A CARD TO THE LADIES!

Dr. Duponco's

Golden Periodical Pills,

FOR FEMALES.

Infallible in Correcting Irregularities, Removing Obstructions of the Monthly Turns, from Whatever Cause, and

ALWAYS SUCCESSFUL AS A PREVENTIVE.

It is now over thirty years since the above celebrated Pills were first discovered by Dr. DUPONCO, of Paris, during which time they have been extensively and successfully used in most of the public institutions, as well as in private practice, of both homispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of Ladies who have used them, that he is induced to make the Pills public for the alleviation of those suffering from any Irregularities, whatever, as well as to prevent an increase of family, where health will not permit it. Females, peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition, as the proprietor assumes no responsibilities after the above admonition, although their mildness would prevent any mischief to health otherwise the Pills are recommended.

Price $1,00 per Box.—Six Boxes $5,00.

Sold by S. Smith, Bridgewater, Noble & Hamilton, Beaver, S. Hannen, Rochester.

Ladies!—By sending $1,00 to either of the above agents, can have the pills sent (confidentially) by mail, to any part of the country, or address the Proprietor,

"Use the Best!"

DR. CLOCK'S

EXCELSIOR HAIR RESTORER IS THE best ever offered to the public and the *only one possessing all the merits claimed for it.*—*It restores gray hair to its original color, makes hair grow on bald heads* when falling off from disease; removes Scruff, Dandruff, etc.; arrests its *falling off or turning gray;* cures sick headache and *all diseases of the scalp;* causes harsh, wiry hair to become soft, pliable and luxuriantly glossy. It is *elegantly perfumed,* and all that can be desired for a dressing. It contains *no sugar of lead or other mineral so injurious to the head and hair,* and of which most preparations now in use are composed, but is a *purely vegetable compound.* WE CHALLENGE THE WORLD to produce an instance where the Restorer has failed when used according to directions. Among the thousands who have used it we have yet to learn of *one* who is not perfectly satisfied with its resuls. *Hair white as snow* is with *marvelous rapidity* restored to all its *pristine beauty* by its use. *It is not a dye,* but by supplying the secretions of the capillary glands acts as a restorer. Mothers, whose children's hair is *harsh, wiry, or thin and scant,* will find by using the Restorer it will *immediately* improve and may be dressed in any desired form, thus laying the foundation for a *good head of hair,* so desirable in after life. The proprietor is aware of the many who have been disappointed by the high sounding pretense of the numerous preparations with which the market has been filled for a few years past, but such *entire confidence* does he place in the *merits* of his Restorer that he offers, in all cases, *to refund the money* if, after a *thorough trial of two bottles,* it fails to give perfect satisfaction. A *single* trial will convince the *most skeptical of its merits.* Put up in large bottles and sold by all druggists at $1 pr bottle.

ORPHANS' COURT SALE OF VALUBLE REAL ESTATE.

BY virtue of an order issued out of the Orphans' Court of Beaver county, the undersigned Executor of the last will and testament of Matthew Elder, late of Elder's Mills, in said county, dec'd, will expose to sale by public vendue or out-cry, on the premises, on

FRIDAY, MAY 18th, 1866,

at 1 o'clock, p. m., all the following described real estate of said Matthew Elder, dec'd.

1st. All that tract of land situated in Darlington and South Beaver townships, in the county aforesaid, bounded on the west by land of Wm. H. Knight, on the north by other lands of said testator, recently sold to Elder and McGeehan, on the east by land of James M'Millin and other lands of testator, and on the south by land of Thomas P. Elder, containing about 86 acres, about 80 cleared; on which are erected *a large two-story Brick Store House,* with *Dwelling Houses attached* cellar underneath, double portico to dwelling; *large two story Brick Woolen Factory,* with a basement story of stone, *and with all necessary machinery, therefor* the building and machinery being in good order, and of capacity sufficient for a large manufacturing business. The whole water power of the Little Beaver creek is available for manufacturing purposes at this point, and the Dam Race, &c., *are substantial and in good order.* Also, a good two story frame dwelling house, with kitchen attached, double porch, &c. Also, a good double frame barn, with good stone foundation, and a large wagon shed and corn crib. Also, a two story frame warehouse, and two hewed log tenant houses on the premises.

2d. All that tract of land situate in Darlington tp., in said county, bounded south by other lands of the said testator recently sold to Elder & M'Geehan, on the north by lands of S. C. Chamberlain, on the east by lands of George Hoffman and Reuben Watt, and on the south by lands of James M'Millin, containing about 150 acres, about 120 acres cleared and under cultivation; (reserving, however, as appurtenant to the premises first above described, the right and privilege of backing the water up the creek on this tract, by the dam now erected upon said first mentioned premises, or any dam of same height that may hereafter be erected thereon) on which is erected *a large two story Stone Dwelling House,* with good cellar underneath, and a log kitchen attached. Also, a large hewed log barn, with good stone foundation, and other out-buildings. Also, two small frame tenant houses with stone basements, and one hewed log tenant house, with basement story of stone, &c., &c.

The above are valuable farms; are located about 4 miles from Darlington, and about 11 miles from the present terminus of the Darlington Canfield Coal Railroad, and are immediately upon the projected Railroad from New Galilee, on the Pittsburg Ft. W. & C. Railroad down the valley of the Little Beaver, through the coal and oil region to Glasgow, on the C. & P. R. R., at the Ohio river.

The improvements on the tract above described are very valuable. The water power is excellent and well improved. The factory and other buildings are well and substantially constructed, and the location a good one for manufacturing purposes.

Attention is also called to the fact that these farms are on the Little Beaver, but a few miles above the celebrated Island Run Oil Wells on said creek, and the tendency of the oil developments at present being up said creek, it is believed that in addition to their value for farming and manufacturing purposes, they soon become *Valuable Oil Lands.*

TERMS.—One-third of the purchase money on the confirmation of the sale by the court, balance in two equal, annual payments, from the date of the confirmation of the sale by the Court, with interest; back payments to be secured by bond and mortgage.

For further information apply to the undersigned at his residence near the premises, or address him at Darlington P. O., Beaver Co. Pa. REUBEN WATT,
