# THE BEAVER ARGUS

MAY 3d, 1865.

## LOCAL and MISCELLANEOUS

### NOTICE.

ALL persons knowing themselves indebted to me for subscription to the Beaver *Argus*, prior to Jan. 1st, 1865, will please call and pay up at once if they wish to save cost. Joseph M'Clure is authorized to receive and receipt for the same. D. L. IMBRIE.

### New Advertisements.

We direct the attention of our readers to the following new advertisements:

County Treasurer's notice to tax payers.

Orphans' Court Sale; estate of S. Marker, dec'd.

Smith's Ferry and Little Beaver Petroleum Company.

Hamilton M'Kenzie offers valuable real e tate for sale.

Auditor's notice; estate of Jackson Whisler, dec'd.

Orphan's Court Sale; estate of D. W. Horner, dec'd.

Normal Musical Class.

A. C. Hurst offers a reward of $100 for arrest of thief, etc.

Executor's notice; estate of Clement Ehrman, dec'd.

☞ To CANDIDATES—We have already received the names of several gentlemen for announcement as candidates for nomination before the Union Convention shortly to meet in this county. For the benefit of others who may desire to be announced, we mention that our rates are for announcement for Assembly or Treasurer, $5; District Attorney or Commissioner, $3; Coronor or Auditor, $2; Poor House Director, $1. The money must in every case accompany the card for announcement.

☞ We are under obligations to Col. J. W. Forney, Secretary Senate of the United States, for valuable public documents.

Also to J. R. Imbrie, for New York papers, and some unknown friend for a copy of the first daily issued in Raleigh after its occupation by our troops.

☞ We announced last week that Chamberlin White, of Beaver County, was married April 20th, to Miss Martha Crawford, of Lawrence county—The lady's name was Miss Martha Bowers, of New Castle. The mistake did not originate with us.

BE CAREFUL.—An exchange states that there is more danger attending the blowing out of kerosene lamps from the top than many people suppose. Several instances are recorded in which lives have been lost, or severe and permanent bodily injury inflicted, by the explosion of lamps from this practice. The following explanation of the causes producing such explosions are well worth heeding:

1st. The oil in the lamp is generally low, leaving more room for gas.

2d. The gas is very inflammable, and will always explode when ignited.

3. In blowing the blaze down, it is liable to ignite the gas.

☞ By a recent act of Assembly the terms of Court in this county commence on the third Monday of March, first Monday of June, first Monday of September, and second Monday of November.

☞ In obedience to the order of the Secretary of War, Provost Marshals are discharging their employees, and Provost Marshal's offices are deserted. This is a happy state of affairs. Drafts and rumors of drafts alarm the timid no more. We presume that by the first of June all Provost Marshals, Commissioners, and Surgeons of the Boards of Enrollment will be discharged, and civilians will be no longer responsible to military law. Captain Cuthbertson, with commendable promptitude, at once discharged all clerks, &c., in his employ, not actually necessary in closing up the business of the office.

☞ We call the attention of Teachers of Vocal and Instrumental music, and all desiring to cultivate the voice and acquire a knowledge of Harmony and Musical Composition, to the advertisement of the Normal Musical Class, in Beaver. Prof. Johnson is one of our very best composers, is the author of a superior work on Thorough Base, and is most skillful in imparting his knowledge.

This strikes us as the true way to get a knowledge of the science of music, to give it the whole attention.—We are willing to believe that a person will learn more of this science, and secure a higher degree of cultivation for the voice in four weeks in this way than in attending singing schools a life time.

### Obituary

On the 16th of April, was conveyed to its final resting place, the remains of Mr. JACOB J. LYON, a soldier of the 100th Reg't, P. V. V. He was killed March 25th, during an engagement with the enemy in front of Petersburg, while nobly doing his duty.—The deceased was in the 25th year of his age. He, truly, has fallen for his country. When the dark cloud of Rebellion burst over our country he was one among the first to respond to her call. He enlisted and remained in the service until, through hardships and exposure, disease forced itself upon him, when he was honorably discharged. He returned home and there remained until the Spring of 1864, when our country again asked for help. The appeal was too earnest for his loyal heart to resist. He again volunteered and remained in the service until a ball from the enemy pierced his heart. He now lies by the side of his soldier brother, who died from disease contracted in the army. Two heroes lying in the grave side by side. Their parents and friends truly merit the sympathy they will ever receive from the hearts of their grateful countrymen.

Another Soldier gone to rest:
One more among the fallen brave;
The traitor pierced his gallant breast,
We'll plant the Myrtle on his grave.

We share the sorrow and the grief
Of those who mourn the hero slain.
While thinking of his life so brief,
Who could in coldness still remain?

And while we weep our fallen friends,
That sleep beneath the cold damp sod,
We think how soon this frail life ends,
And hope for comfort with our God.

Then let us not with mournful tears,
Disturb the warrior's peaceful rest,
But hope to meet in future years,
In Heaven with the good and blest.

## Ayer's SARSAPARILLA,

FOR THE SPEEDY CURE OF

Scrofula and Scrofulous Diseases

*From Emery Eden, a well-known merchant of Galena, Illinois.*

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed to effect as radical a cure as it claimed to do. Your remedy does it. As fast as our people try it, they praise it. It has been so medicine like it before in our community.

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

*From Rev. Robt. Stratton, Bristol, England.*

"I only do my duty to you and the public when I add my testimony to that you publish of the Medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her eyes, and had for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well *for some months.*"

*From Mrs. Jane E. Rice, a well-known and esteemed lady of Deantsville, Cape May Co., N. J.*

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

*From Charles P. Gage, Esq., of the well-known firm of Gage, Murray & Co., manufacturers of fine-tinted papers in Nashua, N. H.*

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as my body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

*From Dr. Robt. Sawin, Houston St., New York.*

"DR. AYER:—I seldom fail to remove *Eruptions* and *Scrofulous Sores* by the persevering use of your SARSAPARILLA, and I have just now cured an attack of *Malignant Erysipelas* with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

*From J. S. Johnston, Esq., Wakeman, Ohio.*

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

*From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.*

"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

*From Harvey Stelzler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.*

"One only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had no hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood pronounced that the child must die."

Syphilis and Mercurial Disease.

*From Dr. Hiram Stout, of St. Louis, Missouri.*

"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of *Syphilis* and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

*From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.*

"DR. AYER:—My dear Sir: I have found your SARSAPARILLA an excellent remedy for *Syphilis*, both of the *primary* and *secondary* type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

*Mr. Chas. S. Van Liew, of New Brunswick, N. J.,* had dreadful ulcers on his legs, caused by the abuse of mercury, or *mercurial disease,* which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness, are generally produced by internal *Scrofulous Ulceration,* and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the direct application of local remedies.

*From the well-known and widely celebrated Dr. Jacob Merrell, of Cincinnati.*

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

*A lady, unwilling to allow the publication of her name, writes:*

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."
