I did From all they saw and beard, the Hamburg, 17@18c; Goshen, 22@28c. popular Lecture by Rev. Lowery, and a song by the teachers.

Affine of the objects of the Institute is to faving the facts published. I made arouse of education, and the cause of education, and the cause of education.

I deny it, and say it is talse. I did Grand Jurors are compelled to say; that in the present Steward and his Lady, they find the right persons in the public press. When he spoke of having the facts published. I made arouse of education, arouse in the cause of education, and the cause of education. are use an interest in the cause of education, all parents and patrons of the school, and received to accommodate the no reply until he asked Dr. Gardner and myself our opinion of the propricestly invited to attend.

First.—A fire broke out in the smoke house of Major Thomas M Creety, of this place, on my opinion is it will only give the af-Monday last, about half-past six in the morn-fair publicity;" at the same time asing, and quickly communicated to the Ware- suring him that not one dozen persons trust at the earliest practicable moroof been shingle instead of tin, nothing could that it had not become generally rable. have saved, not only that building, but the known. Now, sir, does this go to entire square. That the fire was checked show that I "gave it to the winds and Inquest visited the County Jail and without destroying it, is certainly marvelous, let it travel," as Mr. Henry alleges? found the Jail clean, comfortable, and and can only be accounted for by the stillness I think the reader will say with me in good condition, with the exception of the morning. Hundreds of people were on that I did not. Permit me to say of the roof, which leaks very badly the ground, but the most complete disorder that Mr. Henry and his friends gave and we would recommend that the reigned, and it was with the utmost difficulty the story more publicity than I or any commissioners be instructed to have the work of extinguishing the flames was systone of his political opponents; and the tematized. A fire is a rare occurrence in fact of hin, having forced upon me C. H. Hays, Foreman, Wm. Barnes, Beaver—this being the first sac, we believe, this public correspondence, will show Samuel Mitchell, for ten years. To our astonishment, an enthe loss of Major M'Creery we learn will amount to over two thousand dollars, on which there is no insurance. The warehouse was listed to make me. What I published in reply to the Local I stand over as being all, in substance, of what I wished in seems light. Maj. M'Creery had at least twenty thousand dollars worth of property and largered, and has therefore great reason to be thankful. We trust we may have at least the people of Beaver county as that Washington B. Band. Robert Eakin, Daniel Rigley, Daniel Rigley, Daniel Rigley, Washington B. Band. Robert Eakin, Daniel Rigley, Daniel gine was produced, which worked well. And perhaps make him as odious to James Oldham be thankful. We trust we may have at least which I did utter, not withstanding ten years more without another fire, and that the assertions of that tried and honest in the meantime we may prepare better.

CHICKERING & SON'S

THE ESTABLISHMENT OF THE FIRM. The celebrated Manufactory of Piance was founded in Boston, in 1975, by the late Jonas Chickering, whose this handary seems placed him as, the foreignt Piano maker in this country, and his instruments far beyond those of his competency. His name is inseparably connected with the bistory of the progress of the Piano on account of the ways gress of the Plano on account of the many valuable improvements introduced, the perfec-tion of his manufacture and the vast quantity

From April 1 to October 1, 1866, Jones Chiekering, who assumed the manage ment, of business on his decrease in 1868, ment, of business of his decrease in They are all practical piano-makers, each one having served at the work beach and learned every part of the manufacture of Pianos. Their skill, enterprise and ambition has ena-bled them not only to sustain the unrivaled reputation they inherited, but to greatly increase it. No efforts have been left untried by Chickering Sons to further perfect their in-atruments, experiments and changes have been made without number, until they have attain-The saving of coat and gas in the summer of the most marked character, by which a months is an advantage of such impertance as great volume and purity of tone is obtained enables the management of this college to make combined with sweet singing quality fivaling. a considerable reduction in the number rates the human voice. By recent improvements it.

From October 1, 1866, to April 1, 1867, the "faction," the touch is rendered more

elastic and prompt so that rapid, difficult music can be performed with the greatest facility without fatigue.

The Pacilities for the Manufacturing possessed by Chickering & Sons, are unequalled. Their Factory is larger than any Piano Factory. in America by nearly one third, and more than double as large seany in Europes: It is provided with every kind of labor-saving machinery (much of which is peculiar to the Factary, being the invention of the Mesara Chickering themselves,) by which the work is done better and with more uniformity than by hand. The great extent of the drying rooms enables them to always have on hand a large supply of properly seasoned wood, which is abs necessary for the production of a durable in-

strument. By these means a regular excellence attained in the Chickering Pianos. The merits of the new Pianos are so great and so apparent that they have gained the approval of the best artists of the country and caused them to be sought after more than ever by the public.

The Chickering Pianos are Undeniably the Most Perfect Pianos Made.

Every Instrument warranted for five years.

The subscribers are the authorized exclusive agents for Chickering & Sons, for Pittsburg, Western Peunsylvania, Eastern Ohio, and West Virginia and by special arrangement are enabled to sell their Pianos at exactly the SAME PRICE AS AT THE FACTORY, at Boston, thus saying purchasers the cost of transportation and risk.

A choice assortment always to be found at this Agency. Illustrated circulars sent to any Andrese
