DR TOBIAS' VENETIAN LINIMENT—More testimony! this is to certify that for the last five years I have used in my family Dr. Tobias' celebrated Venetian Liniment, and in every instance have found it fully equal to his recommendations. I have found it to give almost instantaneous relief in cases of toothache, croup, bilious colic, sore throat, pain in the chest and back, and rheumatism, and I cheerfully recommend its trial to every one afflicted with any of the above-named diseases.

HENRY C. JOHNSON,
Speaker of the House of Representatives,
JOHN P. PENNEY,
Speaker of the Senate.

Office Secretary of Commonwealth
HARRISBURG, April 25, 1864.

PENNSYLVANIA, ss:

I do hereby certify that the foregoing is a full, true and correct copy of the original Joint Resolution of the General Assembly, entitled "A Joint Resolution proposing certain Amendments to the Constitution," as the same remains on file in this office.

IN TESTIMONY whereof, I have hereunto set my hand and caused the seal of the Secretary's office to be affixed, the day and year above written. ELI SLIFER,
Secretary of the Commonwealth.

The above Resolution having been agreed to by a majority of the members of each House, at two successive sessions of the General Assembly of this Commonwealth, the proposed amendments will be submitted to the people, for their adoption or rejection, on the FIRST TUESDAY OF AUGUST, in the year of our Lord one thousand eight hundred and sixty-four, in accordance with the provisions of the tenth article of the Constitution, and the act, entitled "An act prescribing the time and manner of submitting to the people, for their approval and ratification or rejection, the proposed amendments to the Constitution," approved the twenty-third of April, one thousand eight hundred and sixty-four.

U. S. 10-40 BONDS

These Bonds are issued under the Act of Congress of March 8th, 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bonds are received in United States notes on National Banks. They are TO BE REDEEMED IN COIN, at the pleasure of the Government, at any period *not less than ten nor more than forty years* from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and on all other Bonds semi-annually. The interest is payable on the first days of March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only on the owner's order. Coupon Bonds are payable to bearer, and are more convenient for commercial uses.

Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accured interest in coin—(or in United States notes, or the notes of National Banks, adding fifty per cent. for premium,) or received them drawing interest from the date of subscription and deposit.—As these Bonds are

EXEMPT FROM MUNICIPAL OR STATE TAXATION, they will realize a fraction over one to three per cent. per annum, according to the rate of tax leivies in various parts of the country.

At the present rate of premium on gold they pay

OVER EIGHT PER CENT. INTEREST

in currency, and are of equal convenience as a permanent or temporary investment.

It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payment; while for the debts of the United States the whole property of the country is holden to secure the payment of both principal and interest in coin.

These Bonds may be subscribed for in sum from $50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 2d day of March, 1864, was $768,905,100. The interest on this debt for the coming fiscal years will be $45,337,126, while the customs revenue in gold for the current fiscal year, ending June 30th 1864, has been so far at the rate of over 100,000,000 per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to $150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United State Treasury until March 20, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by the

First National Bank of Pittsburgh, Third National Bank of Pittsburgh,
AND BY ALL NATIONAL BANKS

which are depositaries of Public money, and all

RESPECTABLE BANKS AND BANKERS throughout the country, (acting as agent of the National Depositary Banks,) will furnish further information on application and

Afford Every Facility to Subscribers.
