### Liberal Inducements to Agents for the Argus.

The year is drawing to a close, and we are And year is drawing to a close, and we are anxious to increase our list of subscribers for hert year. In order to do this we propose that all new subscribers now paying for 1866 shall receive the paper for the balance of the this year free of charge. We will also send the Argus for one year to a club of five or more new subscribers, to one address, at \$1,76 in advance. Any person acting as Agent and raising a club of ten, we will in addition give him the paper dree: Any one sending us a club of twenty new subscribers, with pay in advance, we will give them, in addition to a copy of the Argus for one year, "Raymond's Life of Lincola," containing over 800 pages, and well bound. A dollar and seventy-five cents for our paper gives us a very small profit, yet we are anxious to extend our circulation, and will furnish it at that price to clubs of five or more new subscriber

Every person should take a county paper and there are hundreds in the county who will only ask in return a liberal support. Old subscribers who have not paid up, must do so pefore the end of the year, or fifty cents addisional will be charged. It costs us about quires it. 4
