## Burnside Attacked—Repulse of the Second Corps.

A dispatch from Headquarters Army of the Potomac, June 27th, five o'clock a. m., says: An attack was made on Burnside at about ten o'clock Saturday night, with the intention of driving back a working party, who were engaged in digging entrenchments towards the enemy's front, so as to gain a better position in which to place guns to effectually cover the enemy's works. The firing was very brisk for about an hour, resulting in our men holding their ground, continuing their labors without loss of consequence. The health of the troops in the main is good.

In the affair of Wednesday last, a *Tribune* correspondent says: The 19th and 15th Massachusetts, and the 42d and 82d New York regiments were captured bodily. The object of the movement—getting possession of the railroads south of Petersburg—was not gained, though the movement of our forces was promptly resumed after the rebels retreated with their captures. Owing to the rebels having the inside track, and reaching the point first, they repulsed our advance force, consisting of the Vermont brigade, which lost severely in prisoners.

## Sec Stanton's Official Bulletin

WASHINGTON, June 28—4 p. m.—*To Major General Dix:* The following dispatch has just been received from General Hunter:

"I have the honor to report that our expedition has been extremely successful in inflicting great injury upon the enemy, and victorious in every engagement. Running short of ammunition, and finding it impossible while in the presence of an enemy believed to be superior to our force in numbers, and who constantly receive reinforcements *from Richmond* and other points, I deemed it best to return, and have succeeded in doing so without serious loss to this point, where we obtained abundant supply of food. A detailed report of our operations will be forwarded immediately. The command is in excellent heart and health, and ready, after a few days, rest, for service in any direction." Nothing later than my telegram of this morning has been received from Grant or Lee.

E. M. STANTON.

## Confidential Complicity with Rebels.

Gov. Brantlegate of Kentucky, writes a letter of thanks to Governor Morton for the prompt assistance rendered by Indiana during Morgan's late raid. He pays a high compliment to the patriotism and kindly feeling which prompted the 43d Indiana to go to Kentucky's assistance while visiting their own families. He says the appearance of Vallandigham in Ohio simultaneously with Morgan's raid in Kentucky fully confirms the matter of complicity in which he had been advised. The defeat of Morgan has frustrated their designs for the present, but vigilance must still guard against these machinations of evil men.

## The Rebels in Strong Force.

YORK, June 28—A *Tribune* dated Headquarters Army of Potomac, June 26th, evening, says: The enemy is in very strong force in front, and exhibit a determination to resist every attempt of our forces to advance on the Petersburg and Weldon railroad. Of such vital importance is it to them, that only the most determined skill and bravery can prevent it from being cut.

The report of the Vermont Brigade fight shows a stubborn determination of the enemy, and there is no relaxation ever since then they have pressed their portion of their lines closely and often.

## Gen Foster's Position.

NEW YORK, June 29.—The *Herald's* Hundred correspondent says: The situation of the army in relation to General Foster's position at Jones' Neck, on the Chowan river, remains unchanged, though quite an engagement resulted in some skirmishing. Just before noon the rebels' gunboat opened on the Union forces, were discovered throwing up entrenchments at the Head of Bennett's Creek, after several rounds were fired, left.

## Weldon and Petersburg Railroad.

NEW YORK, June 29.—A *World's* special from Headquarters, June 27th, says: The rebels hold possession of the Weldon and Petersburg Railroad as yet. As matters now stand there is no ground for saying that we will have it immediately. Our position is such, however, as to prevent the enemy running any trains that way. Gen. Grant is making the enemy's position a warm one.

## Gen Grant's Captures.

The Washington *Star* says: Since Gen. Grant crossed the Rapidan he has taken 17,000 prisoners not including those of the last four or five days, which as yet is less than one-tenth of the number. Among the recent captures were men over sixty years of age and boys aged fourteen years. They all say they were forced into the rebel ranks."

## Loss in Sheridan's Cavalry.

NEW YORK, June 29.—A *Herald's* correspondent of the 27th says Sheridan's loss in the recent raid was less than twenty-five hundred. Wilson and Kautz, who were detached to do great damage on the Lynchburg, have not returned.

## The Repulse of Sherman.

NEW YORK, June 25.—A rebel dispatch from Holly Springs says that the repulse of Sherman with a loss of forty guns, and claiming a victory, after the several days of the campaign.

