FRIENDS AND RELATIVES RI VE SOLDIERS AND SAILORS. HOLLOWAY'S PILLS And Ointment.

A LL WHO have Friends and Relatives in the Army or Navy, should take especial care that they be amply supplied with those Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide them-selves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need. COUGHS AND COLDS AFFECTING TROOPS

Will be speedily removed and effectually sured by using these admirable medicines, and

by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF APPETITE INCIDENTAL TO SOLDIERS.

These feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These or gans must be relieved, if you desire to be well.

The Pills, taking according to the printed instructions, will quickly a produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good ap-

petite.
WEAKNESS OR DEBILITY INDUCED BY
OVER FATIGUE, Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bow els be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however er deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this fam-

We make special mention of nervous and chronic disease, from the fact that seven tenths of the female patients that are committed to our public Asylums, to be treated for disordered minds, are reduced to that lamentable condition through previous physical disorder. By a well timed and judi-cious treatment of chronic and nervous dis-eases, all physical disorders, in the majority of cases may be removed; and thus the mind, having suffered through the medium of the body will when free from the exciting physical cause, throw off the shackles that

pair the mind to resort to an early and judicious course of remedial agents.
