THE
PITTSBURGH COMMERCIAL.

Published Daily by
The Pittsburgh Newspaper and
Printing Company.

One of the Largest and Most Widely
Circulated Papers in the State.
Gives the Earliest and
Fullest Intelligence.

Prospectus for the New Year.
On assuming control of the Commercial, at
the commencement of the year, the conduc-
tors announced that they were about to in-
fuse a new life and vigor into its columns
which should render the paper MORE THAN
EVER ACCEPTABLE TO THE READER.

The Rapid increase in Circulation, testifying
of our coast-patriotism and the
general utility of the paper, we are glad to
assure you that our efforts have not been un-
successful.

The Commercial HAS GROWN DAILY in
public favor, and is now ranking among the
LEADING JOURNALS in the country.
In order to keep pace with the demands of
the reading public, and at the same time meet
the increasing pressure on our advertising
columns, we some months since INCREASED
THE DIMENSIONS OF THE PAPER TO
THE EXTENT OF FOUR COLUMNS.

Among the leading features are a reliable
TELEGRAPHIC REPORTS;
from all the leading points of interest. It
devotes special attention to the

MARKET REPORTS,
including the IRON, OIL, CATTLE, LUM-
BER, TOBACCO, and the PITTSBURGH
GENERAL MARKETS. Our

FIVE NEWS
receives particular attention, and in this De-
partment the Commercial has no rival. The
FINANCIAL AND STOCK REPORTS,
of the Commercial are prepared with care and
will be found to be unusually full and reli-
able. Also, the Reports of THE COUNTRY,
EMBRACING REPORTS OF THE DRY GOODS and
WHOLESALE MARKETS, and Special Re-
ports of OIL STOCK FINANCE AND TRADE,

from day to day.
Special attention will be given to
these several Departments, the Commercial
lays claim to rank among the leading journals
of the country as a medium of
GENERAL INTELLIGENCE.

Its aim is to give more than healthy reading
matter to the business and professional
classes, and to the discriminating public.

THE PULPIT
forms a peculiar feature of the Commercial.
By giving every Sabbath an ORIGINAL Ser-
mon, prepared expressly by a Minister of the
 Gospel in Pittsburgh, which, al-
so, goes into the weekly, fifty-two discourses
are given in the year, by not less than twenty
or thirty different Ministers, without re-
gard to denominational distinction. These De-
partments of the Commercial are of a well-
known and recognized importance and value.
As a feature of once novel and instructive, it
constitutes not the least of the many claims
of the Commercial to patronage.

In politics the Commercial will be an un-
wavering supporter of the Union, and earnestly
loyal to the Government, and as far as
consistent with this aim, free from Partisan-
ship.

The Commercial is a large folio sheet, and is
published in two editions every morning, Sun-
day excepted.

TERMS OF DAILY: by mail, \$10 per annum;
City subscribers, carried by carriers, \$18 per
annum, in advance, or 25 cents per week, pay-
able to the carrier, Single copies 5 cents. A

NEW BRIGHTON RETREAT
AN ASYLUM FOR THE RECEPTION
OF MENTAL
ALIENATION OR
DISORDER

And Other
Nervous and Chronic Diseases.
EXCLUSIVELY FOR FEMALES.

THIS Institution is open for the reception
and treatment of the independent
class of patients who are laboring under
mental derangement or other nervous and
chronic disease. We make special mention of
nervous and chronic diseases, from the fact
that seven tenths of the female patients who
are committed to our public Asylums, are
treated for disorders of the mind, and are re-
duced to that lamentable condition through
previous physical disorder. By a well timed and judi-
cious treatment of chronic and nervous dis-
eases, all physical disorders, in the majority
of cases may be removed; and thus them-
selves having suffered through the medium of
the body will when free from the exciting
physical cause, throw off the shackles that
have bound it to weakness, and by the aid of
reason will, once more, resume its sway
clothed in all its primitive beauty and wondrous
excellence. Hence the necessity of all those,
who are laboring under the predisposing or
exciting causes, and in the end to im-
pair the mind to resort to an early and
judicious course of remedial agents.

