

THE BEAVER ARGUS
SEPTEMBER 6th, 1865.
LOCAL and MISCELLANEOUS.
THE WELTH ANNUAL FAIR
of the
Beaver Co. Agricultural Society,
will be held at
BEAVER, Pa.,
Wednesday, Thursday & Friday,
Oct. 4th, 5th and 6th, '65.
The competition not confined to citizens of
Beaver Co.
If the editor of the Local
under the penal laws of
the Commonwealth, a man may be
sued for libel?
There will be a soldiers' picnic
on the Ground on Thursday. The
Cornet Band from Pitts-
burgh will be in attendance. Soldiers
are invited.
The Whiskey seized by the Col-
lector of this District from John Dear,
of Beaver, was sold last week by
J. Marshall, together with the Distil-
lery. The whiskey brought \$2,25
and the still \$100.
Walter Shultz, committed to
the County Jail, was not charg-
ed with anything as the Local has it,
but with obtaining goods on false pre-
tenses from Robert Dunlap, of Dar-
rington.
The High School.—Welcome
to a flourishing condition.
Over fifty students are in attendance.
Prof. A. C. Carter, graduate of West-
ern College, and a fine scholar and
teacher, principal, and Prof. Pat-
erson, assistant. Students can enter at
any time. Next session opens in No-
vember.
BEAVER SEMINARY AND MUSICAL
SOCIETY.—We call attention to the
opening of this Institution next week.
It is well fitted to say that it will
facilitate the organization of
school, and conduce to the inter-
est of the pupils, if all who intend to
will be present at 9 o'clock next
day morning. Will parents and
friends look to this matter?
The Washington Review and the
Editor will be consolidated on the
1st of October, thus leaving but one
emancipatory paper in Washington
county. The arrangement is a good
one for the editors, and as both were
very violent partisan sheets the
consolidation will be nothing by the consol-
idation.
We call the attention of our
readers to the advertisement of James
Barber, in another column. He
is a number of years the proprietor
of the Beaver, and is now entitled
to a share of the fair share of the
business of the place. He is an ex-
cellent Barber, as all his old customers
will testify.
There is quite a large at-
tendance at Court, this week, owing
to the large amount of criminal busi-
ness on the list. We understand there
will be over thirty indictments for
burglary to pass upon, beside a
number of criminal cases laid over
for next term. By special order of
Court, the criminal business was
set up on Tuesday. The civil list
was continued until next term.
The burnt district of
this about to be rebuilt. M. T. Ken-
edy, Esq., has his keg factory nearly
ready to resume operations. The
mill and lumber yard site of
Kennedy & Duff has been
renewed by Miner, Son & Co., and
the work of clearing away the rub-
bish preparatory to re-building, has
begun in good earnest. It is the in-
tention of this company to erect a
saw and planing mill at the
earliest day possible.
A man by the name of Stephens
was severely injured a few days since
at the Vinton Limestone Quarry, by
falling in of the bank. His head
was badly cut and his ankle joint dis-
located, the bone being thrown for-
ward and on to the middle of the foot—
McKinney was called in and set
the bone and dressed his wounds. For
some time it was thought he could not
live, but we understand he is now do-
ing well, and will most probably re-
cover.

THE Pitthole and Oil City Rail-
road is progressing finely. Between
four and five hundred hands are en-
gaged on it, and a considerable dis-
tance is already finished and ready
for the iron. The road will be finish-
ed from the United States well to the
mouth of Pitthole, a distance of six
miles, in ninety days from its com-
mencement.
One of the latest amusing fic-
tions represents Jenkins, the Phoenix
bank defaulter, as greatly depressed
in spirits at the insignificance of his
fraud compared with that of Ketchum.

