Golden Periodical Pills,
FOR FEMALES.

Infallible in Correcting Irregularties, Removing Obstructions of the Monthly Turns, from Whatever Cause, and

ALWAYS SUCCESSFUL AS A PREVENTIVE.

It is now over thirty years since the above celebrated Pills were first discovered by Dr. DUPONCO, of Paris, during which time they have been extensively and successfully used in most of the public institutions, as well as in private practice, of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of Ladies who have used them, that he is induced to make the Pills public for the alleviation of those suffering from any Irregularities whatever, as well as to prevent an increase of family, where health will not permit it. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibilities after the above admonition, although their mildness would prevent any mischief to health otherwise the Pills are recommded.

Price $1,00 per Box. Six Boxes $5,00.

Sold by S. Smith, Bridgewater, Noble & Hamilton, Beaver, S. Hannen, Rochester.

Ladies! By sending $1,00 to either of the above agents, can have the pills sent (confidentially) by mail, to any part of the county, or address the Proprietor,

BIOKRENE

STRENGTH TO THE WEAK!

This preparation is unequalled as a Rejuvenator and Restorer of wasted or inert functions.

The aged should be certain to make the Biokrene a household god, inasmuch as it will render them youthful in feeling and in strength, and enable them to live over again the days of their pristine joy. It not only exhilarates but strengthens, and is really an invaluable blessing, especially to those who have been reduced to a condition of servility, self abuse, misfortune, or ordinary sickness. No matter what the cause of the impotency of any human organ, this superb preparation will remove the effect at once and forever.

Persons who, by imprudence, have lost their *natural vigor*, will find a speedy and permanent cure in the

Biokrene.

The Feeble, the Languid, the Dispairing, the Old should give this valuable discovery a trial; it will be found totally different from all other articles for the same purposes.

TO FEMALES.—This preparation is invaluable in nervous weakness of all kinds, as it will restore the wasted strength with wonderful permanence.

It is also a grand tonic, and will give relief to Dyspepsia with the first dose. A brief persistence in its use will renovate the stomach to a degree of perfect health and banish Dyspepsia forever.

Dr. Cheeseman's Female Pills

Have been used OVER A QUARTER OF A CENTURY. They are offered as the only safe means of renewing interrupted menstruation, but Ladies must bear in mind that there is *one condition* of the female system in which the Pills cannot be taken without producing a *peculiar result*. The condition referred to is *pregnancy*—the result, *miscarriage*. Such is the irresistible tendency of the medicine to restore the sexual functions to a normal condition, that even the reproductive power of nature cannot resist it. *They cannot do harm* in any other way.

"Use the Best!"
DR. CLOCK'S

EXCELSIOR HAIR RESTORER IS THE best ever offered to the public and the *only one possessing all the merits claimed for it.*—*It restores gray hair to its original color, makes hair grow on bald heads* when falling off from disease; removes Scruff, Dandruff, etc.; arrests its *falling off, or turning gray*; cures sick headache and *all diseases of the scalp*; causes harsh, wiry hair to become soft, pliable and luxuriantly glossy. It is *elegantly perfumed*, and all that can be desired for a dressing. It contains *no sugar of lead or other mineral so injurious to the head and hair*, and of which most preparations now in use are composed, but is a *purely vegetable compound.* WE CHALLENGE THE WORLD to produce an instance where the Restorer has failed when used according to directions. Among the thousands who have used it we have yet to learn of *one* who is not perfectly satisfied with its results. *Hair white as snow* is with *marvelous rapidity* restored to all its *pristine beauty* by its use. *It is not a dye*, but by supplying the secretions of the capillary glannets acts as a restorer. Mothers, whose children's hair is *harsh, wiry*, or *thin and scant*, will find by using the Restorer it will *immediately* improve and may be dressed in any desired form, thus laying the foundation for a *good head of hair*, so desirable in after life. The proprietor is aware of the many who have been disappointed by the high sounding pretense of the numerous preparations with which the market has been filled for a few years past, but such *entire confidence* does he place in the *merits* of his Restorer that he offers, in all cases, *to refund the money* if, after a *thorough trial of two bottles*, it fails to give perfect satisfaction. A *single* trial will convince the *most skeptical of its merits.* Put up in large bottles and sold by all druggists at $1 pr bottle.

