The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and betome ulcerous sores; in the stomach and bowels, derangements which produce indigestion; dyspepsia, and liver complaints; out the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz.; purification and invigoration of the blood. Furify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh," boatty, you cannot have scroulous diseases. healthy, you cannot have scrofulous discase Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far supe-rior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaint is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil. or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum. Scald Head, Coughs from tuberculous deposits in the lungs. White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Remale Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in Aver's Aventes. ALMANAC, which is furnished to the druggists for artificous distribution, wherein may be fearned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those bases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal resultthan are healthy constitutions. Hence tends to shorten, and does greatly shorten the everage duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we so offer to the public under the name of Arki's oner to the public under magnine of NYAR & SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterntive power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood purge out the causes of disorders. in the blood, purge out the causes of disease; and vigorous health will follow. By its pecuhar virtues this remedy stimulates the vital functions, and thus expels the distemper which lurk within the system or burst out;

on any part of it.
We know the public have been deceived by many compounds of Sarsapasilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abunits surpassing excellence for the cure of the afflicting diseases it is intended to readle. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effeetual than any other which has ever been available to them.