New Brighton Items.
Musio Stroz—Ferdinand A. Win-
ter, late leader of the 5th Heavy Ar-
tillery band, has opened a neat and
well furnished establishment on Broad-
way, opposite the Presbyterian church,
where he is prepared to supply his
friends with the latest issue of popu-
lar Sheet Music, choice Musical In-
struments, first class Stationery, etc.,
at lowest prices. He will also teach
Instrumental Music to a limited num-
ber of scholars, having for this pur-
pose a neatly furnished Music Parlor
adjoining his store. See his card in
this paper.
Burgess.—The opposition which
forced M. S. Johns, Esq., to resign, on
account of alleged illegality in his
election last winter, gained nothing
but defeat for their trouble, as will be
seen by the following result of the
election held last week:
M. S. Johns, Rep., 138.
S. Hunter, Dem., 66.
John's majority, 72.
STEALING FRUIT.—T. Jones, a boat-
man, in passing the fruit garden of
Mr. C. Coale one day last week, took
the liberty to help himself to some
grapes, for which he was soon arraign-
ed before Burgess Johns, fined one
dollar and costs, upon the payment
of which he was discharged, remark-
ing, however, before leaving the office,
"That was a d—d, dear bunch of
grapes." You're right, Jones, don't
take them next time you're tempted.
HORSE THIEF CAUGHT.—Geo. Mer-
ford, of Lawrence county, hired a
horse and buggy from James Edgar,
of New Brighton, on Friday evening,
August 25th, to drive a mile below
Beaver. A few hours afterwards Mr.
Edgar heard of him on the road to
New Castle, and believing he intend-
ed to drive off with his horse and bug-
gy, he, in company with Detective
Taylor, formerly of the Provost Mar-
shal's office, gave chase, and succeeded
in arresting him near Sharon, in Mer-
cer county, concealed in a coal bank,
and recovering his property. Mer-
ford is now in jail awaiting trial. It
is said this is not his first offence,
and that his father is a respectable farmer
of Lawrence county.
A religious revival is now going
on in the Cleveland jail. Prayer
meetings are held daily, and all the
prisoners, the murderer Hughes in-
cluded, have signed the temperance
pledge. A young lady superintends
the work.

BRITISH PERIODICALS.
THE LONDON QUARTERLY REVIEW (Conserv.)
THE EDINBURGH REVIEW (Whig)
THE WESTMINSTER REVIEW (Radical)
THE NORTH BRITISH REVIEW (Free-Church)
AND
BLACKWOOD'S EDINBURGH MAGAZINE (Tory)
The American Publishers continue to re-
print the above named periodicals, but the cost
of printing has doubled, the price of pa-
per nearly trebled, and taxes, duties, license,
etc., largely increased, they are compelled to
advance their terms as follows:
TERMS FOR 1865.
For any one of the Reviews \$4.00
For any two of the Reviews 7.00
For any three of the Reviews 10.00
For Blackwood and the four Reviews 12.00
For Blackwood and one Review 7.00
For Blackwood and any two Reviews 10.00
For Blackwood and three Reviews 13.00
For all four of the Reviews 15.00
The works will be printed on a greatly im-
proved quality of paper, and while nearly all
American Periodicals are either advanced in
price or reduced in size—and very generally
both—we shall continue to give full copies
of all the works contained in the original
editions. Hence, our present prices will be
found as cheap, for the amount of matter fur-
nished, as those of any of the competing pe-
riodicals in this country.
Consent with the cost of the originals, ed-
itions, which at the present premium on gold
would be about \$100 a year, our prices (\$53) are
exceedingly low. Add to this the fact that
we make our annual payments to the British
Publishers for early sheets and copyright, in
advance, and we are enabled to sell the same
nearly \$2.50 in currency—and we trust that
in the scale we have adopted we shall be en-
tirely justified by our subscribers and the
reading public. These Periodicals to Ameri-
can readers is rather increased than di-
minished by the articles they contain on our
Civil War, and though sometimes tinged with
prejudice, they may still, considering their
great ability and the different stand points
from which they are written, be read with
studied advantage by the people of this
country, of every creed and party.
THE FOUR REVIEWS for 1863.
A few copies of the above remain on hand,

I have sold large quantities of your SARSAPARILLA, and have just now cured an ob-
stinate case of Scrophulous Disease, which had
defeated every other medicine, and which had
been a long time in the system. I have
now a new method of preparing it, which
I only do my duty to you and the public.
I add my testimony to the value of the me-
dical virtues of your SARSAPARILLA. My doc-
tor, aged ten, had an attack, which he had
over and over again, and he was cured by
your SARSAPARILLA. I have
been well for some time.