THE LONDON QUARTERLY REVIEW (Tory.)
THE EDINBURGH REVIEW (Whig.)
THE WESTMINSTER REVIEW (Radical.)
THE NORTH BRITISH REVIEW (Free-Church.)
AND
BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)

The American Publishers continue to reprint the above-named periodicals, but as the cost of printing has *doubled*, the price of paper nearly *trebled*, and taxes, duties, licenses, etc., largely increased, they are compelled to advance their terms as follows:

TERMS FOR 1865.

For any one of the Reviews	$4,00
For any two of the Reviews	7,00
For any three of the Reviews	10,00
For all four of the Reviews	12,00
For Blackwood's Magazine	4,00
For Blackwood and one Review	7,00
For Blackwood and any two Reviews	10,00
For Brackwood and three Reviews	13,00
For Blackwood and the four Reviews	15,00

The works will be printed on a *greatly improved quality of paper*, and while nearly all American Periodicals are either advanced in price or reduced in size—and very generally both—*we* shall continue to give faithful copies of *all* the matters contained in the original editions. Hence, our present prices will be found as cheap, for the amount of matter furnished, as those of any of the competing periodicals in this country.

Compared with the cost of the originals editions, which at the present premium on gold would be about $100 a year, our prices ($15) are *exceedingly low.* Add to this the fact that we make our annual payments to the British Publishers for early sheets and copyright *in Gold*—$1 costing us at this time (Jan. 1865) nearly $2,50 in currency—and we trust that in the scale we have adopted we shall be entirely justified by our subscribers and the reading public.

The interest of these Periodicals to American readers is rather increased than diminished by the articles they contain on our *Civil War*, and though sometimes tinged with prejudice, they may still, considering their great abilility and the different stand-points from which they are written, be read and studied with advantage by the people of this country, of every creed and party.

THE FOUR REVIEWS for 1863.

A few copies of the above remain on hand, and will be sold at $5 for the whole four, or $2 for any one.

PITTSBURGH COMMERCIAL.

DAILY AND WEEKLY.

FOR 1866.

The Size and Standing of the Commercial.

The Commercial is the largest paper in the State, having been twice enlarged within the last eighteen months. No paper in the State gives so much, and there are few in the country that give an equal amount of reading matter. In this respect, and for its general character and tone, it ranks among the leading journals of the country.

OUR PUBLISHING FACILITIES.

Determined to spare neither labor nor expense, our publishing facilities have been increased within the last few months, at an outlay of *Twenty-Five Thousand Dollars*, placing us for some time to come beyond the reach of competition.

Extraordinary Success of the Commercial.

Although but just entering on its third year, the Commercial has already an unequalled circulation and influence throughout a wide and constantly extending district of country, embracing Pennsylvania, West Virginia and Ohio, while throughout all the west, and in the eastern cities, its circulation is by no means inconsiderable and rapidly growing.

Character and Aims of the Commercial.

Not strictly partizan, nor devoted to any peculiar ideas, the Commercial goes before the public on its merits, asking only just so much favor and patronage as it deserves, and its success can be said to be little less than extraordinary. Although in the future, as in the past, the Commercial will, in a special manner, be devoted to the interests of Pittsburg, it will continue to be Pennsylvania and Union paper, promoting the interests of labor, intelligence, and public and private virtue with whatever influence it can command or power it it can exert. Rising above mere party aims and influences, chained to no one idea, the organ of no sect or party, but believing in Freedom and Progress, and devoted only to truth, the Commercial will treat all public questions and express its views of public men in an independent and liberal spirit. To the present National Administration and the Union cause it will give a hearty tho' not servile support.

THE LATEST NEWS.

