MAY 23d, 1866,

EDITORS AND PROPRIETORS.

FOR GOVERNOR, GEN. JOHN W. GEARY. OF CUMBERLAND COUNTY.

General Rail Road Law A number of the Eastern papers are discussing the necessity of a General Rail Road Law; and we think the time has come for every friend of such a law to speak out. We are in favor of such a law for this State, and so far as our information goes, it is the prevailing contiment in this county .-The time has come when the State wast shake off the growing monopo- Nosth Sewickly, Franklin, Marion immense military operations which ceed in electing M'Clellan President, lies that control it, and pass laws that New Sewickly in this county, and in absorbed the attention of the people though he did his best. In short, the Mr. Wilson offered an amendment will cripple their influence and develop the resources of the State. If any part of the State requires a railroad to develop its wealth and resources, the people of that section should be permitted to build one, without being compelled first to secure a charter cago Railway asked it, the Legislature assumed the responsibility of subsisting at the restriction policy, what remains to be brevet promotions in the Regular Artific as Commissary in a measure ceased, said of it? He has officially and my. A resolution relative to appoint and he was left to devote his entire formally announced the termination ments to the Military Academy was of being refused a charter because it might interfere with some other pet road. Unless such a law is passed this State will soon be so completely under the control of the monopolies that it will be utterly impossible to emancipate it. We are glad, then, to the State, and hope to see such a law were for and who against this bill, we ed, is shown by the fact that General elect their Senators and Representatives, the State, and hope to see such a law passed next winter. We see by the record that our Representatives voted for and who against this bill, we has saved to the State many thous and those Senators and Representatives as the 44th page. Several messages that were received from the President, and rejection of fraudulent claims presentatives voted for the House adjourned. for a General Rail Road law in the Quay, our member, not only voted for vented a robbery of the Com- they can. forcibly if they must, and let it was offered, and we know Mr. Quay quire the road to run up Brush creek, far to deplete the treasury. House last winter, in the shape which favora the measure, and stands pledged to vote for it. It was in the Senate the bill was killed, and the people withdrew it. Our readers can see, by ful officers connected with the State must see to it that such an expression the yeas and pays, who were for and Government, and that he will retire consider the establishment of a State property of the yeas and pays, who were for and Government, and that he will retire consider the establishment of a State property of the yeas and pays, who were for and Government, and that he will retire consider the establishment of a State property of the year and pays, who were for and Government, and that he will retire of public opinion is given as will un- who against this bill, and had better from position with the satisfaction of government in Colorado at present Portland, Me. Bills were introduced mistakably show to Senators elected lay aside their paper for reference, as de red a service of the most beneficial ple there. The repulation is small. and to be elected, that unless they vote some of these men may at no distant character to the State. So well, in for such a law, they are forever doom. ed to political death.
