geologist and savans shake their heads with an unsparing hand. No man,

gravely, and put on their speciacles; with an unsparing manus gravely, and put on their speciacles; rich or poor, can, afford to raise weeds.

He cannot bear to sit or stand, So he heeps moving round ; He has some bauble in his hand Wherever he is found.

He does not care so much to see As to be seen himself; He shows his "pile" to showt hat he Has plenty of the pelf. He vainly borrows many books,

And sends them back unread; There is more knowledge in his looks Than there is in his head. He sports a chain of purest gold

Across the richest vest ; And wet or dry, or hot or cold. He wears his "Sunday best."

His coat is in the latest cut-His pants was made to suit; Is pride is less about his foot, And more about his boot.

He goes po parties and to balls-Is always dressed to kill; lie is a bore at "making calls." Receive him as you will.

He goes to see the proudest girls ; From all that we have heard, his to praise their pretty curls, And hear them praise his beard. He goes to meeting always late, Takes always a front pew : lle puts as much upon the plate

In hats his V's very fast, And blusters so about. Yeu would not think it was the last Idat he was pulling out.

He snot profane because sometimes lle swears before he thinks; Nor does he think less of his dimes Because he chews and drinks.

lie may be of a noble race, As far back as the flood : But he is prouder of his face Than he is of his blood. You must not trust him as a friend. Nor fear him as a foe ;

e's fashioned for no other end -Than fupery and show. Without a friend, without a foe, Of him it may be said. That he shall take his place below. umbian Spy.