SECTION 1. That for the purpose of ascertaining the sense of the people of this Commonwealth, in regard to the adoption or rejection of said amendments, or either of them, the Governor of this Commonwealth shall issue a writ of election, directed to each and every Sheriff of this Commonwealth, commanding them to give notice, in the usual manner, in not less than two newspapers in each city and county, provided that so many are published therein, and by at least two printed hand bills in each election district of every city and county wherein no newspaper is published, that an election will be held in each of the townships, boroughs, wards, precincts and districts therein, on the first Tuesday of August, in the year of our Lord one thousand eight hundred and sixty-four, for the purpose of deciding upon the approval and ratification or rejection of the said amendments, which said election shall be opened, held and closed upon the day last aforesaid, at the places and within the hours at and within which the general elections of this Commonwealth are directed to be opened and closed, and it shall be the duty of the judges, inspectors and clerks of each of said townships, boroughs, wards, precincts and districts, to receive, at the said election, tickets, not exceeding the number of proposed amendments, either written or printed or partly written and partly printed, from each of the qualified voters of this State who may offer the same, and to deposit them in a box or boxes for that purpose, provided by the proper officers, which tickets shall be respectively labelled on the outside, "First Amendment," "Second Amendment," "Third Amendment," and those who are favorable to said amendments, or any of them, may express their approval thereof by voting each as many separate written or printed, or partly written and partly printed ballots or tickets as there are amendments approved by them, containing, on the inside thereof, the words, "For the amendment;" and those who are opposed to such amendments, or any of them, may express their opposition by voting each as many separate written and partly printed ballots or tickets as there are amendments not approved by them, containing, on the inside thereof, the words, "Against the amendment." The electors voting for or against the first amendment shall be considered as voting for or against the proposed fourth section to article three of the Constitution, extending the right of suffrage to soldiers. Electors voting for or against the second amendment shall be considered as voting for or against the proposed eighth section to article eleven of the Constitution; and electors voting for or against the third amendment shall be considered as voting for or against the proposed ninth section to article eleven of the Consitution.

SECTION 2. That the election on the proposed amendments shall, in all respects, be conducted as the elections of this Commonwealth are now conducted, and it shall be the duty of the return judges of the respective counties and district thereof, first having carefully ascertained the number of votes given or against each of the said amendments, in the manner aforesaid, to make out duplicate returns thereof, expressed in words at length, add not in figures, only one of which returns so made shall be lodged in the Prothonotary's office of the Court of Common Pleas of the proper county, and the other sealed and directed to the Secretary of the Commonwealth, and by one of said judges deposited forthwith in the most convenient post office, upon which postage shall be prepaid at the expense of the proper county.

SECTION 4. That the several duties required to be performed by the Sheriffs, Commissioners, Constables, Judges, Inspectors and all other officers whatever in and about the general elections of this Commonwealth shall be performed by such officers in and about the election herein provided for, and all persons, whether officers or others, shall be liable to the same punishment for the neglect of any duty or the commission of any offence at, in or about the said election, as they would for the neglect of like duty or the commission of like offence at, in or about the general elections of this Commonwealth.

### Notice is Hereby Given,

That every person except Justices of the Peace, who shall hold any office or appointment of profit or trust under the Government of the United States, or of this State, or of any city or incorporated district, whether a commissioned officer or agent, who is or shall have been employed under the Legislative, Executive or Judiciary department of this State or the United States, or of any city or incorporated district: and also that every member of Congress, and of the State Legislature, and of the Select or Common Council of any city, or commissioner of any incorporated district, is by law incapable of holding or exercising at the same time the office or appointment of Inspector, Judge, or Clerk of any election of the Commonwealth, and that no Judge, Inspector, or any other officer of such election, shall be eligible to any to be then voted for.

Also, in and by the fourth section of an Act approved the 10th of April, 1849, it is enacted that the 13th section of the act passed July 2d, 1839, entitled an act relating to the elections of this Commonwealth, shall not be construed so as to prevent any military officer or borough officer from service as Judge, Inspector or Clerk at any general or special election in this Commonwealth.

And the said act of Assembly, entitled "An Act relating to the elections of this Commonwealth," passed July 2d, 1839, provides as follows:

That the Judge and Inspectors chosen as aforesaid, shall meet at their respective places appointed for holding the election in the districts to which they respectively belong, before 9 o'clock on the morning of the Second Tuesday of October in each and every year, and each of said Inspectors shall appoint one clerk, who shall be a qualified voter of said district.

In case the persons who shall have received the second highest number of votes for Inspector shall not attend on the day of election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as Inspector in his place; and in case the person who shall have received the highest number of votes for Inspector shall not attend, the present elected Judge shall appoint an Inspector in his place; and in case the person elected Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the Board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward, or district for which such officers shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy.

It shall be the duty of Assessors respectively to attend at the place of holding every general, special or township election during the time such election is kept open, for the purpose of giving information to the Inspectors and Judges when called on, in relation to the rights of any persons assessed by them to vote at such elections, or such other matters in relating to the Assessments of Voters as the said inspectors or Judge, or either of them, shall from me to time require.

