

The Best of the Best!

DR. CLOCK'S
EXCELSION HAIR RESTORER
The best ever offered to the public and the only one possessing all the merits claimed for it. It restores gray hair to its original color, makes hair grow thick, cures itching scalp, keeps the hair falling out, cures dandruff, restores the hair to its original texture, cures skin itching, cures the head and hair, and of which most preparations now in use are composed, but is a purely vegetable compound. We challenge the world to produce an instance where the hair has fallen out, which according to directions, among the thousands who have used it we have yet to learn of one who is not perfectly satisfied with its results. Hair white as silver is with marvelous rapidity restored to all its original beauty by its use. It is not a dye, but by supplying the secretions of the capillary glands acts as a restorer. Mothers, whose children's hair is harsh, wiry, or thin and scant, will find by using the Restorer it will immediately improve and may be dressed in any desired form, thus laying the foundation for a good head of hair, so desirable in after life. The proprietor is aware of the many who have been disappointed by the high sounding pretenses of the numerous preparations with which the market has been filled for a few years past, but such are confided to the place in the merit of his Restorer that he offers, in all cases, to refund the money if, after a thorough trial of two bottles, it fails to give perfect satisfaction. A single trial will convince the most skeptical of its merits. Put up in large bottles and sold at wholesale and retail.

Females peculiarly situated, or those suffering from dysmenstruation, are benefited by using these Pills, which, that condition, as the proprietor assumes no responsibilities after the above admission, although this mildness would prevent any mischief to health otherwise the Pills are recommended.
