BETTER THAN GOLD.

Administration and Guardian accounts, which have been passed and filed in the Register's Office, of Beaver county, Pa., will take notice that the same will be presented to the Orphans' Court, to be held at Beaver, in and for the county of Beaver, on Wednesday, and for the county of Beaver, on Wednesday, the 5th day of September, A. D., 1866, for confirmation and allowance:

First and fingl account of Robert Patton, executor of the last will of Sami. Patton, dec'd.

With sympathies large enough to of the estate of James May, dec'd. Better than grandeur, better than gold, Than rank and titles a thousand fold, And simple pleasure that always please; A heart that can feel for another's woe, And share his joys with a genial glow, With sympathies large enough to enfold All men as brothers, is better than gold.

> Better than gold is a conscience clear, Though toiling for bread in an humble sphe Doubly blessed with content and health, Untried by the lust of cares or wealth; Lowly living and lofty thought Adorn and ennoble a poor man's cot, For mind and morals in nature's plan Are the genuine test of a gentleman.

Better than gold is the sweet repose Of the sons of toil when their labors close; Better than gold is the poor man's sleep, And the balm that drops on his slumbers deep Bring sleeping draughts to the downy head Where luxury pillows his aching head; His simple opiate labor seems. A short road to the land of dreams.

Better than gold is a thinking mind, That in the realms of books can find, A treasure surpassing Australian ore, And live with the great and good of yore, The glories of empire passed away: The world's great drama will thus enfold And yield a pleasure better than gold.

Better than gold is a peaceful home, Where all the fireside charities come; Hallowed by mother, or sister, or wife; However humble the home may be, Or tried with sorrow by heaven's decree,