The Institution is a large brick building
with a stone basement—four stories high and
well ventilated. It is situated on an elevated
table land within one and a half miles of
town—adjacent hills—groves and neighboring
streams; all of which are calculated to pro-
duce favorable impressions upon the disorder-
ed mind.

The Institution is complete in all of its ap-
pointments. Having been tastefully fitted up
at great expense, in order that it may meet
the approbation and views of the most fastid-
ious.

The water closets and bathing apparatus
have been gotten up upon the most approved
modern scientific principles. This department
embraces not only the ordinary bath, but
also, the medicated, warm air and ascending
and descending douches for the more effectual
and successful treatment of cutaneous and
other scrofulous diseases.

We beg leave to say to all those who may be
disposed to commit the interests of a dear
wife, sister or daughter, to our charge—we
are assured that no means will be spared or
efforts wanting in our power to ameliorate the
condition or to effect a restoration to their ac-
customed health and vigor of mind.

ALL WHO have Friends and Relatives in the
Army or Navy, should take special care
that they are amply supplied with these Pills
and Ointment; and where the brave Soldiers
and Sailors have not, provide them-
selves with them, no better present can be sent
them by their friends. They have been pro-
ved to be the Soldier's never-failing friend in
the hour of need.

COUGHS AND COLDS AFFECTING TROOPS
Will be speedily removed and effectually
cured by using these admirable medicines, and
by paying proper attention to the Directions
which are attached to each Pot of Box.

HICK HEADACHES AND WANTS OF APPE-
TITE INCREASED BY SOLDIERS, are
These feelings which so sadden us, usually
arise from trouble or annoyance, obstructed
perspiration, or eating and drinking whatever
is unwholesome, thus disturbing the healthful
action of the liver and stomach. These or-
ders must be relieved, if you desire to be well.

The Pills, taken according to the printed in-
structions, will quickly produce a healthy ac-
tion in both liver and stomach, and a
natural consequence a clear head and good ap-
petite.

WEAKNESS OR DEBILITY INDUCED BY
OVER FATIGUE,
Will soon disappear by the use of these in-
valuable Pills, and the Soldier will quickly ac-
quire additional strength. Never let the bow-
els be either relaxed or constipated.

To which every Soldier and Sailor are liable
there are no medicines so safe, sure and con-
venient as Holloway's Pills and Ointment. The
poor wounded and almost dying sufferer might
have his wounds healed immediately, if his
wounds were treated with this medicine.

Every Soldier's knapsack and Seaman's
chest should be provided with these valuable
Remedies.

CAUTION.—None are genuine unless
the words "Holloway, London" are
discernible as a water-mark in every leaf
of the book of directions around each pot or
box; the same may be plainly seen by holding
the leaf to the light. A handsome reward will
be given to any one possessing such informa-
tion as may lead to the detection of any party
or parties counterfeiting the medicines or ven-
ding the same, knowing them to be spurious.

THE LONDON QUARTERLY REVIEW (Conserv-
ative), THE EDINBURGH REVIEW (Whig),
THE WESTMINSTER REVIEW (Radical),
THE NORTH BRITISH REVIEW (Free-Church),
AND
BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The American Publishers continue to re-
print the above-named periodicals, but as the
cost of printing has doubled, the price of each
copy, per largely increased, and they are compelled
to advance their terms as follows:

TERMS FOR 1865.
For any one of the Reviews..... \$4.00
For any two of the Reviews..... 7.00
For any three of the Reviews..... 10.00
For any four of the Reviews..... 12.00
For Blackwood's Magazine..... 4.00
For Blackwood and any one Review..... 7.00
For Blackwood and any two Reviews..... 10.00
For Blackwood and three Reviews..... 13.00
For Blackwood and the four Reviews..... 15.00

The above will be sent on a greatly im-
proved quality of paper, and while nearly all
American Periodicals are either advanced in
price or reduced in size—and very generally
both—we shall continue to give faithful copies
of all the magazines contained in the original
editions. Hence, our present prices will be
found as cheap, for the amount of matter fur-
nished, as those of any of the competing pe-
riodicals in this country.

