Self-Adjusting and Adjustable! The only Wringer with the Patent Cog-Wheel Regulator, for turning both rolls together and which positively prevents the rolls from breaking or twisting on the shaft. It is not only a perfect Wringer, but the Cog-wheels give it a power which renders it a most Excellent Washer pressing and separating, as it does, the dirt with the water from the clothes, leaving them dryer, whiter, and smoother than when "wrung" by hand. The water can be pressed from large and small articles, easier, quicker, and more thoroughly than by the ordinary, old-fashioned back-breaking, wrist-straining, and clothes destroying process.—The Cog-wheels prevent all "wear and tear" of clothes by the friction of the rolls or breaking of stitches by twisting.

Without Cog-wheels, the whole strain of forcing the cloth through the Machine is put upon the lower roll, and the cloth is made to act in the place of Cog-wheels, to drive the upper roll, causing a much greater strain upon the lower roll than when Cog-wheels, with our Patent Regulator, are used, besides the extra strain upon the cloth. WHEELER & WILSON'S SEWING MACHINES,

The Best, Most Reliable Sewing Machine Now in Use!

These Machines make the lock-stich alike on both sides, and use less than half the thread and silks that the single or double thread loop-stitch Machines do. It will Stitch, Hem, Fell, Quilt, Tuck, Plait, Gather, Cord, Braid, etc., all without previous basting; and are better adapted than any other Sewing Machine in use to the frequent changes and great variety of sewing required in a family; or they will sew from one to twenty thicknesses of Marseilles without stopping, and make every stitch perfect; or from the finest gauze to the heaviest beaver cloth, without changing the feed needle or tension, or making any adjustment of machine whatever!

It has the following advantages over all other machines:

Far greater variety of work; beauty and excellence of stitch; speed and quietness of motion; simplicity of construction; ease and management; elegance of design and finish.

These are peculiar facts, and will go far to determine the choice of an intelligent buyer.

THE PITTSBURGH COMMERCIAL.

Published Daily, by

The Pittsburgh Newspaper and Printing Company.

One of the Largest and Most Widely Circulated Papers in the State.

Gives the Earliest and Fullest Intelligence.

Prospectus for the New Year.

On assuming control of the *Commercial*, at the commencement of the year, the conductors announced their DETERMINATION to infuse a *new life and vigor* into its columns which should render the paper MORE THAN EVER ACCEPTABLE TO THE READER.

The Rapid Increase in Circulation, flattering notices of our contemporaries, and Congratulatory Letters from every quarter, assure us that our efforts have not been unsuccessful.

The *Commercial* HAS GROWN DAILY in public favor until it now ranks among the LEADING JOURNALS in the country.

In order to keep pace with the demands of the reading public, and at the same time meet the increasing pressure on our advertising columns, we some months since INCREASED THE DIMENSIONS OF THE PAPER TO THE EXTENT OF FOUR COLUMNS.

Among the leading features are full and reliable

TELEGRAPHIC REPORTS,

from all the leading points of interest. It devotes special attention to

MARKET REPORTS,

including the IRON, OIL, CATTLE, LUMBER, TOBACCO, and the PITTSBURGH GENERAL MARKETS. Our

RIVER NEWS,

receives particular attention, and in this Department the *Commercial* has no rival. The

FINANCIAL AND STOCK REPORTS,

of the *Commercial* are prepared with care and will be found to be unusually full and reliable. Also, the Reports of the

LEADING MARKETS OF THE COUNTRY,

embracing reports of the DRY GOODS and WHOLESALE MARKETS, and Special Reports of OIL STOCK FINANCE AND TRADE, from day to day.

While special attention will be given to these several Departments, the *Commercial* lays claim to rank among the leading journals of the country as a medium of

GENERAL INTELLIGENCE.

Its aim is to give none but healthy reading suited to the FAMILY CIRCLE, and to be a welcome visitor to the discriminating public.

THE PULPIT

forms a peculiar feature of the *Commercial*. By giving every Saturday an ORIGINAL SERMON, prepared expressly by a Minister of the Gospel, in Pittsburgh or vicinity, (which, also, goes into the weekly,) fifty-two discourses are given in the year, by not less than twenty or thirty different Ministers, without regard to denominational distinction. This Department of the *Commercial* has attracted much attention; and arrangements are being made to increase its recognized importance and value. As a feature at once novel and instructive, it constitutes not the least of the many claims of the *Commercial* to patronage.

In politics the *Commercial* will be an undeviating supporter of the Union, and earnestly loyal to the Government, and as far as consistent with this aim, free from Partizanship.

The *Commercial* is a large folio sheet, and is published in two editions every morning, Sunday excepted.

TERMS OF DAILY: by mail, $10 per annum; City subscribers served by carriers, $13 per annum, in advance, or, 25 cents per week, payable to the carrier. Single copies 5 cents. A discount made to Agents.

THE SATURDAY COMMERCIAL—A large sheet, containing all the Current News, Miscellaneous, Literary, and Scientific Intelligence, and Valuable Reading for the Family, is published at $1.50, (52 issues,) per year. In Clubs of Twenty, $1.

The Monday Weekly and Daily must always accompany the order and in no instance can these terms be deviated from.

NEW BRIGHTON RETREAT

AN ASYLUM FOR THE RECEPTION, CURE AND TREATMENT OF MENTAL ALIENATION OR DISORDER

And Other

Nervous and Chronic Diseases,

EXCLUSIVELY FOR FEMALES.