Few journals in the country spend so much money in obtaining the latest and most reliable intelligence as the Commercial. In a single item of telegraphing alone it paid during the last year on an average about *One Thousand Dollars a Month*—or more in one month, probably, than was paid by any other Pittsburg paper for the entire year.

SPECIAL CORRESPONDENTS.

We have also at the principal seats of interest, special correspondents, keeping a watchful eye on whatever is of interest or value to the public. No paper in the State has so large a corps of correspondents, and it gives us pleasure to be able to say that we are continually adding to the number writers of experience and ability.

OIL INTELLIGENCE.

By common consent, the Commercial is the standard journal of the country with Petroleum dealers and operators everywhere. In this respect it has no competitor, and the facilities for obtaining this kind of information we are constantly extending.

OUR WASHINGTON DISPATCHES.

Through a Special Dispatch Bureau, maintained at a large expense, our Washington reports are as full and reliable as any, and are in no respect excelled by those of even the Metropolitan press. At this hour of great questions, these facilities are necessary, to supply the demand of the public for news from the National Capitol.

MARKET REPORTS.

The Daily Reports of the Commercial of the Pittsburg, Philadelphia and Foreign Markets, are prepared by competent and experienced Reporters, and their widespread popularity attest their value. The amount of matter in this Department of the Commercial alone, frequently exceeds the entire reading pages of some of our cotemporaries.

THE FINANCIAL DEPARTMENT.

This Department is in the hands of a gentleman of experience and acknowledged ability, and his reports have at all times a special value.

The Local Department.

This Department of the Commercial is no excelled. To test the truth of this, take the local page of any of our neighbors, cut from it all that is not strictly local—letters from abroad and essays on abstract subjects, such as we classify properly on other pages, and exclude what no respectable paper should print—and then compare the remainder with our local page, which does not belie its name.

Editorial and General News.

With a corps of writers of acknowledged ability and experience, these departments of the Commercial compare favorably with the leading journals of the country—and we have only to say that nothing will be omitted that is necessary to maintain for our paper in these and all other respects this standing.

In short, in every department, and as a whole, the Commercial is a

Sound, Comprehensive and Reliable Newspaper.

Whatever is offensive to a cultivated moral taste is scrupulously excluded from its column, and our constant aim is to publish nothing that does not serve some valuable purpose.—A peculiar feature of the COMMERCIAL is

"THE PULPIT,"

In which Department is given, every Saturday, a sermon furnished expressly for it. The reading specially prepared under the head of

FARM, GARDEN AND HOUSEHOLD

Constitute another peculiar feature of great value.

THE DAILY COMMERCIAL

Is published at the following rates:

ONE YEAR	$10 00
HALF YEAR	5 00
QUARTER YEAR	2 50
PER WEEK, BY CARRIER	25

WEEKLY COMMERCIAL.

The weekly issue of the COMMERCIAL is not surpassed either in the amount or kind of matter given. It is made up expressly for the country reader,—it is filled with choice reading, the news, the market reports, general intelligence, Poetry, besides

A Sermon Every Week.

HARPER'S
NEW MONTHLY MAGAZINE.

Critical Notices of the Press.

It is the foremost Magazine of the day.—The firesite never had a more delightful companion, nor the million a more enterprising, friend, than Harper's Magazine.—*Methodist Protestant* (Baltimore).

The most popular Monthly in the World.—*New York Observer.*

We must refer in terms of eulogy to the high tone and varied excellent of HARPER'S MAGAZINE—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the American People; and the popularity it has acquired is merited. Each number contains fully 144 pages of reading matter, appropriately illustrated with good wood-cuts; and it combines in itself the racy monthly and the more philosophical quarterly, blended with the best features of the daily. It has great power in the dissemination of a love of pure literature.—TRUEN'S *Guide to American Literature, London.*

The volumes bound constitute of themselves a library of miscellaneous reading such as cannot be found in the same compass in any other publication that has come under our notice.—*Boston Courier.*
