daligntial com-The most popular Monthly in the World.

W York Observer.

We must refer in terms of energy to the gigh tone and varied excellent of harren's hagazus — journal with a monthly circulation of about 170,000 gordes—in whose pages it's to be found some of the choicest light and tors announced their DETERMINATION to present reading of the day. We speak of this which should render the paper MORE THAN the popularity it has acquired is merited. Each number contains fully 141 pages of reading matter, appropriately illustrated with good wood-cuts; and it combines in itself the facy monthly and the more philosophical guarterly, blended with the best features of cessful. the daily. It has great power in the dissem-nation of a love of pure literature.—TRUB-SER'S Guide to American Literature, London.
