"Use the Best!" DR. CLOCK'S EXCELSIOR HAIR RESTORE IS THE best ever offered to the public and the only one possessing all the merits claimed for it. It restores gray hair to its original color, makes hair grow on bald heads when falling off from disease; removes scurf, dandruff, etc., arrests its falling off, or turning gray; cures sick headaches and all diseases of the scalp; causes harsh, wiry hair to become soft, pliable and luxuriantly glossy. It is highly recommended, and all that can be desired for a dressing. It contains no lead or other injurious ingredients to the head and hair, and of which most preparations now in use are composed, but is a purely vegetable compound. We challenge the world to produce an instance where the Restorer has failed when used according to directions. Among the thousands who have used it we have yet to learn of one who is not perfectly satisfied with its results. Its white as snow is with marvellous rapidity restored to all the natural beauty by its use. It is not a dye, but by supplying the secretion of the capillary glands acts as a restorer. Mothers who use it for their children's hair is best, airy, or thinned, and will find by using the Restorer it will immediately improve and may be dressed in any desired form, thus laying the foundation for a good head of hair, so desirable in after life. The proprietor is aware of the many who have been disappointed by the high sounding pretense of the numerous preparations with which the market has been filled for a few years past, but such entire confidence does he place in the merits of his Restorer that he offers, in all cases, to refund the money after a thorough trial of two bottles, if it fails to give perfect satisfaction. A single trial will convince the most skeptical of its merits. Put up in large bottles and sold by all druggists at 50¢ per bottle. DR. F. B. CLOCK, Proprietor, Manchester, N. H.
