

NEW BRIGHTON RETREAT

AN ASYLUM FOR THE TREATMENT OF MENTAL AND CHRONIC DISEASES, AND OTHER NERVOUS AND CHRONIC DISEASES, EXCLUSIVELY FOR FEMALES.

This Institution is now open for the reception, care, and treatment of the independent class of patients who are laboring under mental derangement; or other nervous and chronic diseases. We make special mention of nervous and chronic diseases, from the fact that several of the female patients that are committed to our public Asylums, are treated for disordered minds as reduced to the lamentable condition through previous physical disorder. By a well timed and judicious treatment of chronic and nervous diseases, many of the cases in the majority of cases may be removed; and thus, the patient, having suffered through the medium of the body will when free from the exciting physical cause, throw off the shackles that have bound it to work, through midnight darkness, and reason will, once more, resume its sway, clothed in all its primitive beauty and wondrous excellences. Hence the necessity of all those who are laboring under the preceding or exciting causes, calculated to end to improve the mind to resort to an early and judicious course of remedial agents.

The Institution is a large brick building with a stone basement—four stories high and well ventilated. It is situated on an elevated site, which commands a view of entire town—adjacent hills—groves and neighboring streams; all of which are calculated to produce favorable impressions upon the disorder ed mind.

The Institution is completed in all its appointments. Having been tastefully fitted up at great expense, in order that it may meet the approbation and views of the most fastidious.

The water closets and bathing apparatus have been gotten up upon the most approved modern scientific principles. This department embraces not only the ordinary baths but, also, the medicated, warm air and ascending and descending douche for the more effectual and successful treatment of cutaneous and other weaknesses.

We beg leave to say to all those who may be disposed to commit the interests of a dear wife, sister or daughter, to our charge—may be assured that no means will be spared or effort wasted on our part to ameliorate the condition or to effect a restoration to their accustomed health and vigor of mind.
