WHEELER & WILSON'S SEWING MACHINES.

The Best, Most Reliable Sewing Machine, Now in Use!

These Machines make the lock-stich alike on both sides, and use less than half the thread and silks that the single or double thread loop-stitch Machines do. It will Stitch, Hem, Fell, Quilt, Tuck, Plait, Gather, Cord, Braid, etc., all without previous basting; and are better adapted than any other Sewing Machine in use to the frequent changes and great variety of sewing required in a family; or they will sew from one to twenty thicknesses of Marseilles without stopping, and make every stitch perfect; or from the finest gauze to the heaviest beaver cloth, without changing the feed needle or tension, or making any adjustment of machine whatever!

It has the following advantages over all other machines:

Far greater variety of work; beauty and excellence of stitch; speed and quietness of motion; simplicity of construction; ease and management; elegance of design and finish.

These are peculiar facts, and will go far to determine the choice of an intelligent buyer.

Also, in and by the fourth section of an Act approved the 19th of April, 1840, it is enacted that the 13th section of the act passed July 2d, 1839, entitled an act relating to the elections of this Commonwealth, shall not be construed so as to prevent any military officer or borough officer from service as Judge, Inspector or Clerk at any general or special election in this Commonwealth.

And the said act of Assembly, entitled "An Act relating to the elections of this Commonwealth," passed July 2d, 1839, provides as follows:

That the Judge and Inspectors chosen as aforesaid, shall meet at their respective places appointed for holding the election in the districts to which they respectively belong, before 9 o'clock on the morning of the Second Tuesday of October in each and every year, and each of said Inspectors shall appoint one clerk, who shall be a qualified voter of said district.

In case the persons who shall have received the second highest number of votes for Inspector shall not attend on the day of an election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as Inspector in his place; and in case the person who shall have received the highest number of votes for Inspector shall not attend, the present elected Judge shall appoint an Inspector in his place; and in case the person elected Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the Board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward, or district for which such officers shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy.

It shall be the duty of Assessors respectively to attend at the place of holding every general, special or township election, during the time such election is kept open, for the purpose of giving information to the Inspectors and Judges when called on, in relation to the right of any persons assessed by them to vote at such elections, or such other matters in relation to the assessments of voters as the said Inspectors or Judge, or either of them shall from time to time require.

No person shall be permitted to vote at any election, as aforesaid, other than a white freeman of the age of twenty-one years or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, at least ten days immediately preceding such election, and within two years paid a State or County Tax, which shall have been assessed at least ten days before the election. In all cases where the name of the person claiming to vote is not found on the list furnished by the Commissioners and Assessor, or his right to vote, whether found there or not, is objected to by any qualified citizen, it shall be the duty of Inspector to examine such persons on oath as to qualification, and, if he claims to have resided within the State one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election, and shall also himself swear his bona fide residence, in pursuance of his lawful calling, is within the district for the purpose of voting therein.

If any person or persons shall make any bet or wager upon the result of any election within this Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by written or printed advertisement, challenge or invite any person or persons to make such a bet or wager, upon conviction thereof, he or they shall forfeit and pay three times the amount so bet or offered to be bet.

If any person not by law qualified shall fraudulently vote at any election within this Commonwealth, or being otherwise qualified, shall vote out of his proper district, or if any person knowing the want of such qualification, shall aid or procure such persons to vote, the person or persons so offending shall on conviction, be fined in any sum not exceeding two hundred dollars, and be imprisoned for any term not less than three months.

If any person shall vote more than one election district, or otherwise fraudulently fold and deliver to the inspectors two tickets together, with the intention to vote illegally, or shall vote the same, or any person shall advise or procure another to do so, he or they so offending shall, on conviction, be fined in any sum not less than fifty nor more than five hundred dollars, and be imprisoned for any term not less than three nor more than twelve months.

If any person not qualified to vote in this Commonwealth agreeably to law, (except the sons of qualified citizens,) shall appear at any place of election for the purpose of issuing tickets, or of influencing the citizens qualified to vote, he shall, on conviction, forfeit and pay any sum not exceeding one hundred dollars for every such offence, and be imprisoned for any term not exceeding three months.

The Return Judges of the respective Districts in this County, are required to meet at the Court House in the borough of Beaver, on the first Friday after the second Tuesday of October next, then and there to perform the duties enjoined upon them by law.

And by "An Act relating to the Elections of this Commonwealth," passed the 2d day of July, 1839, it is provided and directed as follows:

SEC. 81. When two or more counties shall compose a district for the choice of a member or members of the Senate of this Commonwealth, or of the House of representatives of the United States, or of this Commonwealth, the Judges of the election in each county, having met as aforesaid, the Clerks shall make out a fair statement of all to votes which shall have been given at such election, within the county, for every person voted for, as such member or members, which shall be signed by said Judges and attested by the Clerks, and one of the said Judges shall take charge of such certificate, and shall produce the same at a meeting of one Judge from each county, at such places in such district, as is or may be appointed by law for the purpose; which meeting shall be held on the seventh day after the election.

SEC. 82. The Judges of the several counties have met, as aforesaid, shall cast up the several county returns and made duplicate returns of all the votes given for such office in said district, and of the names of the person or persons elected, and one of said returns, for each office, shall be deposited in the office of the Prothonotary of the Court of Common Pleas of the county in which they shall meet, and the other shall by said Judges be deposited in nearest post office, sealed and directed as in parts two and three of the eighteenth section of this act.

SEC. 83. It shall also be the duty of the Return Judges in every case, to transmit to each of the persons elected to serve in congress, or in the House of Representatives of this Commonwealth, a certificate of his election, within five days after the day of making up such return.

The Return Judges of the several districts aforesaid are requested to meet at the Court House, in Beaver, on the first Friday after the second Tuesday of October next, at ten o'clock, a. m., to perform those things required by law.

NEW BRIGHTON RETREAT.

AN ASYLUM FOR THE RECEPTION, CURE AND TREATMENT OF MENTAL ALIENATION OR DISORDER

And Other Nervous and Chronic Diseases.

EXCLUSIVELY FOR FEMALES.

THIS institution is now open for the reception, care, and treatment of the *independent class* of patients who are laboring under mental derangement; or other nervous and chronic disease. We make special mention of nervous and chronic diseases, from the fact that seven tenths of the female patients that are committed to our public Asylums, to be treated for disordered minds, are reduced to that lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, all physical disorders, in the majority of cases may be removed; and thus the mind, having suffered through the medium of the body, will when free from the exciting physical cause, throw off the shackles that has bound it to worse than midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and wonted excellence. Hence the necessity of all those, who are laboring under the predisposing or exciting causes, calculated in the end to impair the mind to resort to an early and judicious course of remedial agents.

The Institution is a large brick building with a stone basement—four stories high and well ventilated. It is situated on an elevated table land which commands a view of entire town—adjacent hills—groves and neighboring streams; all of which are calculated to produce favorable impressions upon the disordered mind.

The Institution is complete in all of its appointments. Having been tastefully fitted up at great expense, in order that it may meet the approbation and views of the most fastidious.

The water closets and bathing apparatus have been gotten up upon the most approved modern scientific principles. This department embraces not only the ordinary baths but, also, the medicated, warm air and ascending and descending *douche* for the more effectual and successful treatment of cutaneous and other scrofulous diseases.

We beg leave to say to all those who may be disposed to commit the interests of a dear wife, sister or daughter, to our charge—may be assured that no means will be spared or efforts wanting on our part to ameliorate their condition or to effect a restoration to their accustomed health and vigor of mind.

For further particulars send for a circular. All communications should be addressed to.
