We must refer in terms of eulogy to the igh tone and varied excellent of HABPER'S AGAZINE—a journal with a monthly circulaion of about 170,000 copies—in whose pages for to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the American People: and the popularity it has acquired is merited Bach number contains fully 144 pages of reading matter, appropriately illustrated with od wood-outs; and it combines in itself the racy monthly and the more philosophical puriterly, blended with the best features of the daily. It has great power in the dissem-ination of a love of pure literature.—Taun-ina's Guide to American Literature, London.
