While the enemy were in Maryland a rebel officer was asked if he made no distinction between the property of Union people and that of the friends of the Confederate cause? "Not at all," he replied; "we take from our Northern friends and sympathizers even more freely because we feel that they would specially desire to contribute to the good cause of the South." Rather a clincher, that reply.

By the Act of Assembly, approved, as aforesaid, on the 23rd day of April, A. D. 1864, it is, among other things, as follows:

SECTION 1. That for the purpose of ascertaining the sense of the people of this Commonwealth, in regard to the adoption or rejection of said amendments, or either of them, the Governor of this Commonwealth shall issue a writ of election, directed to each and every Sheriff of this Commonwealth, commanding them to give notice, in the usual manner, in not less than two newspapers in each city and county, provided that so many are published therein, and by at least two printed hand bills in each election district of every city and county wherein no newspaper is published, that an election will be held in each of the townships, boroughs, wards, precincts and districts therein, on the first Tuesday of August, in the year of our Lord one thousand eight hundred and sixty-four, for the purpose of deciding upon the approval and ratification or rejection of the said amendments, which said election shall be opened, held and closed upon the day last aforesaid, at the places and within the hours at and within which the general elections of this Commonwealth are directed to be opened and closed; and it shall be the duty of the judges, inspectors and clerks of each of said townships, boroughs, wards, precincts and districts, to receive, at the said election, tickets, not exceeding the number of proposed amendments, either written or printed or partly written and partly printed, from each of the qualified voters of this State who may offer the same, and to deposit them in a box or boxes for that purpose, provided by the proper officers, which tickets shall be respectively labelled on the outside thereof, "First Amendment," "Second Amendment," "Third Amendment," and those who are favorable to said amendments, or any of them, may express their approval thereof by voting each as many separate written or printed, or partly written and partly printed ballots or tickets as there are amendments approved by them, containing, on the inside thereof, the words, "For the amendment;" and those who are opposed to such amendments, or any of them, may express their opposition by voting each as many separate written and partly printed ballots or tickets as there are amendments not approved by them, containing, on the inside thereof, the words, "Against the amendment." The electors voting for or against the first amendment shall be considered as voting for or against the proposed fourth section to article three of the Constitution, extending the right of suffrage to soldiers. Electors voting for or against the second amendment shall be considered as voting for or against the proposed eighth section to article eleven of the Constitution; and electors voting for or against the third amendment shall be considered as voting for or against the proposed ninth section to article eleven of the Consitution.

SECTION 2. That the election on the proposed amendments shall, in all respects, be conducted as the elections of this Commonwealth are now conducted, and it shall be the duty of the return judges of the respective counties and district thereof, first having carefully ascertained the number of votes given or against each of the said amendments, in the manner aforesaid, to make out duplicate returns thereof, expressed in words at length, and not in figures, only one of which returns so made shall be lodged in the Prothonotary's office of the Court of Common Pleas of the proper county, and the other sealed and directed to the Secretary of the Commonwealth, and by one of said judges deposited forthwith in the most convenient post office, upon which postage shall be prepaid at the expense of the proper county.

SECTION 3. That the several duties required to be performed by the Sheriffs, Commissioners, Coustables, Judges, Inspectors and all other officers whatever in and about the general elections of this Commonwealth shall be performed by such officers in and about the election herein provided for, and all persons, whether officers or others, shall be liable to the same punishment for the neglect of any duty or the commission of any offence at, in or about the said election, as they would for the neglect of like duty or the commission of like offence at, in or about the general elections of this Commonwealth.

Notice is Hereby Given,

That every person except Justices of the Peace, who shall hold any office or appointment of profit or trust under the Government of the United States, or of this State, or of any city or incorporated district, whether a commissioned officer or agent, who is or shall have been employed under the Legislative, Executive or Judiciary department of this State or the United States, or of any city or incorporated district; and also that every member of Congress, and of the State Legislature, and of the Select or Common Council of any city, or commissioner of any incorporated district, is by law incapable of holding or exercising at the same time the office or appointment of Inspector, Judge, or Clerk of any election of the Commonwealth, and that no Judge, Inspector or any other officer of such election, shall be eligible to any to be then voted for.

Also, in and by the fourth section of an Act approved the 19th of April, 1840, it is enacted that the 15th section of the act passed July 2d, 1839, entitled an act relating to the elections of this Commonwealth, shall not be construed so as to prevent any military officer or borough officer from service as Judge, Inspector or Clerk at any general or special election in this Commonwealth.

And the said act of Assembly, entitled "An Act relating to the elections of this Commonwealth," passed July 2d, 1839, provides as follows:

That the Judge and Inspectors chosen as aforesaid, shall meet at their respective places appointed for holding the election in the districts to which they respectively belong, before 9 o'clock on the morning of the First Tuesday of August, and each of said Inspectors shall appoint one clerk, who shall be a qualified voter of said district.

In case the persons who shall have received the second highest number of votes for Inspector shall not attend on the day of an election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as Inspector in his place; and in case the person who shall have received the highest number of votes for Inspector shall not attend, the present elected Judge shall appoint an Inspector in his place; and in case the person elected Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the Board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward, or district for which such officers shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy.

It shall be the duty of Assessors respectively to attend at the place of holding every general, special or township election, during the time such election is kept open, for the purpose of giving information to the Inspectors and Judges when called on, in relation to the rights of any persons assessed by them to vote at such elections, or such other matters in relation to the assessments of voters as the said inspectors or Judge, or either of them shall from me to time require:

No person shall be permitted to vote at any election, as aforesaid, other than a white freeman of the age of twenty-one years or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, at least ten days immediately preceding such election, and within two years paid a State or County Tax, which shall have been assessed at least ten days before the election. But a citizen of the United States, who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes as aforesaid, shall be entitled to vote after residing in the State six months: Provided, that the white freemen, citizens of the United States, between the ages of twenty-one and twenty-two years, and having resided in the State one year and in the election district ten days as aforesaid, shall be entitled to vote although they have not paid taxes.

No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants furnished by the Commissioners, unless, first, he produce a receipt for the payment within two years, of a State or county tax, assessed agreeably to the Constitution, and gives satisfactory evidence either on his own oath or affirmation or of another, that he has paid such tax, or on failing to procure a receipt, shall make oath of the payment thereof; or second, if he claims a right to vote by being an elector between the age of twenty-one and twenty-two years, he shall depose on oath or affirmation that he has resided in the State at least one year before his application, and make such proof of the residence in the district as is required in this act; and that he does verily believe, from the account given him that he is of the age aforesaid, and gives such other evidence as is required by this act; whereupon the names of the persons so admitted to vote shall be inserted into the alphabetical list by the Inspectors, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid a tax, or the word "age," if he shall be admitted on account of his age, and in either case, the reasons of such votes shall be called out by the clerks, who shall make the like notes in the list of voters kept by them.

In all cases where the name of the person claiming to vote is not found on the list furnished by the Commissioners and Assessor, or his right to vote, whether found there or not, is objected to by any qualified citizen, it shall be the duty of Inspector to examine such persons on oath as to qualification and, if he claims to have resided within the State one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election, and shall also himself swear his bona fide residence, in pursuance of his lawful calling, is within the district for the purpose of voting therein.
