an asylum for the recep-TION, CURE AND TREAT-MENT OF MENTAL ALIENATION OR DISORDER.

And Other Nervous and Chronic Diseases.

treated for disordered minds, are reduced to that lamentable condition through previous physical disorder. By a well timed and judi-cious treatment of chronic and nervous diseases, all physical disorders, in the majority of cases may be removed; and thus themind; having suffered through the medium of the body will when free from the exciting physical cause, throw off the shackles that has bound it to worse than midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and wonted excellence. Hence the necessity of all those, who are laboring under the predisposing or exciting causes, calculated in the end to im-pair the mind to resort to an early and

udicious course of remedial agents. The Institution is a large brick building with a stone basement four stories high and well ventilated. It is situated on an elevated able land which commands a view of entire town-adjacent hills-groves and neighboring streams; all of which are calculated to produce favorable impressions upon the disorder

The Institution is complete in all of its appointments. Having been tastefully fitted up at graet expense, in order that it may meet the approbation and views of the rost fastidi-

The water closets and bathing apparatus have been gotton up upon the most approved modern scientific principles. This department embraces not only the ordinary baths but, also, the medicated, warm air and ascending and descending douche for the more effectual and successful treatment of cutaneous and other scrofulous diseases.

We beg leave to say to all those who may be disposed to commit the interests of a dear wife, sister or daughter, to our charge-may be assured that no means will be spared or efforts wanting on our part to ameliorate their condition or to effect a restoration to their accustomed health and vigor of mind. For further particulars send for a circular all communications should be addressed to.
