WANTY FAIR

"This is the first really clever comic and satirical journal we have had in America, and really clever it is. It is both sharp and good-tempered, and not afraid to say that its soul is its own - which shows that it has a soul. Our readers will be glad to know that they can find matter in it that has something better in it than mere pot-boilers." - Atlantic Monthly.

"This paper is excellent. Remarkable for originality." - W. Y. Truesler.
"Wanty Fair is conducted by a vigorous, witty and intelligent corps of journalists." - Litchfield (Conn.) Enquirer.

"Will wield as potent an influence as that of the London Punch." - Boston Traveller.
"Whoever finds himself laughing at the wit of 'Wanty Fair,' and does not return a quid pro quo in fit treason, and spoils." - N. Y. Crayon.

SPECIAL NOTICE

The very marked and flattering success which has thus far attended the publication of "Wanty Fair," enables the publisher to announce that with the commencement of the Second Volume, issued this day, 30th June, the Editor, who has been Literary and Artistic, will be introduced, which will increase the value and interest of the paper, and fully maintain the proud position unanimously accorded to it as the leading

WASHER, WRINGER AND STARCHER

Combined Silver and Bronze Medals, Diplomas, Certificates, Premiums, and Testimonials, have been received from various sources, both Public and Private. Self-adjusting and Adjustable. The only Washing and Starching Machine in the world for turning both rolls together and which positively prevents the rolls from breaking or twisting on the shaft. It is not only a perfect Wringer, but the Cog-wheels give it a power which renders it a most Excellent Washer, pressing and separating, as it does, the dirt with the water from the clothes, leaving them dryer, whiter, and smoother than when "wring" by hand. The water can be pressed from large and small articles, easier, quicker, and more thoroughly than by the ordinary old-fashioned back-breaking wringing, straining, and clothes destroying process. The Cog-wheels prevent all "wear and tear" of clothes by the friction of the rolls or breaking of stitches by twisting.

Dr. P. B. Young.

Who has been for some time acting as Surgeon in the Army, having returned and spent some time in the West, and is now in the city of New York, and is prepared to attend to all cases of Nervous Debility, Premature Decay, Spermatorrhea, Consumption, Mental and Physical Debility, Nervous Prostration, Impaired Nutrition of the Body; Leucorrhoea; Weakness of the Limbs and the Back; Indigestion, and Incompetency for study and Labor; Dullness of Apprehension; Loss of Memory; Aversion to Society; Love of Solitude; Timidity; Self-Distrust; Blisters on the Face; Involuntary Emissions; and Sexual Incontinence; the Consequences of youthful Indiscretion, &c. &c. This admirable Lecture clearly proves that the above enumerated, often self-inflicted evils, may be removed without medicine, and without dangerous surgical operations, and should be read by every youth and every man in the land.

FRANCIS AND REMARKS OF THE BRAVE SOLDIERS AND SAILORS HOLLOWAY'S PILLS AND Ointment.

A LITTLE OF THE BRILLIANT SERVICES OF AN ARMY OF NAVY, should take special notice that they be applied with these Pills and Ointment; and where the brave Soldiers and Sailors have been longed to provide themselves with them, no better present can be seen than that of the Pills and Ointment, which are provided to be the Soldier's never-failing friend in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS.

Will be speedily removed and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box. SICK HEADACHES AND WANT OF APPETITE INCIDENTAL TO SOLDIERS.

WEAKNESS OR DEBILITY INDUCED BY OVER FATIGUE.

Will soon disappear by the use of these valuable Pills, and the Soldier will quickly receive additional strength. Never let the bowels be either constipated or unduly acted upon. It may seem strange that Holloway's Pills are recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged and strength renewed. It follows as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

SORES AND ULCERS, Blisters and Swellings.

can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner they will not be cured. The Ointment will be obtained at any of our Agents. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

FOR WOUNDS EITHER OCCASIONED BY THE BAYONET, OR SABRE OR THE BULLET, BORES OR BRUISES.

To which every Soldier and Sailor are liable there are no medicines so safe, sure, and convenient as Holloway's Pills and Ointment. The poor wounded soldier suffering might have his wounds dressed immediately if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then covered with a piece of clean flannel, and kept compressed with a handkerchief. Taking night and morning of 8 Pills, to cool the system and prevent inflammation.

CAUTION.

"None are genuine unless the words 'Holloway, New York and London' are discernible as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the book to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious. Holloway, 80 Market Street, New York, and at all respectable Druggists and Dealers in Medicines, throughout the civilized world, in boxes at 25 cents, 62 cents and \$1 each.