No person shall be permitted to vote at any election, as aforesaid, other than a white freeman of the age of twenty-one years or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, at least ten days immediately preceding such election, and within two years paid a State or County Tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in the State six months: Provided, that the white freemen, citizens of the United States, between the ages of twenty-one and twenty-two years, and having resided in the State one year and in the election district ten days as aforesaid, shall be entitled to vote although they have not paid taxes.

No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants furnished by the Commissioners, unless, first, he produce a receipt for the payment within two years, of a State or county tax, assessed agreeably to the Constitution, and gives satisfactory evidence either by his own oath or affirmation or that of another, that he has paid such tax, or on failing to procure a receipt, shall make oath of the payment thereof; or second, if he claims a right to vote by being an elector between the age of twenty-one and twenty-two years, he shall depose on oath or affirmation that he has resided in the State at least one year before his application, and make such proof of the residence in the district as is required in the case; and that he does verily believe, from the account given him that he is of the age aforesaid, and gives such other evidence as is required by this act, whereupon the name of the person admitted to vote shall be inserted into the alphabetical list by the Inspectors, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid a tax, or the word "age," if he shall be admitted on account of his age, and in either case, the reasons of such vote shall be called out by the clerks, who shall make the like notes in the list of voters kept by them.

In all cases where the name of the person claiming to vote is not found on the list furnished by the Commissioners and Assessor, or his right to vote, whether found there or not, is objected to by any qualified citizen, it shall be the duty of Inspector to examine such persons on oath as to qualification, and, if he claims to have resided within the State one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election, and shall also himself swear his bona fide residence, in pursuance of his lawful calling, is within the district for the purpose of voting therein.

If any person shall prevent or attempt to prevent any officer of an election, or use or threaten any violence to any such officer, or shall interrupt or improperly interfere with him in the execution of his duty, or shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the peace of such election, or shall use or practice any intimidation, threats, force or violence, with design to influence unduly, or overpower any elector, or to prevent him from voting, or to restrain the freedom of his choice; such person on conviction shall be fined in any sum not exceeding five hundred dollars, and be imprisoned for any time not less than twelve months; and if it shall be shown that by the Court who the trial of such offence shall be had that the person offending was not a resident of the city, ward, district or township where the said offences was committed and not entitled to vote therein, then, on conviction he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

If any person or persons shall make any bet or wager upon the result of any election within this Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by written or printed advertisement, challenge or invite any person or persons to make such a bet or wager, upon conviction thereof, he or they shall forfeit and pay three times the amount so bet or offered to be bet.

If any person not by law qualified shall fraudulently vote at any election within this Commonwealth, or being otherwise qualified, shall vote out of his proper district, or if any person knowing the want of such qualification, shall aid or procure such persons to vote, the person or persons so offending shall, on conviction, be fined in any sum not exceeding two hundred dollars, and be imprisoned for any term not less than three months.

If any person shall vote at more than one election district, or otherwise fraudulently fold and deliver to the inspectors two tickets together, with the intention to vote illegally, or shall vote the same, or if any person shall advise or procure another to do so, he or they so offending shall, on conviction, be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned for any term not less than three nor more than twelve months.

If any person not qualified to vote in this Commonwealth agreeably to law, (except the sons of qualified citizens,) shall appear at any place of election for the purpose of festing tickets, or of influencing the citizens qualified to vote, he shall, on conviction forfeit and pay any sum not exceeding one hundred dollars for every such offence, and be imprisoned for any term not exceeding three months.

Given under my hand at Beaver, SEAL. the 29th day of June, 1864.

JOSEPH LEDLIE, Sheriff.

## UNIVERSAL CLOTHES WRINGER!

HIGHEST PREMIUM

WASHER, WRINGER and STARCHER Combined! Silver and Bronze Medals, Diplomas, Certificates, Premiums, and Testimonials, have been received from various sources, both Public and Private.

Self-Adjusting and Adjustable. The only Wringer with the Patent Cog-Wheel Regulator, for turning both rolls together and which positively prevents the rolls from breaking or twisting on the shaft. It is not only a perfect Wringer, but the Cog-wheels give it a power which renders it a great Excellent Washer pressing and separating, as it does, the dirt with the water from the clothes, leaving them dryer, whiter, and smoother than when "wrung" by hand. The water can be pressed from large and small articles, easier, quicker, and more thoroughly than by the ordinary, old-fashioned back-breaking, wrist-straining, and clothes destroying process.—The Cog-wheels prevent all "wear and tear" of clothes by the friction of the rolls or breaking of stitches by twisting.

Without Cog-wheels, the whole strain of forcing the cloth through the Machine is put upon the lower roll, and the cloth is made to act in the place of Cog-wheels, to drive the upper roll, causing a much greater strain upon the lower roll than when Cog-wheels, with our Patent Regulator, are used, besides the extra strain upon the cloth. A Good Canvasser wanted in every town. Liberal inducements offered, and exclusive sale guaranteed.
