

TERMS—Two Dollars per annum in advance; otherwise Two Dollars and Fifty Cents will be charged. No paper discontinued until all arrearages are settled.

U.S. 10-40 BONDS

These Bonds are issued under the Act of Congress of March 8th, 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any State or municipal authority.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only on the owner's order.

At the present rate of premium on gold they pay OVER EIGHT PER CENT INTEREST a currency, and are of equal convenience as permanent or temporary investment.

It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payments while for the debt of the United States the whole property of the country is held to secure the payment of both principal and interest in gold.

These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist.

It may be useful to state in this connection that the interest on the United States Bonds which interest is payable in gold, on the 1st day of March, 1864, was \$768,965.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per annum.

Subscriptions will be received by the First National Bank of Pittsburgh, Third National Bank of Pittsburgh, AND BY ALL NATIONAL BANKS, which are depositaries of Public money, and RESPECTABLE BANKS AND AGENTS throughout the country.
