of ingredients in these Pills are the result of a long and extensive practice. HET SOLDIER'S TRUE FRIEND!

ALWAYS READY.

HOLLOWAY'S OINTMENT.

LONG marches, sore and stiff joints, blistered and inflamed feet, all these the soldier must endure, MOTHERS, REMEMBER THIS, when your sons are grasping their muskets to meet danger, think what relief a pot of this ALL HEALING & COOLING Salves will give to the one you love when far away from home and friends. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for

SABRE CUTS AND GUNSHOT WOUNDS

at stands unequalled, removing and preventing every vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.

WIVES AND SISTERS OF OUR VOLUNTEERS

Yo cannot put into the Knapsack of Husbands and Brothers, a more valuable nor more necessary gift than a supply of this

EXTRAORDINARY MILITARY SALVE.

The lonely sentry walking his ronuds at night, exposed to drenching rains and chill night air, is often seized the most VIOLENT PAINS, COUGHS and SUFFOCATING HOARSNESS, first symptoms of QUICK CONSUMPTION, but if supplied with HOLLOWAY'S PILLS and HOLLOWAY'S OINTMENT; all danger is averted, a few Pills taken night and morning, and the ointment briskly rubbed twice a day over the throat and chest will remove the SEVEREST PAINS and stop the most distressing or DANGEROUS COUGH Before we say to the whole army,

SOLDIERS ATTENTION!!

See to your own health, do not trust to the Army supplies although most valuable. These PILLS and OINTMENT have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the armies in Europe, and during the CRIMEAN CAMPAIGN he established a depot at Balaclava, for the exclusive sale of these GREAT REMEDIES, many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies of the Soldier in Camp, DIARRHEA, DYSENTERY, SCURVY, SORES and SCROFULOUS ERUPTIONS, all disappear like a charm before these PILLS AND OINTMENT, and now while the Cry rings throughout the land,

TO ARMS! TO ARMS!!

Do not let these brave men perish by disease, place in their hands these PRECIOUS REMEDIES, that will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannot frequently get succor in the moment of need; whereas if our brave men have only to put their hands into their Knapsacks and find there a sure remedy for all the casualities of the battle field. How many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

TO PHYSICIANS & DRUGGISTS.

THE undersigned would inform Physicians and Druggists that, owing to an increasing demand, he is now prepared to manufacture on a larger scale than heretofore all articles of the Pharmacopœia. These will be of the strength and quality as dispensed in the Prescription Department of my store, and will be found superior in strength to most in market. I guarantee them to be of the proper strength and purity.

Some preparations offered are new, but will be made official in the new Pharmacopœia soon to be issued, and will be found to be valuable remedies.

Any information as regards their strength, uses and qualities will be sent to those desiring it.

I would advise Physicians who have been disappointed in the effect of any remedy, to try those of my manufacture.

NEW BRIGHTON RETREAT.

AN ASYLUM FOR THE RECEPTION, CURE AND TREATMENT OF MENTAL ALIENATION OR DISORDER.

And Other

Nervous and Chronic Diseases.

EXCLUSIVELY FOR FEMALES.

THIS institution is now open for the reception, care, and treatment of the *independent class* of patients who are laboring under mental derangement, or other nervous and chronic disease. We make special mention of nervous and chronic diseases, from the fact that seven tenths of the female patients that are committed to our public Asylums, to be treated for disordered minds, are reduced to that lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, all physical disorders, in the majority of cases may be removed; and thus the mind, having suffered through the medium of the body will when free from the exciting physical cause, throw off the shackles that has bound it to worse than midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and wonted excellence. Hence the necessity of all those, who are laboring under the predisposing or exciting causes, calculated in the end to impair the mind to resort to an early and judicious course of remedial agents.

The Institution is a large brick building with a stone basement—four stories high and well ventilated. It
