All the arrest the attention of all thinking at first laughed. It was only a joke. friends of our Government, and all men. It would incorporate,"he says, Then he expostulated, and assured who were loyal to the cause of the "into the body politica distinct element his friends, the Commissioners, aforeholding elections, in the several districts, on er and influence, which cannot melt was misunderstood and that to under-Sarunday, Fabruary 24th, 1866, and choose into a homogeneous mass, but by a Although struggling amid the breaknism to each other."

> relation of States to the Union is also life may be less checkered. discussed with great ability, and the argument and conclusion arrived at, viz: that States that were in rebellior. are still in the Union, is unanswerable and irresistable. It is shown that the continued existence of the States is vital to the Constitution, that the fabric is reared upon the basis of States, and cannot exist without them. States rights cannot be forfeited, there being no superior to whom this forfeiture could be made. The right of existence was never granted by the States, and therefore they have no superior in this respect. The object of the Government in making war upon those who rebelled was to overcome oppothe body of the people of the State ations feeling it.

Opell is in great tribulation. Again - We find in the Richmond Examiner, especial champion of protection and he is encompassed in a sea of woes, edited by Mr. Pollard, which is said manufactures is correct.
