U.S. INTERNAL REVENUE

ANNUAL TAXES FOR 1864.

The attention of taxpayers is hereby called to the provisions of the United States Excise Law relative to the assessment of annual taxes.

By the sixth section of the act of July 1, 1862, it is made the duty of all persons, partnerships, firms, associations, or corporations, made liable to any annual duty, license, or tax, on or *before the first Monday of May in each year*, to make a list or return to the Assistant Assessor of the District where located of the amount of annual income, the articles or objects charged with a special tax, and the business or occupation liable to pay any license

Every person who shall fail to make such return by the day specified will be liable to be assessed by the Assessor according to the best information which he can obtain; and in such case the Assessor is required to add fifty per centum to the amount of the sums of such list.

Every person who shall deliver to an Assessor any false or fraudulent list or statement, with intent to evade the valuation or enumeration required by law, is subject to a fine of five hundred dollars; and in such case the list will be made out by the Assessor or Assistant Assessor, and from the valuation and enumeration so made there can be no appeal.

Payment of the annual taxes, except those for licenses, will not be demanded until the thirtieth day of June.

The appropriate blanks on which to make return, and all necessary information, will be furnished by Geo. W. Hamilton-Eli Reno, and Wm. R. Trimble, Assistant Assessors for this County, to whom the returns should be delivered, on or before the first Monday of May, at their offices, in Beaver, New Brighton and Hookstown respectively.

Beaver, Feb. 27th. 1864.

☞ Dr. TOBIAS' VENETIAN LINIMENT has given universal satisfaction during the fourteen years it has been introduced into the United States. After being tried by millions, it has been proclaimed the pain destroyer of the world. Pain cannot be where this liniment is applied. If used as directed it cannot and never has failed in a single instance. For colds, coughs and influenza, it can't be beat. One 25 cent bottle will cure all the above besides being useful in every family for sudden accidents, such as burns, cuts, scalds, insect stings, &c It is perfectly innocent to take internally, and can be given to the oldest person or youngest child. Price 25 and 50 cents a bottle. Office, 56 Cortland Street, New-York. Sold by all Druggists.

TRAITORS.—Silas Wright, who was one of the best and purest Democrats of his time, once said: "If among us there be any who are prepared, for any earthly object, to disremember our Confederacy, and destroy *that Constitution* which binds us together, *let the fate of an Arnold be theirs*, and let their detestation and of every American be constant companion, until like him, they shall abandon a country whose rich blessings they are no longer worthy to enjoy."

THE GOLD BILL.—The New York papers generally concur in the opinion as expressed by the *Evening Post*: that Mr Chase will henceforth stand ready with his gold bags to demolish the speculators. He will be a terror to them, for he may upset all their calculations at any moment. The dread of his interference will probably of itself tend to diminish the speculation in gold."

The lonely sentry walking his rounds at night, exposed to drenching rains and chill night air, is often seized the most VIOLENT PAINS, COUGHS and SUFFOCATING HOARSNESS, first symptoms of QUICK CONSUMPTION, but if supplied with HOLLOWAY'S PILLS and HOLLOWAY'S OINTMENT, all danger is averted, a few Pills taken night and morning, and the ointment briskly rubbed twice a day over the throat and chest will remove the SEVEREST PAINS and stop the most distressing or DANGEROUS COUGH Thefore we say to the whole army,

SOLDIERS ATTENTION!!

See to your own health, do not trust to the Army supplies although most valuable. These PILLS and OINTMENT have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the armies in Europe, and during the CRIMEAN CAMPAIGN he established a depot at Balaclava, for the exclusive sale of these GREAT REMEDIES, many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies of the Soldier in Camp, DIARRHEA, DYSENTERY, SCURVY, SORES and SCROFULOUS ERUPTIONS, all disappear like a charm before these PILLS AND OINTMENT, and now while the Cry rings throughout the land,

TO ARMS! TO ARMS!!

Do not let these brave men perish by disease, place in their hands these PRECIOUS REMEDIES, that will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannot frequently get succor in the moment of need, whereas if our brave men have only to put their hands into their Knapsacks and find there a sure remedy for all the casualties of the battle field. How many thousands of lives would thus be saved who would otherwise perish before relief could be obtained.

TO PHYSICIANS & DRUGGISTS.

THE undersigned would inform Physicians and Druggists that, owing to an increasing demand, he is now prepared to manufacture on a larger scale than heretofore all articles of the Pharmacopœia. These will be of the strength and quality as dispensed in the Prescription Department of my store, and will be found superior in strength to most in market. I guarantee them to be of the proper strength and purity.

Some preparations offered are new, but will be made official in the new Pharmacopœia soon to be issued, and will be found to be valuable remedies.

Any information as regards their strength, uses and qualities will be sent to those desiring it.

I would advise Physicians who have been disappointed in the effect of any remedy, to try those of my manufacture.

Citrate of Iron and Citrate of Iron and Quinine; very soluble,

NEW BRIGHTON RETREAT,

AN ASYLUM FOR THE RECEPTION, CURE AND TREATMENT OF MENTAL ALIENATION OR DISORDER,

And Other

Nervous and Chronic Diseases,

EXCLUSIVELY FOR FEMALES.

THIS Institution is now open for the reception, care, and treatment of the *higher class* of patients who are laboring under mental derangement, or other nervous and chronic disease. We make special mention of nervous and chronic diseases, from the fact that seven tenths of the female patients that are committed to our public Asylums to be treated for disordered minds, are reduced to that lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, all physical disorder, in the majority of cases may be removed, and thus the mind, having suffered through the medium of the body will when free from the exciting physical cause, throw off the shackles that has bound it to worse than midnight darkness and reason will, once more, resume its sway, clothed
