These feelings which so sadden us, usually arise from trouble or annoyances, obstructed

perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These or gans must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly a produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good ap-

quire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pilly should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great inlatake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course.