THIS institution is now open for the reception, care, and treatment of the *independent class* of patients who are laboring under mental derangement, or other nervous and chronic disease. We make special mention of nervous and chronic diseases, from the fact that seven tenths of the female patients that are committed to our public Asylums, to be treated for disordered minds are reduced to that lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, all physical disorders, in the majority of cases may be removed; and thus the mind, having suffered through the medium of the body will, when free from the exciting physical cause, throw off the shackles that has bound it to worse than midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and wonted excellence. Hence the necessity of all those, who are laboring under the predisposing or exciting causes, calculated in the end to impair the mind to resort to an early and judicious course of remedial agents.

The Institution is a large brick building with a stone basement—four stories high and well-ventilated. It is situated on an elevated table land which commands a view of entire town—adjacent hills—groves and neighboring streams; all of which are calculated to produce favorable impressions upon the disordered mind.

The Institution is complete in all of its appointments. Having been tastefully fitted up at great expense, in order that it may meet the approbation and views of the most fastidious.

The water closets and bathing apparatus have been gotten up upon the most approved modern scientific principles. This department embraces not only the ordinary baths but, also, the medicated, warm air and ascending and descending *douche* for the more effectual and successful treatment of cutaneous and other scrofulous diseases.

We beg leave to say to all those who may be disposed to commit the interests of a dear wife, sister or daughter, to our charge—may be assured that no means will be spared or efforts wanting on our part to ameliorate their condition or to effect a restoration to their accustomed health and vigor of mind.

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILROS,

HOLLOWAY'S PILLS And Ointment.

ALL WHO have Friends and Relatives in the Army or Navy, should take especial care that they be amply supplied with those Pills and Ointment, and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

COUGHS AND COLDS AFFECTING TROOPS

Will be speedily removed and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

SICK HEADACHES AND WANT OF APPETITE INCIDENTAL TO SOLDIERS.

These feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly a produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

WEAKNESS OR DEBILITY INDUCED BY OVER FATIGUE,

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

VOLUNTEERS ATTENTION! INDISCRETIONS OF YOUTH.

Sores and Ulcers, Blotchings and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

FOR WOUNDS EITHER OCCASIONED BY THE BAYONET, OR SABRE OR THE BULLET, SORES OR BRUISES,

To which every Soldier and Sailor are liable there are no medicines so safe, sure and convenient as Holloway's Pills and ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then covered with a piece of linen from his knapsack, and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflamation.

Every Soldier's knapsack and Seaman's chest should be provided with these valuable Remedies.

CAUTION.—None are genuine unless the words "*Holloway, New York and London*" are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light*. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines, throughout the civilized world, in boxes at 25 cents, 62 cents and $1 each.

There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.

BRITISH PERIODICALS,

VIZ.

THE LONDON QUARTERLY REVIEW (Conserv.)
THE EDINBURGH REVIEW (Whig.)
THE WESTMINSTER REVIEW (Radical.)
THE NORTH BRITISH REVIEW (Free-Church.)
AND
BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)

The American Publishers continue to reprint the above-named periodicals, but as the cost of printing has *doubled*, the price of paper nearly *trebled*, and taxes, duties, licenses, etc., largely increased, they are compelled to advance their terms as follows:

TERMS FOR 1865.

For any one of the Reviews	$4.00
For any two of the Reviews	7.00
For any three of the Reviews	10.00
For all four of the Reviews	12.00
For Blackwood's Magazine	4.00
For Blackwood and one Review	7.00
For Blackwood and any two Reviews	10.00
For Blackwood and three Reviews	13.00
For Blackwood and the four Reviews	15.00

The works will be printed on a *greatly improved quality of paper*, and while nearly all American Periodicals are either advanced in price or reduced in size—and very generally both—*we* shall continue to give faithful copies of *all* the matters contained in the original editions. Hence, our present prices will be found as cheap, for the amount of matter furnished, as those of any of the competing periodicals in this country.

Compared with the cost of the originals editions, which at the present premium on gold would be about $100 a year, our prices ($15) are *exceedingly low*. Add to this the fact that we make our annual payments to the British Publishers for early sheets and copyright *in Gold*—$1 costing us at this time (Jan. 1865) nearly $2.50 in currency—and we trust that in the scale we have adopted we shall be entirely justified by our subscribers and the reading public.

The interest of these Periodicals to American readers is rather increased than diminished by the articles they contain on our *Civil War*, and though sometimes tinged with prejudice, they may still, considering their great ability and the different stand points from which they are written, be read and studied with advantage by the people of this country, of every creed and party.

THE FOUR REVIEWS for 1863.

A few copies of the above remain on hand, and will be sold at $5 for the whole four, or $2 for any one.

HARPER'S NEW MONTHLY MAGAZINE.

Critical Notices of the Press.

It is the foremost Magazine of the day.—The fireside never had a more delightful companion, nor the million a more enterprising friend, than Harper's Magazine.—*Methodist Protestant* (Baltimore).

The most popular Monthly in the World.—*New York Observer.*

We must refer in terms of eulogy to the high tone and varied excellent of HARPER'S MAGAZINE—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the American People; and the popularity it has acquired is merited. Each number contains fully 144 pages of reading matter, appropriately illustrated with good wood-cuts; and it combines in itself the racy monthly and the more philosophical quarterly, blended with the best features of the daily. It has great power in the dissemination of a love of pure literature.—TRUMER'S *Guide to American Literature, London.*

The volumes bound constitute of themselves a library of miscellaneous reading such as cannot be found in the same compass in any other publication that has come under our notice.—*Boston Courier.*

Are Dr. Hurd's Preparations Good?

The best evidences that they are is, that the firmest friends and best patrons are those who have used them longest. *Dr. Wm. B.