Compared with the cost of the original edi-
tions, which at the present premium on gold
would be about \$100 a year, our prices (\$15)
are exceedingly low. Add to this the fact that
we make our annual payments to the British
Publishers for early sheets and copyright in
Great-Britain, and at this time (Jan. 1865)
nearly all the currency—and we trust that
in the state we have adopted we shall be
justly justified by our subscribers and the
reading public.

The interest of these Periodicals to Ameri-
can readers is rather increased than dimi-
nished by the articles they contain on our
Civil War, and though sometimes tinged with
prejudice, they may still, considering their
great ability and the different stand-points
from which they are written, be read and
studied with profit by the people of this
country, of every creed and party.

THE FOUR REVIEWS FOR 1863.
A few copies of the above remain on hand,
and will be sold at \$6 for the whole four, or
\$2 for any one.

BEAVER
ACADEMY

THE Spring Term of this Institution will
commence
Tuesday, April 4th, 1865,
under the charge of
Messrs. F. AQNEW & M. GANTZ,

as Associate Principals.

It is the desire, and will be the aim, to make
this a thorough English, classical and liter-
ary school, and to sustain the high char-
acter it has had heretofore.

To those who desire a good English educa-
tion, and to those who have been or con-
template teaching in our public schools, in-
duced by the fact that the latter of these
Principals, for the last twelve years, has
been Principal of New Castle Union School.

Both are graduates of different colleges,
and well acquainted with the wants of our
higher institutions. Persons, therefore, who
desire to send their children to college, will find
a suitable and desirable place.

The former having been for some time con-
nected with the Iron City College, as a prin-
cipal teacher, and the latter also being a gra-
duate of Dan's College, advantages superior to
those of any of the Commercial colleges are
offered to those desiring a business education.

Our new Academy Buildings, designed ex-
pressly for the purpose, with large school-
room, class rooms, society hall, etc., are now
occupied, though the latter of these are not
yet ready, however, to have them wholly so at
an early day.

For rates of tuition, &c., send for circular.
Address the Principals at the undersigned.

Critical Notices of the Press.
It is the foremost Magazine of the day—
the favorite of the cultured and the brilliant
of the million a more enterprising,
friend, than Harper's Magazine.—Methodist
Prentiss (Baltimore).

The most popular Monthly in the World.—
The New York Observer.
It is a most interesting volume of essays to the
high tone and varied excellence of HARPER'S
MAGAZINE—a journal with a monthly circula-
tion of about 170,000 copies—in whose pages
are to be found some of the choicest light and
general reading of the day. To speak of this
Magazine as an article of the American People;
and the popularity it has acquired is merited.
Each number contains fully 144 pages of
reading matter, appropriately illustrated with
good wood-cuts; and it combines in itself the
racy, novelty, and the more philosophical
of the daily. It has great power in the dissem-
ination of a large volume of pure literature.—Tru-

of our contemporaries, in support of the
value of this Magazine, is given in every

Are Dr. Hurd's Preparations Good?
The best evidence that they are is that their
firmest friends and best patrons are those who
have used them longest.

Dr. Wm. B. Hurd is
an eminent Dentist of Brooklyn, Treasurer of
the New York State Dental Association, and
these preparations have been used in his pri-
vate practice for years, and no leading clinics
of Brooklyn or Williamsburg question their
excellence, while eminent Dentists of New
York recommend them as the best known to
the profession, without the aid of adver-
tising. Dealers have sold them by the gross,
and editors of the Brooklyn Daily Express
write:

"We are happy to know that our friend, Dr.
Hurd, is succeeding beyond all expectations
with his MOUTH WASH and TOOTH POW-
DER. The great number of orders for these
with the fact that his articles are positively
they are represented to be, as we can testify
from their long use."

The well known P. T. Barnum writes: "I
found your TOOTH POWDER so good that I
immediately ordered a quantity. It is the best
preparation for the teeth we have ever used. I
shall feel obliged, if you will send me another
supply at the Museum at your convenience, with
bills."

But their cost is so small that every one
can test the matter for himself.

Beware of the ordinary Tooth Pow-
der. Dr. Hurd's Tooth Powder contains
