## BRITISH PERIODICALS,

*VIZ.*

THE LONDON QUARTERLY REVIEW (Conserv.)
THE EDINBURGH REVIEW (Whig.)
THE WESTMINSTER REVIEW (Radical.)
THE LONDON BRITISH REVIEW (Free-Church.)
AND
BLACKWOOD'S EDINBURGH MAGAZINE (Tory.

The American Publishers continue to reprint the above-named periodicals, but as the cost of printing has *doubled*, the price of paper nearly *trebled*, and taxes, duties, licenses, etc., largely increased, they are compelled to advance their terms as follows:

**TERMS FOR 1865.**

| | |
|---|---|
| For any one of the Reviews | $4,00 |
| For any two of the Reviews | 7,00 |
| For any three of the Reviews | 10,00 |
| For all four of the Reviews | 12,00 |
| For Blackwood's Magazine | 4,00 |
| For Blackwood and one Review | 7,00 |
| For Blackwood and any two Reviews | 10,00 |
| For Blackwood and three Reviews | 13,00 |
| For Blackwood and the four Reviews | 15,00 |

The works will be printed on a *greatly improved quality of paper*, and while nearly all American Periodicals are either advanced in price or reduced in size—and very generally both—*we* shall continue to give faithful copies of *all* the matters contained in the original editions. Hence, our present prices will be found as cheap, for the amount of matter furnished, as those of any of the competing periodicals in this country.

Compared with the cost of the originals editions, which at the present premium on gold would be about $100 a year, our prices ($15) are *exceedingly low*. Add to this the fact that we make our annual payments to the British Publishers for early sheets and copyright *in Gold*—$1 costing us at this time (Jan. 1865) nearly $2,50 in currency—and we trust that in the scale we have adopted we shall be entirely justified by our subscribers and the reading public.

The interest of these Periodicals to American readers is rather increased than diminished by the articles they contain on our *Civil War*, and though sometimes tinged with prejudice, they may still, considering their great abilility and the different stand-points from which they are written, be read and studied with advantage by the people of this country, of every creed and party.

**THE FOUR REVIEWS for 1863.**

A few copies of the above remain on hand, and will be sold at $5 for the whole four, or $2 for any one.

We also publish the

PRICE $7 for the two volumes—by Mail post paid, $8.

## SEWING MACHINES.

**The Best, Most Reliable Sewing Machine Now in Use!**

These Machines make the lock-stich alike on both sides, and use less than half the thread and silks that the single or double thread loop-stitch Machines do. It will Stitch, Hem, Fell, Quilt, Tuck, Plait, Gather, Cord, Braid, etc., all without previous basting; and are better adapted than any other Sewing Machine in use to the frequent changes and great variety of sewing required in a family; or they will sew from one to twenty thicknesses of Marseilles without stopping, and make every stitch perfect; or from the finest gauze to the heaviest beaver cloth, without changing the feed needle or tension, or making any adjustment of machine whatever!

It has the following advantages over all other machines:

Far greater variety of work; beauty and excellence of stitch; speed and quietness of motion; simplicity of construction; ease and management; elegance of design and finish.

These are peculiar facts, and will go far to determine the choice of an intelligent buyer.

All the machinery and appliances in the laboratory, and the lathes in the offices are run by a six horse power steam engine at a great saving of both time and labor. Dr. Spencer, having at the present time nine first class assistants, graduates of the best Dental Colleges in the States, (also a lady to receive and assist in waiting on ladies and children,) he is enabled to make from 100 to 125 sets of artificial teeth per week, so that persons from a distance need only stay in the city from six to twelve hours in order to be supplied with a superior set of artificial teeth, warranted comfortable and to render good satisfaction, thus getting teeth and a visit to our city all for less money than they would cost you at home.—Natural teeth carefully treated and filled with beautiful and permanent gold fillings.

WASHER, WRINGER and STARCHER Combined! Silver and Bronze Medals, Diplomas, Certificates, Premiums, and Testimonials, have been received from various sources, both Public and Private.

Self-Adjusting and Adjustable! The only Wringer with the Patent Cog-Wheel Regulator, for turning both rolls together and which positively prevents the rolls from breaking or twisting on the shaft. It is not only a perfect Wringer, but the Cog-wheels give it a power which renders it a most Excellent Washer pressing and separating, as it does, the dirt with the water from the clothes, leaving them dryer, whiter, and smoother than when "wrung" by hand. The water can be pressed from large and small articles, easier, quicker, and more thoroughly than by the ordinary, old-fashioned back-breaking, wrist-straining, and clothes destroying process.—The Cog-wheels prevent all "wear and tear" of clothes by the friction of the rolls or breaking of stitches by twisting.

Without Cog-wheels, the whole strain of forcing the cloth through the Machine is put upon the lower roll, and the cloth is made to act in the place of Cog-wheels, to drive the upper roll, causing a much greater strain upon the lower roll than when Cog-wheels, with our Patent Regulator, are used, besides the extra strain upon the cloth. A Good Canvasser wanted in every town. Liberal inducements offered, and exclusive sale guaranteed.

It is now over thirty years since the above celebrated Pills were first discovered by Dr. DUPONCO, of Paris, during which time they have been extensively and successfully used in most of the public institutions, as well as in private practice, of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of Ladies who have used them, that he is induced to make the Pills public for the alleviation of those suffering from any Irregularities whatever, as well as to prevent an increase of family, where health will not permit it. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibilities after the above admonition, although their mildness would prevent any mischief to health otherwise the Pills are recommended.
